DISCUSSION

Habitat for Humanity of Greater Los Angeles (Habitat LA) will be holding this year's Los Angeles Builders Ball on September 23, 2021. The Habitat for Humanity Builders Ball celebrates the donors and partners of Habitat LA, as well as its counterparts in the building, real estate, and related industries, who are all helping to transform the landscape of the Greater Los Angeles. It is an evening to raise awareness and funds to help empower families and build strength and stability in our communities through homeownership. Proceeds support Habitat LA's mission and initiatives to revitalize neighborhoods.
