(Citywide)	Kimberly Buchanan	kim@joyridek9.com			Long Beach	CA	90808	Unnecessary, punitive approach that will yield unintended consequences. Enhance existing programs that are working! Euth continuing to decline, only 126 dogs euth due to time/space in 2014! 90% of dogs are altered! 30% license compliance? POOR RECORD. Why add more laws that cannot be enforced? Address the real issues: Health, Behavior, lack of housing, unexp \$, limited AC hours. This will only exacerbate the problems. Try incentives, support, TRAINING! VOTE NO ON MSN FOR LONG BEACH DOGS!	3/17/2015

(Citywide)	Betsy Andersen	bandersen57@hotmail.com			Coronado	CA	92118	My name is Betsy Andersen and I am a volunteer for Chula Vista ACF, Coronado ACF and I Network for the animals all through out Los angeles, San Diego and Northern California. I have been praying for regulations like the one you have to vote on all my volunteering career. Thousands of animals are euthanized every month and there needs to be regulation with the breeding of animals to lessen the euthanasia rate. I hope you approve adding 6.16.062. Thank you for your consideration.	3/16/2015

(Citywide)	Cheryl Pokomo	cpokomo@aol.com			Los Angeles	CA	90272	I am writing to request your support of the proposed amendments to Title 6 of the Long Beach Municipal Code to help control the overpopulation of dogs/cats that results in so much animal suffering & increased expenses for the city. Los Angeles imposed similar restrictions years ago with success. I urge you to vote for the animals in support of this proposed legislation. Thank you for your consideration. c. pokomo	3/13/2015

(Citywide)	Monique Biglia	moniquebiglia@gmail.com			Los Angeles	CA	91601	I am in support of the amendments to Title 6. We have a tragic overpopulation of cats and dogs, which neutering and spaying mandates would help. Also banning the sale of animals bred in puppy and kitten mills would help alleviate this problem. Many thanks for your help in doing the right thing! Monique Biglia	3/13/2015
