STATEMENT OF WORK

1.0 SCOPE OF WORK

The County, through the Sheriff's Department, will provide the services of one (1) full-time equivalent Senior Criminalist position to assist the City of Long Beach, through its Long Beach Police Department, in completing forensic DNA testing.

2.0 RESPONSIBILITIES

The Sheriff's Department and the Long Beach Police Department duties and responsibilities for the term of the Agreement are as follows:

2.1 SHERIFF'S DEPARTMENT

- 2.1.1 Assigning one (1) full-time equivalent DNA trained Senior Criminalist, with the requisite supplies and equipment, to complete the Long Beach Police Department's DNA cases. All analysts examining evidence under this Agreement are required to meet all minimum requirements for education, training, experience, and proficiency testing as required by ASCLD/LAB and the FBI's DNA quality assurance standards.
- 2.1.2 Completing cases and the number and the types of case samples based on the priorities set by the Long Beach Police Department, regardless of crime category.
- 2.1.3 Providing direction and training, when necessary, to the Long Beach Police Department in areas relating to sample collection, crime scene investigation, case sample testing, policy, and any other type of information requirements or consultations related to forensic DNA testing.
- 2.1.4 Providing, when available and necessary, trained project personnel to respond to crime scenes for consultation and crime scene documentation and collection.
- 2.1.5 Providing a Project Supervisor, who shall act as a central point of contact with the Long Beach Police Department. The Project Supervisor/alternate shall have full authority to act for the Sheriff's Department on all matters relating to the daily operation of the Agreement. The Project Supervisor for the Sheriff's Department for all matters relating to the performance of this Agreement shall be the Captain of the Scientific Services Bureau (or his/her designee).

2.1.6 Records of the County's time pertaining to the project, and records of accounts between the City of Long Beach and the County, will be kept on a generally recognized accounting basis. The County will also maintain all other records, including without limitation specifications, drawings, progress reports and the like, relating to the project. All records will be available to the City of Long Beach during normal working hours. The County will maintain these records for three (3) years after final payment by the City.

2.2 LONG BEACH POLICE DEPARTMENT

- 2.2.1 Providing funding for one (1) full-time equivalent DNA trained Senior Criminalist. The funding shall provide the service to fulfill required practices to be completed by the assigned Sheriff's Department personnel, which include but are not limited to courtroom testimony, reagent preparation, analyst proficiency testing, and other quality assurance measures.
- 2.2.2 Providing and maintaining the priority list of cases and samples that will be analyzed under the scope of this Agreement. The priority must be clearly communicated to the Project Supervisor and/or the assigned Senior Criminalist.
- 2.2.3 Allowing the completion of adjoining or nearby city police department cases when the priority of the Long Beach Police Department's casework is completed.
- 2.2.4 Providing a Project Manager, who shall act as a central point of contact with the Sheriff's Department. The Project Manager/alternate shall have full authority to act for the Long Beach Police Department on all matters relating to the daily operation of this Agreement. The Chief of the Long Beach Police Department is hereby designated as the contact officer for all matters relating to the Los Angeles County Sheriff's Department performance of this Agreement. The Los Angeles County Sheriff's Department shall not take direction from any City of Long Beach employee or official other than the contact officer (or his/her designee).

3.0 MATERIALS AND EQUIPMENT

The purchase of all materials and equipment to provide the required services will be provided by the Sheriff's Department. If cost of the materials and equipment to provide services does not meet the Sheriff's Department's current criteria for testing and approval

causes the Sheriff's Department's total cost under the Agreement to exceed the annual billing rates, the Long Beach Police Department, at its option, may provide additional funding for the purchase of materials and supplies used during the testing of its cases and samples.

4.0 OVERTIME

The Long Beach Police Department shall provide, when available and necessary, funding for optional overtime for the assigned DNA Senior Criminalist or other Sheriff's Department personnel as determined by the Long Beach Police Department. Prior to performing any overtime work, the Long Beach Police Department shall provide written authorization (memorandum, fax, or email) for the time expenditure. If the overtime work exceeds the Sheriff's Department estimate, the Long Beach Police Department Project Manager or assigned designee must be notified and approve the excess cost.

5.0 QUALITY ASSURANCE

The Sheriff's Department has established and utilizes a comprehensive Quality Assurance Program that is appropriate to the testing activities to assure a consistently high level work product. The Long Beach Police Department may observe performance and activities, and review documents relevant to this agreement at any time during normal business hours. However, the Long Beach Police Department may not unreasonably interfere with the Sheriff's Department's performance nor be able to modify or alter established testing or quality assurance procedures.
