City of Long Beach Scope of Work
Hospital Preparedness Program (HPP)

HPP Capability 1: Healthcare System Preparedness

Objective: Strengthen the ability of a community's healthcare system to prepare, respond, and recover from incidents that have a public health and medical impact in the short and long term. The healthcare system role in community preparedness involves coordination with emergency management, public health, mental/behavioral health providers, community and faith-based partners, state, local, and territorial governments to do the following: 1) Provide and sustain a tiered, scalable, and flexible approach to attain needed disaster response and recovery capabilities while not jeopardizing services to individuals in the community; 2) Provide timely monitoring and management of resources; 3) Coordinate the allocation of emergency medical care resources; and 4) Provide timely and relevant information on the status of the incident and healthcare system to key stakeholders. Healthcare system preparedness is achieved through a continuous cycle of planning, organizing and equipping, training, exercises, evaluations and corrective actions.

Activities to Support the Objective	Timeline	Evaluation/Deliverables
<ul style="list-style-type: none"> <input type="checkbox"/> Function 1: Develop, refine, or sustain Healthcare Coalitions <input type="checkbox"/> Function 2: Coordinate healthcare planning to prepare the healthcare system for a disaster <input type="checkbox"/> Function 3: Identify and prioritize essential healthcare assets and services <input type="checkbox"/> Function 4: Determine gaps in the healthcare preparedness and identify resources for mitigation of these gaps <input type="checkbox"/> Function 5: Coordinate training to assist healthcare responders to develop the necessary skills in order to respond <input type="checkbox"/> Function 6: Improve healthcare response capabilities through coordinated exercise and evaluation <input type="checkbox"/> Function 7: Coordinate with planning for at-risk individuals and those with special medical needs 	<p>7/1/14 – 6/30/17</p>	<ul style="list-style-type: none"> 1. Maintain Hospital Preparedness Coordinator and HPP Partnership Coordinator. 2. Support Operational Area Healthcare Coalition by providing resources to participating healthcare facilities for planning and other preparedness activities. 3. For each selected function, develop work plan activities for each budget year according to annual Local Application Guidance. Revise work plan as directed by CDPH. 4. Submit mid-year and year-end progress reports to CDPH according to guidelines within the Local Application Guidance. 5. Complete and submit specific deliverables (response plans, After-Action Reports, meeting minutes, training schedules) as described in approved work plan under each selected function for each budget year. Submit annual performance measure data as required by the federal government. 6. Test capability in annual statewide medical and health exercise and/or other drills, exercises or real events.

Exhibit A -- Attachment 1
City of Long Beach Scope of Work
Hospital Preparedness Program (HPP)

HPP Capability 2: Healthcare System Recovery

Objective: Collaborate with Emergency Management and other community partners, (public health, business, education and other partners) to develop efficient processes and advocate for the rebuilding of public health, medical, and mental/behavioral health systems to at least a level of functioning comparable to pre-incident levels and improved levels where possible. The focus is an effective and efficient return to normalcy or a new standard of normalcy for the provision of healthcare delivery to the community.

Activities to Support the Objective	Timeline	Evaluation/Deliverables
<input type="checkbox"/> Function 1: Develop recovery processes for the healthcare delivery system <input type="checkbox"/> Function 2: Assist healthcare organizations to implement Continuity of Operations (COOP)	7/1/14 -- 6/30/17	<ol style="list-style-type: none"> 1. Support healthcare facility and operational area recovery planning. 2. For each selected function, develop work plan activities for each budget year according to annual Local Application Guidance. 3. HPP Capability 3: Emergency Operations Coordination

Objective: Strengthen ability for healthcare organizations to engage with incident management at the Emergency Operations Center or with on-scene incident management during an incident to coordinate information and resource allocation for affected healthcare organizations. This is done through multi-agency coordination representing healthcare organizations or by integrating this coordination into plans and protocols that guide incident management to make the appropriate decisions. Coordination ensures that the healthcare organizations, incident management, and the public have relevant and timely information about the status and needs of the healthcare delivery system in the community. This enables healthcare organizations to coordinate their response with that of the community response and according to the framework of the National Incident Management System (NIMS).

