The provisions of the body of this Agreement shall prevail over the provisions of the Standard Provisions for City Contracts should there be any inconsistency. The term "contract" as used in the Standard Provisions for City Contracts shall include this Agreement.

§401 Insurance Requirements

A. General Conditions

1. During the Term and without limiting Contractor's duty of indemnification herein, Contractor shall provide and maintain at its own expense a program of insurance having coverage and limits customarily carried and actually arranged by Contractor but not less than the amounts and types listed on the Required Insurance And Minimum Limits Sheet (Form Gen. 146) in Exhibit B hereto, covering its operations hereunder. Such insurance shall conform to City requirements established by Charter, ordinance or policy, shall comply with instructions set forth on the City – Instructions And Information On Complying With City Insurance Requirements (Revised 10/09) document, and shall otherwise be in a form acceptable to the Office of the City Administrative Officer, Risk Management. Specifically, such insurance shall: 1) protect City as an Insured or an Additional Interest Party, or a Loss Payee As Its Interest May Appear, respectively, when such status is appropriate and available depending on the nature of applicable coverages; 2) provide City at least thirty (30) days advance written notice of cancellation, material reduction in coverage or reduction in limits when such change is made at option of the insurer; and 3) be primary with respect to City's insurance plan. Except when City is a named insured, Contractor's insurance is not expected to respond to claims that may arise from acts or omissions of the City.
2. The standard City insurance conditions are incorporated into the sample standard subcontract provisions. The specific insurance coverages and limits shall be described by contractor in any RFP for subcontractor services. These coverages and limits should be tailored to the individual subcontract. For City contracts, **Required Insurance and Minimum Limits** are set by the City Risk Management staff in the Office of the City Administrative Officer of the City of Los Angeles on the Form Gen. 146. Electronic submission is the preferred method of submitting your evidence of insurance documents. **Track4LA™** is the City's online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. They system is designed to be used primarily by insurance brokers and agents as they submit client insurance certificates directly to the City. It uses the standard insurance industry form known as the **ACORD 25 Certificate of Liability Insurance** in electronic format. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access **Track4LA™** at <http://track4la.lacity.org> and follow the instructions to register and

submit the appropriate proof of insurance on your behalf. Additional instructions and information on complying with City insurance requirements can be found at http://cao.lacity.org/risk/Submitting_proof_of_Insurance.pdf.

B. Modification of Coverage

1. City reserves the right at any time during the Term to change the amounts and types of insurance required hereunder by giving Contractor ninety (90) days advance written notice of such change. If such change should result in substantial additional cost to Contractor, City agrees to negotiate additional compensation proportional to the increased benefit to City.

C. Failure to Procure Insurance

1. All required insurance must be submitted and approved by the City Administrative Officer/Risk Management/Insurance and Bonds prior to the performance of services, inception of any operations or tenancy by Contractor. The required coverages and limits are subject to availability on the open market at reasonable cost as determined by City. Non-availability or non-affordability must be documented by a letter from Contractor's insurance broker or agent indicating a good faith effort to place the required insurance and showing as a minimum the names of the insurance carriers and the declinations or quotations received from each.
2. Within the foregoing constraints, Contractor's failure to procure or maintain required insurance or a self-insurance program during the Term shall constitute a material breach of this Agreement under which City may immediately suspend or terminate this Agreement or, at its discretion, procure or renew such insurance to protect City's interests and pay any and all premiums in connection therewith and recover all monies so paid from Contractor.

D. Workers' Compensation

1. By signing this Agreement, Contractor hereby certifies that it is aware of the provisions of §3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all such times as they may apply during the performance of the work pursuant to this Agreement.
2. A Waiver of Subrogation in favor of City will be required when work is performed on City premises under hazardous conditions.

§402 Nondiscrimination and Affirmative Action

A. Contractor shall comply with the applicable nondiscrimination and affirmative action provisions of the laws of the United States of America, the State, and the City. In performing this Agreement, Contractor shall not discriminate in its employment practices, against any employee or applicant for employment, denial of family and medical care leave; denial of pregnancy disability leave or reasonable accommodations against any employee or applicant for employment because of such person's race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, age, marital status, family status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief. Contractor shall comply with Executive Order 11246, entitled "Equal Employment Opportunity," as amended by Executive Order 11375, and as supplemented in DOL regulations (41 CFR Part 60).

