HONORABLE MAYOR AND CITY COUNCIL

City of Long Beach

California

RECOMMENDATION:

Receive supporting documentation into the record, conclude the public hearing, and take the actions necessary to adopt the Fiscal Year 2021 budget as listed in Attachment A. (Citywide)

DISCUSSION

On August 2, 2020, the City Manager's Proposed Budget for Fiscal Year 2021 (FY 21) was delivered by Mayor Garcia to the City Council and community for consideration. City Council budget meetings were held on December 17, 2019, and on May 19, August 4, August 11, August 18, and September 1, 2020. Additionally, Budget Oversight Committee (BOC) meetings and citywide community town hall meetings were also held throughout the month of August at which the Proposed FY 21 Budget was discussed. As a result of these meetings, there were 17 scheduled opportunities for public feedback, deliberation, and input. Additionally, input was solicited through the Long Beach Budget Priority Survey to obtain feedback on what the City's priorities should be. The survey was promoted on the City's website, along with OpenLB, which shows the budget visually, through Twitter and Facebook, and at the community meetings.

At the conclusion of the hearing, the City Council will amend the Proposed FY 21 Budget as it deems appropriate, and adopt the proposed budget as amended. As a result of the shortened timeframe for the budget process due to the COVID-19 pandemic, the numbers presented in the Proposed FY 21 Budget Book were estimates and did not yet include interdepartmental charges updates, grant and carryover clean-up, and other technical budget items. These figures have now been updated and are listed by fund group and department in Attachments B, C, and D, and are further described at the end of this letter. These updates have resulted in the total All Funds budget being revised from \$2.6 billion to \$2.8 billion. These changes do not reflect any substantive changes to the City Manager proposals but are rather technical and system updates, including updating the budget for grants and interdepartmental charges as described above.

There are three Ordinances to be considered for approval in Attachment A. The first Ordinance amends the Departmental Organization of the City (A-6). The second Ordinance approves Resolution No. WD-1429 (A-10), which establishes the rates and charges for the water and sewer service. The third is the Appropriations Ordinance (A-17), which officially appropriates the funding for the Adopted Budget (approved in A-3) and authorizes expenditures in conformance with the Adopted Budget. For the second and third Ordinances to become effective on October 1, 2020, the City Council must first declare an emergency to exist before adopting each Ordinance (A-9 and A-16).

There are also six Resolutions that provide for approval for the Master Fees and Charges Schedule (A-4), amend the Salary Resolution (A-7), approve the budget for the Harbor Department (A-8), approve the budget for the Water Department (A-11), establish the Gann Appropriations Limit (A-14), and declare a fiscal hardship for FY 20 and FY 21 under Measure B, authorizing the use of up to 50 percent Measure B reserves (A-15). There are also the following motions: approve the Mayor's Recommendations (A-1); approve the BOC Recommendations (A-2); amend the Proposed FY 21 Budget (A-3); approve the FY 21 One-Year Capital Improvement Program (A-5); approve the FY 21 Budget for the Long Beach Community Investment Company (A-12); and, approve the Harbor Revenue Fund Group transfer (A-13).

This matter was reviewed by Deputy City Attorney Amy R. Webber on August 26, 2020 and by Budget Management Officer Rhutu Amin Gharib on August 25, 2020.

TIMING CONSIDERATIONS

In accordance with the City Charter, the Proposed FY 21 Budget must be adopted by September 15, 2020. Should the City Council fail to adopt the budget by that date, the City Manager's Proposed FY 21 Budget will be deemed the budget for the 2021 Fiscal Year. The Mayor has five calendar days from City Council adoption of the budget to use his veto authority. The City Council would then have until September 30, 2020, to override the veto action by the Mayor with a two-thirds supermajority vote (six Councilmembers).

FISCAL IMPACT

The City Charter requires that the Appropriations Ordinance govern and control the expenditure and commitment amounts stated therein relating to City departments, offices, and agencies during each fiscal year. The total Proposed FY 21 Budget for all departments and fund groups is \$3,321,189,591, which comprises of \$2,781,088,305 in new appropriation and \$540,101,286 in estimated carryover from FY 20 for multi-year grants and projects. Attachments B, C, and D provide the financial overview by Fund Group and Department, and Citywide revenue by Fund Group, respectively.

