Board of Water Commissioners

October 10, 2019 Board Meeting

Subject:

Authorize the General Manager to execute an Agreement with DRP Engineering, Inc. to provide Engineering Design Services for the S-25 Sewer Lift Station Rehabilitation Project in the amount not-to-exceed \$333,815.

Executive Summary:

On July 15, 2019, staff advertised the request for proposal to provide Engineering Design Services for the S-25 Sewer Lift Station Rehabilitation Project through the City's electronic bidding system. On July 25, 2019 staff advertised in the Long Beach Press Telegram. A preproposal meeting was held on July 31, 2019. The Project will rehabilitate the sewer lift station to extend its useful life and improve operations and maintenance. Six (6) proposals were received and analyzed. Staff recommends DRP Engineering, Inc., based on its technical and management experience on similar projects, project understanding, resource availability, and reasonableness of fees. The not-to-exceed fee for the services is \$333,815 and the duration of the Agreement is through project completion.

Recommendation/Fiscal Impacts

Authorize the General Manager to execute an agreement with DRP Engineering, Inc. to provide Engineering Design Services for the S-25 Sewer Lift Station Rehabilitation Project in the amount not-to-exceed \$333,815.

Fiscal Impact: The cost to the Sewer Fund will be incurred during FY 20 and FY 21 with the actual annual amounts unknown at this time, but the total amount will not exceed the contract total of \$333,815. Funds are available in the FY 20 Budget and have been included in the financial projections.