B. Contractor shall comply with the provisions of the Los Angeles Administrative Code §§10.8 through 10.13, to the extent applicable hereto. If this Agreement contains a consideration in excess of One Thousand Dollars (\$1,000), but not more than One Hundred Thousand Dollars (\$100,000), the Equal Opportunity practices provisions of this Agreement shall be the mandatory contract provisions set forth in Los Angeles Administrative Code §10.8.3, in which event said provisions are incorporated herein by this reference. If this Agreement contains a consideration in excess of One Hundred Thousand Dollars (\$100,000), the Affirmative Action Program of this Agreement shall be the mandatory contract provisions set forth in Los Angeles Administrative Code §10.8.4, in which event said provisions are incorporated herein by this reference. Contractor shall also comply with all rules, regulations, and policies of the City's Board of Public Works, Office of Contract Compliance relating to nondiscrimination and affirmative action, including the filing of all forms required by City.

C. Any subcontract entered into by Contractor relating to this Agreement, to the extent allowed hereunder, shall be subject to the provisions of this section.

- (1) The State, the City and Contractor will exchange various kinds of information pursuant to this Agreement. That information will include data, applications, program files and databases. These data and information are confidential when they define an individual or an employing unit. Confidential information requires special precautions to protect it from unauthorized use, access, disclosure, modification, and destruction. The sources of information may include, but are not limited to, the EDD, the California Department of Social Services, the California Department of Education, the County Welfare Department(s), the County IV-D Directors Office of Child Support, the Office of the District Attorney, the California Department of Mental Health, the California Office of Community Colleges, and the Department of Alcohol and Drug Programs.

- (2) Each party shall provide security sufficient to ensure protection of confidential information from improper use and disclosures, including sufficient administrative, physical, and technical safeguards to protect this information from reasonable unanticipated threats to the security or confidentiality of this information.
- (3) Contractor agrees that information obtained under this Agreement will not be reproduced, published, sold or released in original or in any other form for any purpose other than those specifically identified in this Agreement.
 - (a) Aggregate summaries: All reports and/or publications developed by the subgrantee based on data obtained under this agreement shall contain confidential data in aggregated or statistical summary form only. "Aggregated" refers to a data output that does not allow identification of an individual or employer unit.

- (4) Each party agrees that no disaggregate data, identifying individuals or employers, shall be released to outside parties or to the public.
- (5) Contractor shall notify City of any actual or attempted information security incidents, within 24 hours of initial detection. Information security incidents include, but are not limited to, any event (intentional or unintentional), that causes the loss, damage, or destruction, or unauthorized access, use, modification, or disclosure of information assets.

Contractor shall cooperate with the City in any investigations of security incidents. The system or device affected by an information security incident and containing confidential data obtained in the administration of this program shall be immediately removed from operation upon confidential data exposure or a known security breach. It shall remain removed from operation until correction and mitigation measures are applied.
- (6) Contractor shall provide for the management and control of physical access to information assets (including personal computer systems, computer terminals, mobile computing devices, and various electronic storage media) used in performance of this Agreement. This shall include, but is not limited to, security measures to physically protect data, systems, and workstations from unauthorized access and malicious activity; the prevention, detection, and suppression of fires; and the prevention, detection, and minimization of water damage.
- (7) At no time will confidential data obtained pursuant to this Agreement be placed on a mobile computing device, or on any form of removable electronic storage media of any kind unless the data are fully encrypted.
- (8) Each party shall provide written instructions to all of its employees with access to information provided by the other party of the confidential nature of the information and of the penalties for unauthorized use or disclosure found in §1798.55 of the Civil Code, §502 of the Penal Code, §2111 of the Unemployment Insurance Code, §10850 of the Welfare and Institutions Code and other applicable local, State and federal laws.

- (10) Each party shall promptly return to the other party confidential information when its use ends or destroys the confidential information utilizing an approved method of destroying confidential information by shredding, burning, or certified or witnessed destruction. Magnetic media are to be degaussed or returned to the other party.
- (11) If the City or Contractor enters into an agreement with a third party to provide WIA services, the City/State or Contractor agrees to include these data and security and confidentiality requirements in the agreement with that third party. In no event shall said information be disclosed to any individual outside of that third party's authorized staff, subcontractor(s), service providers or employees.
- (12) The City may, in its operation of the One-Stops, permit a One-Stop operator to enter into a subcontract to manage confidential information. This subcontract may allow an individual to register for resume-distribution services at the same time the individual enrolls into CalJobs. The City shall ensure that all such subcontracts comply with the intellectual property requirements of this Agreement attached hereto as Exhibit J and incorporated herein by reference, the confidentiality requirements of this section and any other terms of this Agreement that may be applicable. In addition, the following requirements must be included in the subcontracts:
 - (a) All client information submitted over the Internet to the subcontractor's databases must be protected, at a minimum, by 128-bit Secure Socket Layer (SSL) encryption. Client's social security numbers must be stored in a separate database within the subcontractor's network of servers, and protected by a firewall and a secondary database server firewall or Advance Encryption Standard (AES) data encryption. If a subcontractor receives client social security numbers or other confidential information in the course of business, for example a resume-distribution service that provides enrollment in CalJobs, social security numbers must be destroyed within two days after the client registers for CalJobs. If a subcontractor obtains confidential information as an agent of the City, the subcontract must specifically state the purpose for the data collection and the term of records