The Appropriations Ordinance, included as Attachment A-17, totals \$2,511,084,276 for all fund groups except Harbor, Sewer, and Water, and \$2,514,659,888 for all departments except Harbor and Water. The \$3,575,612 difference between fund groups and departments is due to general City indirect costs budgeted in the Financial Management Department, but charged to the Harbor, Water, and Sewer Funds, which are not included in the Appropriations Ordinance by fund groups.

The proposed Harbor, Water, and Sewer Fund Group budgets are in separate City Council Resolutions included as Attachment A-8 and A-11, respectively, and total \$810,105,315. The Board of Harbor Commissioners adopted the budget for the Harbor Department by minute order on May 27, 2020. The Board of Water Commissioners adopted the budget for the Water Department by Resolution on June 18, 2020.

User fees and charges in the Master Fees and Charges Schedule, included as Attachment A-4, have been adjusted due to changes in service and other factors. For details regarding these proposed new fees and adjustments, please see the List of Proposed Fees Adjustments for FY 21 that has been incorporated as Exhibits B and C to the Master Fees and Charges Resolution.

Other requested City Council actions include:

- Approving the FY 21 One-Year Capital Improvement Program (CIP) budget, included as Attachment A-5, which is contained in the Appropriations Ordinance.
- Amending the Departmental Organization Ordinance, included as Attachment A-6. This amendment incorporates changes to departments, bureaus, and divisions for FY 21. These organizational changes are necessary to implement changes reflected in the Proposed FY 21 Budget. A redline version of the changes is also provided.
- Adopting the amended Salary Resolution, which creates and establishes positions of employment while fixing and prescribing the compensation for officers and employees, is included as Attachment A-7. Due to the delayed and compressed budget process this year, additional changes to classifications will be presented to the City Council in early FY 21.
- Adopting the FY 21 Long Beach Community Investment Company (LBCIC) budget, included as Attachment A-12. The LBCIC budget is prepared annually for City Council approval and is a subset of the Housing Development Fund. The LBCIC oversees the delivery of housing and neighborhood revitalization services. The LBCIC approved its FY 21 Budget on May 20, 2020.
- Adopting a Resolution, included as Attachment A-14, establishing the Gann Appropriations Limit (Limit) for general purpose expenditures. In November 1979, the voters of the State of California (State) approved Proposition 4, also known as the Gann Initiative (Initiative). The Initiative places certain limits on the amount of tax revenue that can be appropriated each fiscal year. The Limit is based on actual appropriations during FY 79 and prevents overspending proceeds of taxes. Only those revenues that are considered as "proceeds of taxes" are subject to the Limit. The Limit is recalculated each fiscal year based on certain inflation and population factors provided by the State. The Proposed Budget includes tax revenue estimates that are at 44.42 percent of the 2020-2021 Appropriations Limit and, therefore, do not exceed the Limit. This calculation is reviewed by the City Auditor for conformance to the law.
- A Resolution declaring a state of fiscal hardship due to the COVID-19 pandemic for FY 20 and FY 21 is included as Attachment A-15. This Resolution allows Measure B reserves to be used in FY 20 and FY 21 in accordance with Measure B and at the direction of the City Council. The Proposed FY 21 Budget proposes the use of reserves to temporarily maintain services while the significant level of uncertainty in the economy's response to events in the short- and long-term remains.

After the City Manager delivered the Proposed FY 21 Budget to the Mayor, technical adjustments were made to complete the budget. These changes, totaling \$135,033,449 across all funds and \$134,469,588 across departments, are normally included in the Proposed Budget in July, but due to the compressed timeframe of the budget development process this year, the number of changes is larger than normal.

While these changes are larger than normal, they do not change the status of the budget as reported in the Proposed FY 21 Budget. A number of these changes were factored into the overall budget process and the General Fund Group is still balanced for FY 21, as shown in these attachments. The amounts for the changes are shown in Attachments B, C, and D. The items listed below identify some of the key changes but are not meant to explain all the changes shown in the Attachments.

