Subject: Urge Passage of Belmont Shore Nov. 6th Council Item 1 re limitation of
residential construction to 2

My husband and I had hoped to be able to attend tomorrow's (Nov. 6th) Council meeting to personally urge the Council to approve Hearing Item 1 regarding a one-year temporary height limit on residential construction in Belmont Shore to two stories.

Unfortunately, we will not be able to attend as we are in San Diego assisting Jeff's parents.

We appreciate the Council's initial support of such a height limit and urge the Council to pass this supporting ordinance.

Thank you.

Sincerely, Melinda Cotton and Jeff Miller