retention must be stated, and directly related, to the purpose and use of the information. In accordance with 29 CFR 97.42, social security numbers and other client specific information shall not be retained for more than three years after a client completes services. City should extend this period, only if any litigation, claim, negotiation, audit, or other action involving the records has been started before the end of the three-year retention period. In this case the records should be maintained until completion of the action and resolution of all issues arising from it, or until the close of the three-year retention period, whichever is later (29 CFR sec. 97.42 (b) (2)).

- (b) Client information (personal information that identifies a client such as name and social security number) and/or demographic information of a client (such as wage history, address, and previous employment) shall not be used as a basis for commercial solicitation during the time the client or agency is using the subcontractor's services. Client information and/or demographic information shall not be used for any purposes other than those specific program purposes set forth in the subcontract.
 - (c) A One-Stop client must still be given the option to use the One-Stop's services, including CalJobs, even if he or she chooses not to use any services of the subcontractor. This option shall be prominently, clearly, and immediately communicated to the client upon registration within the One-Stop or for CalJobs; the subcontractor's resume-distribution services, or any other services subcontractor offers to the client or the One-Stop operator.
 - (d) The subcontractor must clearly disclose all of its potential and intended uses of the client's personal and/or demographic information for the services the client seeks and for any other services the subcontractor offers. The subcontractor shall not use a client's personal and/or demographic information without the client's prior permission. A link to the subcontractor's privacy policy shall appear prominently on the registration screens that list the potential and intended uses of the client's personal and/or demographic information.
 - (e) When the Grantor modifies State automated systems such as the State CalJobs System, it shall provide reasonable notice of such changes to the City. The City shall be responsible to communicate such changes to the One-stop Operator(s) in the local area.
- (13) Each party shall designate an employee who shall be responsible for overall security and confidentiality of its data and information systems and, each party shall notify the other of any changes in that designation.

- E. If the City's Designated Administrative Agency determines that a Contractor has set up or used its contracting entity for the purpose of evading the intent of the EBO, the City may terminate the contract. ON COMPLYING WITH CITY INSURANCE REQUIREMENTS

(Share this information with your insurance agent or broker.)

PERSON TO CONTACT Direct all correspondence, questions, requests for additional forms, etc., to the contact person listed here or to the department that administers your contract, lease or permit:

NAME	Lafaye Jones
CITY AGENCY	Community Development Dept. Financial Management Div.
ADDRESS	1200 W. 7 th Street, 4 th Floor Los Angeles, CA 90017

GENERAL INFORMATION

1. **Agreement/Reference** All evidence of insurance must identify the nature of your business with the CITY. Clearly show any assigned number of a bid, contract, lease, permit, etc. or give the project name and the job site or street address to ensure that your submission will be properly credited. Provide the **types of coverage and minimum dollar amounts** specified on the Required Insurance and Minimum Limits sheet (Form Gen. 146) included in your CITY documents.

2. **When to submit** Normally, no work may begin until a CITY insurance certificate approval number ("CA number") has been obtained, so insurance documents should be submitted as early as practicable. For **As-needed Contracts**, insurance need not be submitted until a specific job has been awarded. **Design Professionals** coverage for new construction work may be submitted simultaneously with final plans and drawings, but before construction commences.

3. **Acceptable Evidence and Approval** Electronic submission is the preferred method of submitting your documents. **Track4LA™** is the CITY's online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used primarily by insurance brokers and agents as they submit client insurance certificates directly to the City. It uses the standard insurance industry form known as the **ACORD 25 Certificate of Liability Insurance** in electronic format. Track4LA™ advantages include standardized, universally accepted forms, paperless approval transactions (24 hours, 7 days per week), and security checks and balances. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access **Track4LA™** at <http://track4la.lacity.org> and follow the instructions to register and submit the appropriate proof of insurance on your behalf.