1. Inclusion of Citywide interdepartmental charges such as Technology and Innovation MOU, the Fleet MOU, and other grants that impact the reported budget for any department and fund that receives those services. The amounts budgeted vary and are spread across various departments and funds.
2. The Capital Projects Fund Group increased by \$90 million due to the budgeting of the Capital Improvement Plan (CIP) after the Proposed Budget was released in July. Capital Project Funds are budgeted in both the fund providing the revenue offset and, in the fund, expending the project costs; therefore, the amount shown in the Changes column is larger than the actual capital program activity.
3. Budgeting the Measure A transfer from the General Fund Group for \$18.5 million to the Capital Projects Fund Group
4. Budgeting the various personnel benefits in the Employee Benefits Fund Group to allow the payments to be made for healthcare, pensions, and other miscellaneous benefits in the amount of \$16.9 million.

Section 1. TITLE

This resolution shall be known as the "Salary Resolution" and may be so cited and referred to as such.

Section 2. ESTABLISHMENT OF OFFICES, POSITIONS AND COMPENSATION

There are hereby created and established the offices and positions set forth and listed in Attachment A, except as otherwise provided in this resolution, the compensation for each office and position is hereby fixed and prescribed at one of the pay rates within the Salary Ranges set forth in the Salary Schedules in Attachment B, which pay rates are indicated opposite each listed office and position by a Salary Range Number, together with such additional compensation, if any, as provided herein or by applicable ordinance.

Section 3. POSITION COMPENSATION DESIGNATION

The designation of certain positions in the schedule of positions contained herein and the designation of grades within a specified classification are made for the purpose of classifying such positions according to the degree of responsibility and character of the duties required by such positions solely and only to the end that salary schedules for such positions will reflect the differences in the responsibilities and duties attached to positions of the same classification. The characterization of positions by said terms is hereby declared to have no other purpose or effect and shall not in any manner change or alter the classification of employees holding such positions.

Section 4. POSITION DUTIES

Every person holding any office or position of employment with said City shall perform such duties as are indicated by the title of such office or position and as are usually incident to such office or position and those that are assigned by their immediate superior; and all such duties are to be performed in aid of the proper and efficient administration of local government.

Section 5. ESTABLISHMENT OF PAY PERIODS AND PAY DAYS

All salaries and wages provided in this resolution shall be computed and payable in

1 biweekly installments, and such installments shall be paid every other Friday in
2 accordance with and in continuation of the schedule of biweekly pay periods and paydays
3 established and commenced by the provisions of Section 4 of Resolution No. C-22338.

4 **Section 6. EMPLOYMENT COMPENSATION**

5 Every person who has been or who hereafter may be duly appointed to an office or
6 position of employment indicated herein, and who is qualified to hold and does hold such
7 office or position from and after the date or dates that the pay rates and compensation
8 prescribed herein shall become effective as hereinafter provided, or from the date of
9 employment, whichever occurs later, shall receive as full compensation for their services,
10 a biweekly salary based on one of the pay rates set forth in the Salary Schedules
11 specified herein for their office or position, together with such additional compensation, if
12 any, as provided herein or by applicable ordinance. The method and manner of
13 determination of the pay rate at which the compensation of each officer or employee
14 (hereinafter collectively referred to as "employee" or "employees") shall be fixed as
15 hereinafter provided. Except as otherwise specifically designated, the applicable pay rate
16 indicated in the Salary Schedule in Attachment B hereof is intended to be and shall be
17 the basis for determining each employee's biweekly salary.

18 **Section 7. EFFECTIVE TERM OF COMPENSATION**

19 The compensation prescribed herein shall remain in effect until superseded by the City
20 Council, to reflect adjustments in compensation provided for in applicable memoranda of
21 understanding and as otherwise prescribed by the City Council for employees not
22 covered by memoranda of understanding.

23 **Section 8. COMPENSATION COMPUTATION**

24 A. Hourly

25 The compensation for all City employees shall be as prescribed and
26 expressed herein on a per-hour rate basis. The amount of the biweekly installment
27 payable to any employee shall be computed by multiplying the employee's pay rate per
28 hour by the number of hours or fraction of hours for which pay is actually due. The hourly

1 pay rate shall include any additional compensation applicable.

2 B. 56-Hour Equivalent

3 The "56-hour equivalent" pay rate per hour for Fire Department safety
4 personnel, Marine Safety Captain, Marine Safety Sergeants, and Marine Safety Officers
5 assigned to platoon duty shall be determined by dividing the biweekly pay rate
6 established for each position including skill and incentive pay rates, if applicable, by one
7 hundred and twelve.