Insurance industry certificates other than the ACORD 25 may be accepted. **All** Certificates must provide a thirty (30) days' cancellation notice provision (ten (10) days for non-payment of premium) AND an Additional Insured Endorsement naming the CITY an additional insured completed by your insurance company or its designee. If the policy includes an automatic or blanket additional insured endorsement, the Certificate must state the CITY is an automatic or blanket additional insured. An endorsement naming the CITY an Additional Named Insured and Loss Payee as Its Interests May Appear is required on property policies. All evidence of insurance must be authorized by a person with authority to bind coverage, whether that is the authorized agent/broker or insurance underwriter.

Acceptable Alternatives to Acord Certificates and other Insurance Certificates:

- A **copy of the full insurance policy** which contains a thirty (30) days' cancellation notice provision (ten (10) days for non-payment of premium) and additional insured and/or loss-payee status, when appropriate, for the CITY.
- **Binders and Cover Notes** are also acceptable as interim evidence for up to 90 days from date of approval.

Additional Insured Endorsements DO NOT apply to the following:

- Indication of compliance with statute, such as Workers' Compensation Law.
- Professional Liability insurance.
-

EXHIBIT B - Cont.
INSTRUCTIONS AND INFORMATION
ON COMPLYING WITH CITY INSURANCE REQUIREMENTS

Completed **Insurance Industry Certificates other than ACORD 25 Certificates** can be sent electronically (CAO.insurance.bonds@lacity.org) or faxed to the Office of the City Administrative Officer, Risk Management (213) 978-7616. **Please note that submissions other than through Track4LA™ will delay the insurance approval process as documents will have to be manually processed.**

Verification of approved insurance and bonds™ may be obtained by checking **Track4LA™**, the CITY's online insurance compliance system, at <http://track4la.lacity.org>.

4. Renewal When an existing policy is renewed, have your insurance broker or agent submit a new Acord 25 Certificate through **Track4LA™** at <http://track4la.lacity.org> or submit an Insurance Industry Certificate or a renewal endorsement as outlined in Section 3 above. If your policy number changes you must also submit a new Additional Insured Endorsement with an Insurance Industry Certificate.

5. Alternative Programs/Self-Insurance Risk financing mechanisms such as Risk Retention Groups, Risk Purchasing Groups, off-shore carriers, captive insurance programs and self-insurance programs are subject to separate approval after the CITY has reviewed the relevant audited financial statements. To initiate a review of your program, you should complete the Applicant's Declaration of Self Insurance form (<http://cao.lacity.org/risk/InsuranceForms.htm>) to the Office of the City Administrative Officer, Risk Management for consideration.

6. General Liability insurance covering your operations (and products, where applicable) is required whenever the CITY is at risk of third-party claims which may arise out of your work or your presence or special event on City premises. **Sexual Misconduct** coverage is a required coverage when the work performed involves minors. **Fire Legal Liability** is required for persons occupying a portion of CITY premises. (Information on two CITY insurance programs, the SPARTA program, an optional source of low-cost insurance which meets the most minimum requirements, and the Special Events Liability Insurance Program, which provides liability coverage for short-term special events on CITY premises or streets, is available at (www.2sparta.com), or by calling (800) 420-0555.)

7. Automobile Liability insurance is required only when vehicles are used in performing the work of your Contract or when they are driven off-road on CITY premises; it is not required for simple commuting unless CITY is paying mileage. However, compliance with California law requiring auto liability insurance is a contractual requirement.

8. Errors and Omissions coverage will be specified on a project-by-project basis if you are working as a licensed or other professional. The length of the claims discovery period required will vary with the circumstances of the individual job.

9. Workers' Compensation and Employer's Liability insurance are not required for single-person contractors. However, under state law these coverages (or a copy of the state's Consent To Self Insure) must be provided if you have any employees at any time during the period of this contract. Contractors with no employees must complete a Request for Waiver of Workers' Compensation Insurance Requirement (<http://cao.lacity.org/risk/InsuranceForms.htm>). **A Waiver of Subrogation** on the coverage is required only for jobs where your employees are working on CITY premises under hazardous conditions, e.g., uneven terrain, scaffolding, caustic chemicals, toxic materials, power tools, etc. The Waiver of Subrogation waives the insurer's right to recover (from the CITY) any workers' compensation paid to an injured employee of contractor.

10. Property Insurance is required for persons having exclusive use of premises or equipment owned or controlled by the CITY. **Builder's Risk/Course of Construction** is required during construction projects and should include building materials in transit and stored at the project site.