8 C. Unpermitted Absences

9 When an employee is absent for any reason other than one of the permitted
10 absences authorized by Section 1.06 of the Personnel Ordinance, said employee is not
11 entitled to receive the full amount of his or her installment of pay for the biweekly pay
12 period during which said absence occurred. The amount of pay that said employee shall
13 receive for such pay period, except for Fire Department safety personnel, Marine Safety
14 Captain, and Marine Safety Officers assigned to platoon duty subject to the provisions of
15 Subsection D below, shall be computed by multiplying the employee's applicable hourly
16 pay rate by the number of hours or fraction of hours for which pay is actually due.

17 D. Platoon Pay Reduction

18 When any Fire Department safety employee, Marine Safety Captain,
19 Marine Safety Sergeants, and Marine Safety Officers assigned to platoon duty, who, for
20 any reason other than those reasons indicated in the last sentence of this Subsection, is
21 not entitled to receive the full amount of their biweekly installment of salary for any pay
22 period, the number of hours or fraction of hours for which pay is not due shall be
23 multiplied by $\frac{2}{3}$ ^{rds} and the product shall be multiplied by the employee's applicable pay
24 rate per hour including skill and incentive pay rates, if applicable, and this amount shall
25 be subtracted from the employee's regular biweekly installment. Whenever a Fire
26 Department safety employee, Marine Safety Sergeant, or Marine Safety Officer who is
27 assigned to platoon duty is hired, terminated, on departmental leave, or on leave
28 approved by the appointing authority during any part of a pay period so that said

1 employee is not on active duty with the City for part of the fourteen day pay period, then
2 1/14th of the amount of the employee's biweekly installment shall be subtracted for each
3 such day of inactive service.

4 E. Platoon Overtime

5 For purposes of determining the cash compensation to be paid for overtime
6 (as defined in the Personnel Ordinance) worked by Fire Department safety personnel,
7 Marine Safety Captain, Marine Safety Sergeant, and Marine Safety Officer assigned to
8 platoon duty, the "56-hour equivalent" pay rate per hour shall apply.

9 F. Police Officers Association Skill Pay

10 Effective October 1, 2016, skill pay calculations based on "Top Step Police
11 Officer", shall be based on Step 5 of the Police Officer salary range.

12 **Section 9. PAY DEDUCTION AUTHORIZATION**

13 Employees of the City may, pursuant to and in accordance with the provisions of this
14 resolution and the administrative rules, regulations and policies promulgated and issued
15 by the City Manager, authorize deductions to be made from their salaries or wages for
16 purposes authorized by the provisions of Article 6 of Chapter 1 of Division 4 of Title 1,
17 and Articles 1, 1.5 and 2 of Chapter 2 of Part 1 of Division 2 of Title 5 of the California
18 Government Code, except that such deductions for payment of dues or other services
19 provided by any employee organization or association shall be only as provided by a
20 valid existing contract between the City and said employee organization or association.

21 **Section 10. SALARY SCHEDULES**

22 Pay rates for all offices and positions hereinafter referred to in Attachment A are set forth
23 in Salary Schedules I and IA as set forth in Attachment B. The pay rates set forth in
24 Salary Schedules I and IA shall be operative on and after 12:01 a.m. of October 1, 2020.

25 **Section 11. PAY RATES**

26 The biweekly salary of any employee of the City who is originally appointed to any office
27 or position listed in or created and established in this resolution shall be at Pay Rate Step
28 1 of the Salary Range Number of the Salary Schedule designated herein for such office

1 or position. In those cases, where positions are designated by grade numbers, the
2 biweekly salaries of such employees shall be computed based upon one of the pay rates
3 designated for the grade thereof and shall be determined from time to time by the
4 appropriate appointing authority. The City Council may, however, by resolution,
5 specifically designate that the pay rate of any employee is fixed at some other pay rate
6 included within said Salary Schedule, without limitation as to grade or numerical
7 designation. The appropriate appointing authority may designate the initial Pay Rate
8 Step or increment of any employee under their jurisdiction within the Salary Range
9 established herein for said employee's position.

10 **Section 12. "H" RATES**

11 As to those positions for which there is an "H" pay rate specified as well as the regular
12 pay rate, the appointing authority may specify, at the time of making an appointment or at
13 any time thereafter, that the appointee to such position is to be paid at the "H" rate or at a
14 regular pay rate.

15 **Section 13. PAY RATE PROGRESSION**

16 **A. Seven-Step Pay Rate Progression**

17 Except for the employees referenced in subsection B, C, D and E below,
18 after an employee has served an initial six-month period of employment in a position at a
19 pay rate designated as Pay Rate Step 1 in the Salary Schedule established by Section
20 11 of this resolution, the salary of such employee shall be at the applicable pay rate
21 designated as Pay Rate Step 2; after a second six-month period of satisfactory

24 performance of employment, the salary of such employee shall be at the applicable pay

26 successively be at the applicable pay rate respectively designated as Pay Rate Step 5, 6
27 or 7, upon their successive completion of a one-year period of employment at the
28 preceding pay rate. If the initial salary of any employee has been specifically designated

1 at a pay rate other than Pay Rate Step 1, 2 or Step 3, their pay rate thereafter, shall,

10 a six-month period of employment in a position at a Pay Rate Step 2, the salary of such
11 employee shall be at the applicable pay rate designated as Pay Rate Step 3. After a six-
12 month period of employment in a position at a Pay Rate Step 3, the salary of such
13 employee shall be at the applicable pay rate designated as Pay Rate Step 4. Thereafter,
14 the pay rate of such employee shall successively be at the applicable pay rate
15 respectively designated as Pay Rate Step 5 or 6 upon their successive completion of a
16 one-year period of employment at the preceding pay rate. If the initial salary of any
17 employee has been specifically designated at a pay rate other than Pay Rate Step 1,
18 their pay rate thereafter, shall, upon their successful completion of a one-year period of
19 employment at the preceding pay rate, be at the next successively higher applicable Pay
20 Rate Step.

21 C. Five-Step Pay Rate Progression

22 For employees covered by an existing Memorandum of Understanding with
23 the Long Beach Firefighters Association, the Long Beach Lifeguard Association or the
24 City Attorneys Association, who have served an initial six-month period of employment in
25 a position at a pay rate designated as Pay Rate Step 1 in the Salary Schedule
26 established by Section 11 of this resolution, the salary of such employee shall be at the
27 applicable pay rate designated as Pay Rate Step 2. Thereafter, the pay rate of such
28 employee shall successively be at the applicable pay rate respectively designated as Pay

1 Rate Step 3, 4 or 5, upon their successive completion of a one-year period of

9 of computing eligibility for advancement from Pay Rate Step 1 to Pay Rate Step 2, an
10 employee in the position of Lifeguard-Hourly - NC must successfully complete the
11 Lifeguard Recruit Academy (approximately 80 hours). For the purpose of computing
12 eligibility for advancement from Pay Rate Step 2 to Pay Rate Step 3, the amount of six
13 hundred (600) hours actually paid to such an employee in the position of Lifeguard-
14 Hourly - NC shall be considered as the equivalent of a six-month period of employment,
15 and the amount of eight hundred (800) hours actually paid to such an employee shall be
16 considered for the purposes of computing eligibility for advancement from Pay Rate
17 Steps 3, 4 and 5 to the next successively higher Pay Rate Step.

19 certification as an Emergency Medical Technician (EMT) shall be advanced to the next