11. Surety coverage may be required to guarantee performance of work and payment to vendors and suppliers. A **Crime Policy** may be required to handle CITY funds or securities, and under certain other conditions. **Specialty coverages** may be needed for certain operations. For assistance in obtaining the CITY required bid, performance and payment surety bonds, please see the City of Los Angeles Bond Assistance Program website address at <http://cao.lacity.org/risk/BondAssistanceProgram.pdf> or call (213) 258-3000 for more information.

2. Nothing in this provision shall restrict, limit, or otherwise prevent Contractor from using any ideas, concepts, know-how, methodology or techniques related to its performance under this Agreement, provided that Contractor's use does not infringe the patent, copyright, trademark rights, license or other Intellectual Property rights of City/State or third party, or result in a breach or default of any provisions herein or result in a breach of any provisions of law relating to confidentiality.

H. Copyright

1. Contractor agrees that for purposes of copyright law, all works made by or on behalf of Contractor in connection with Contractor's performance of this Contract shall be deemed "works for hire." Contractor further agrees that the work of each person utilized by Contractor in connection with the performance of this Contract will be a "work made for hire," whether that person is an employee of Contractor or that person has entered into an agreement with Contractor to perform the work. J. Third-Party Intellectual Property

1. Except as provided herein, Contractor agrees that its performance of this Agreement shall not be dependent upon or include any Intellectual Property of Contractor or third party without first: (i) obtaining City/State's prior written approval; and (ii) granting to or obtaining for City/State's, without additional compensation, a license, as described in §718F.3 above, for any of Contractor's or third-party's Intellectual Property in existence prior to the effective date of this Agreement. If such a license upon these terms is unattainable, and City/State determines that

the Intellectual Property should be included in or is required for Contractor's performance of this Agreement, Contractor shall obtain a license under terms acceptable to City/State.

K. Warranties

1. Contractor represents and warrants that:
 - a. It has secured and will secure all rights and licenses necessary for its performance of this Agreement. Neither Contractor's performance of this Agreement, nor the exercise by either Party of the rights granted in this Agreement, nor any use, reproduction, manufacture, sale, offer to sell, import, export, its modification, public and private display/performance, distribution, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or City/State and which result directly or indirectly from this Agreement will infringe upon or violate any Intellectual Property right, non-disclosure obligation, or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States, or any foreign country. There are currently no actual or threatened claims by any such third party based on an alleged violation of any such right by Contractor.
 - b. Neither Contractor's performance nor any part of its performance will violate the right of privacy of, or constitute a libel or slander against any person or entity.

It has secured and will secure all rights and licenses necessary for Intellectual Property including, but not limited to, consents, waivers or releases from all authors of music or performances used, and talent (radio, television and motion picture talent), owners of any interest in and to real estate, sites locations, property or props that may be used or shown.

 - e. It has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.
 - f. It has no knowledge of any outstanding claims, licenses or other charges, liens, or encumbrances of any kind or nature whatsoever that could affect in any way Contractor's performance of this Agreement.
2. City/State make no warranty that the intellectual property resulting from this subgrant Agreement does not infringe upon any patent, trademark, copyright or the like, now existing or subsequently issued.

L. Intellectual Property Indemnity

1. Contractor shall indemnify, defend and hold harmless City/State and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products, ("Indemnities") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim action, or proceeding, commenced or threatened) to which any of the Indemnities may be subject, whether or not Contractor is a party to any pending or threatened litigation, which arise out of or are related to (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of Contractor pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of City/State's use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or City/State and which result directly or indirectly from this Agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that was issued after the effective date of this Contract.

City/State reserves the right to participate in and/or control, at Contractor's expense, any such infringement action brought against City/State.

2. Should any Intellectual Property licensed by Contractor to City/State under this Agreement become the subject of an Intellectual Property infringement claim, Contractor will exercise its authority reasonably and in good faith to preserve City/State's right to use the licensed Intellectual Property in accordance with this Agreement at no expense to City/State. City/State shall have the right to monitor and appear through its own counsel (at Contractor's expense) in any such claim or action. In the defense or settlement of the claim, Contractor may obtain the right for City/State to continue using the licensed Intellectual Property or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, City/State may be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other rights and remedies available at law or in equity.
3. Contractor agrees that damages alone would be inadequate to compensate City/State for breach of any term of these Intellectual Property provisions herein by Contractor. Contractor acknowledges City/State would suffer irreparable harm in the event of such breach and agrees City/State shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.