26 **Section 15. PAY FOR EXECUTIVES/PROFESSIONALS**

28 The provisions of this resolution relating to assignment of employees to Pay

1 Rate Steps and to automatic pay step advancement shall not apply to employees in
2 positions which have been assigned to an Executive or Professional Salary Range in
3 Attachment A of this resolution. The level of compensation of employees in such
4 positions shall be determined on a merit basis and said employees shall be initially
5 placed by the appropriate appointing authority at a level of compensation within the
6 applicable Executive or Professional Salary Range which has been designated by this
7 resolution for said employee's position. After such an employee has been initially placed
8 at a level of compensation within the applicable Executive or Professional Salary Range,
9 the appropriate appointing authority shall have the sole and exclusive discretion to
10 increase or decrease said employee's level of compensation within the applicable
11 Executive or Professional Salary Range assigned by this resolution for said employee's
12 position which the appointing authority shall determine to be the proper level of
13 compensation as merited by the performance and demonstrated ability of said employee
14 through an evaluation process; provided, however, that the sum total of all said
15 percentage increases or decreases in compensation for any such employee shall not
16 exceed seven percent during any fiscal year without approval of the City Council. These
17 percentage increases or decreases in compensation are to be implemented on a
18 prospective basis, the effective date will be the first full pay period following approval from
19 the appropriate appointing authority. Requests for retroactive payment shall be submitted
20 to City Manager for review and will require City Manager approval. Evaluation shall be no
21 more than once in any six-month period.

22 B. Performance Incentive Compensation

23 In addition to and apart from any merit increase provided in Paragraph A.,
24 and except as provided for in Subsection 15.C, each officer or employee assigned to the
25 Executive Salary Range (E00) shall be eligible to participate in and receive Individual
26 Performance Incentive Compensation, the purpose of which is to compensate
27 management employees for distinguished and outstanding performance for the periods
28 for which said Performance Incentive Compensation is paid and in further anticipation of

1 continued distinguished and outstanding performance in subsequent periods.

2 At or near the commencement of the applicable fiscal year, an eligible
3 employee and the City Manager or his designee shall develop and establish a written and
4 approved performance plan for said employee, which sets forth objectives or targeted
5 results for the ensuing fiscal year or remaining portion thereof. Outstanding performance
6 in the attainment of these objectives or targeted results, or distinguished performance in
7 a specific project or program shall qualify the employee for Individual Performance
8 Incentive Compensation. Such incentive compensation may be paid to any eligible
9 officer or employee in an amount not to exceed three thousand five hundred dollars per
10 fiscal year based upon the evaluation and determination by the City Manager of the
11 employee's performance under the previously approved performance plan.

12 C. Offices of City Attorney, City Auditor, and City Prosecutor

13 For the City Attorney's Office, the City Auditor's Office and the City
14 Prosecutor's Office only, each employee assigned to the Executive Salary Range (E00)
15 or to the Professional Salary Range (A00 through D00) shall be eligible to participate and
16 receive Individual Performance Incentive Compensation. It shall be in the exclusive
17 discretion of the elected appointing authority to determine which among their eligible
18 employees will participate in Individual Performance Incentive Compensation.

19 At or near the commencement of the applicable fiscal year, the elected
20 appointing authority or a designee shall establish a written performance plan for each
21 employee selected to participate. The performance plan shall establish performance
22 objectives or targeted results for the ensuing fiscal year or remaining portion thereof.
23 Outstanding achievement in attaining the established objectives or targeted results, or
24 distinguished performance in a specific project or program shall qualify the employee for
25 Individual Performance Incentive Compensation. That amount of such compensation
26 paid to any single employee shall not exceed Three Thousand Five Hundred Dollars per
27 fiscal year. The actual amount to be paid to an eligible employee shall be determined by
28 the elected appointing authority and will be based on the employee's performance under

1 the previously approved employee performance plan.

2 **Section 16. ELECTED OFFICIALS AND CITY MANAGER ANNUAL**
3 **PAY ADJUSTMENT**

4 A. Elected Officials and City Clerk

5 Effective July 1, 1995, and every July 1st thereafter, the annual salary
6 ranges of all elected officials and the City Clerk will be adjusted in accordance with the
7 provisions of Section 203 of the City Charter.

8 B. City Manager

9 Effective July 1, 2021, and every July 1st thereafter, the annual salary range
10 of the City Manager will be adjusted in accordance with the provisions of Section 203 of
11 the City Charter.

12 **Section 17. PROMOTIONS**

13 Subject to the City Council's power by resolution to set the pay rates of any employee at
14 one of the pay rates established by resolution, in the event an employee is promoted
15 from one position to another for which a higher pay rate is established by resolution, or is
16 advanced from one grade to another in the same position for which a higher pay rate is
17 established, or is transferred from one department to another without change of position
18 or grade, the appropriate appointing authority shall designate the pay rate of such
19 employee to be at one of the pay rates for such position or grade which will be not less
20 than the pay rate received by such employee immediately prior to such promotion,
21 advancement, transfer, or Salary Schedule change. Likewise, subject to such power of
22 the City Council, in the event an employee is transferred, as prescribed by Civil Service
23 Rules and Regulations for other than disciplinary reasons from one position to another
24 position for which a lower pay rate is established, the appropriate appointing authority
25 shall designate the pay rate of such employee to be at one of the pay rates prescribed for
26 such position to which the employee is transferred. For the purpose of computing the
27 "period of employment" under the provisions of this section, an employee of the City who
28 has been reinstated to their former position pursuant to the provisions of Section 52 of

1 the Civil Service Rules and Regulations shall be considered as having been in the
2 continuous service of the City during the period said employee shall have served in the
3 Armed Forces.

4 **Section 18. OVERTIME**

5 The method of computation of the amount of additional compensation to be paid to an
6 employee for overtime worked shall be in accordance with and pursuant to the applicable
7 definitions, conditions, and requirements of the Personnel Ordinance and in accordance
8 with and pursuant to the Fair Labor Standards Act (FLSA), except that the additional
9 compensation for overtime exempt from FLSA shall not include uncontrolled standby
10 amounts in the computation.

11 **Section 19. VACATION PAY-OFF**

12 Subject to the requirements and conditions of Section 4.06 of the Personnel Ordinance
13 relating to the availability of funds, every employee who consents to forego the taking of
14 any annual vacation or portion thereof at the request of their department head, the City
15 Manager or other appropriate appointing authority as provided in the Personnel
16 Ordinance shall be paid as additional compensation a sum computed by multiplying the
17 hourly rate of compensation prescribed by this resolution for the position held by said
18 employee by the number of vacation hours which the employee shall forego. For
19 members of the Fire Department on platoon duty, compensation is computed by
20 multiplying the number of vacation hours by two-thirds of the hourly rate. Work
21 performed by the employee during said vacation period shall not be considered as
22 overtime or "extra time worked" as provided in the Personnel Ordinance.

23 Notwithstanding the requirements and conditions of Section 3.03 of the
24 Personnel Ordinance relating to the forfeiture of certain accumulated vacation and
25 Section 20 of the Salary Resolution relating to the forfeiture of certain accumulated in-lieu
26 holiday pay, the City manager or other appropriate appointing authority may extend up to
27 one hundred and eighty (180) calendar days the use of carried over accumulated
28 vacation time and in-lieu holiday pay.

1 **Section 20. IN-LIEU HOLIDAY PAY**

2 Section 4.01(e) and (f) of the Personnel Ordinance permit certain City employees to be
3 absent thirteen working days yearly with full pay, to be prorated monthly, in lieu of
4 absence of the employee on the holidays enumerated in Section 1.05 of the Personnel
5 Ordinance. Subject to the prior approval of the appropriate appointing authority, an
6 employee may accumulate and carry over such properly authorized unused "in lieu of
7 holiday" time off for no longer than the close of the second calendar year immediately
8 following the calendar year in which such time off was earned. In the event that such
9 accumulated "in lieu of holiday" time off is not taken as time off by the employee by the
10 end of the second calendar year immediately following the calendar year in which it was
11 earned, then such accumulated time off shall be forfeited by the employee and no
12 compensation shall thereafter be paid therefore.

13 Cash payment for any properly authorized, accumulated and/or carried over
14 unused "in lieu of holiday" time off shall be made only upon an employee's termination of
15 employment with the City or when an employee is on a leave of absence pending the
16 approval of an application for ordinary or service-connected disability retirement which
17 has been filed by the employee or by the City on behalf of the employee. The amount of
18 such additional compensation to be paid shall be computed by multiplying the employee's
19 hourly rate of compensation prescribed by this resolution for the position held by said
20 employee by the number of unused "in lieu of holiday hours" to which the employee is
21 entitled.

22 The payment of such additional compensation to an employee terminating
23 or pending disability retirement for unused "in lieu of holiday" time off shall be subject to
24 all the requirements and conditions relating to availability of funds to make such payment
25 as provided in Section 4.06 of the Personnel Ordinance. In the event the application for
26 ordinary or service-connected disability retirement is disapproved, the employee shall not
27 be entitled to any holiday or unused portion thereof, for which a lump sum payment has
28 been received.