Activities to Support the Objective	Timeline	Evaluation/Deliverables
<input type="checkbox"/> Function 1: Healthcare organization multi-agency representation and coordination with emergency operations <input type="checkbox"/> Function 2: Assess and notify stakeholders of healthcare delivery status <input type="checkbox"/> Function 3: Support healthcare response efforts through coordination of resources <input type="checkbox"/> Function 4: Demobilize and evaluate healthcare operations	7/1/14 – 6/30/17	<ol style="list-style-type: none"> 1. Maintain HPP Coordinator, Partnership Coordinator, and Healthcare Coalition and maintain operational area response plans to ensure coordination across healthcare providers, emergency management, emergency medical services, and public health. 2. Maintain emergency operation centers within Healthcare Coalition member facilities and train healthcare staff in emergency response activities including ICS (Hospital Incident Command, Nursing Facility Incident Command, and Clinic Incident Command). For each selected function, develop work plan activities for each budget year according to annual Local Application Guidance. 3. Attend CDPH annual workshop, healthcare provider related workshops, Homeland Security, other approved emergency preparedness workshops, and CDC and Assistant Secretary for Preparedness and Response (ASPR) sponsored workshops. 4. For each selected function, develop work plan activities for each budget year according to annual Local Application Guidance. Revise work plan as directed by CDPH. Out of State Travel:
Supplies means: consumable office supply items that may be destroyed, dissipated, wasted or products that consumers buy (exclusively) i.e. items which "get used up" or discarded.
For example consumable office supplies are such products as paper, pens, the folder, binders, post-it notes, computer disks, and toner or ink cartridges, etc.
Note: Supplies do not include capital goods such as computers, fax machines, and other business machines or office furniture these would need to be set up in their own line item.
Note: Budget should link back to the SOY i.e. subcontractors/conferences/meetings/training/major equipment etc.... these types of services must be identified in the SOY (which includes when and where).

Enclosed for your records is a copy of the fully executed Contract between the California Department of Public Health and City of Long Beach with a term of 7/1/2014 through 6/30/2017.

Approval was obtained on 4/14/2016 which represents the commencement date of this agreement.

Public Contract Code 10116 requires state agencies to capture information on race, ethnicity, gender and sexual orientation of business owners on all awarded contracts and procurements.

- This information shall not be collected until after the contract has been awarded.
- The completion of the attached form is **strictly voluntary** and **shall be anonymous**.
The information on the completed data sheet shall remain **CONFIDENTIAL**

When applicable, Per Title 2, Section 8117.5 of the California Code of Regulations requires that we notify the Department of Fair Employment and Housing, Office of Compliance Programs of this agreement award of \$5,000 or more.

When applicable, Military and Veteran Code (MVC) 999.5(d), Government Code (GC) 14841 and California Code of Regulations (CCR) 1896.78 require that all Prime Contractors that used a Disabled Veteran Business Enterprise (DVBE) firm to perform an element of work for a given contract to report specific DVBE information, therefore, if DVBE subcontractors are utilized in performance of this contract/procurement, you must complete the attached CDPH 9095 form and return within 60 days from receipt of final payment.

You may fax either of these forms to (916) 319-8583 or mail to SB/DVBE Advocate at address below.

Please contact Program Support Branch, Contracts Management Unit, if you have any questions.

cc: CDPH Contract File

Public Contract Code 10111 requires state agencies to capture information on ethnicity, race and gender (ERG) of business owners on all awarded contracts and procurements to the extent that the information has been voluntarily reported to the department. The awarding department is prohibited from using this data to discriminate or provide a preference in the solicitation or acceptance of bids, quotes, or estimates for goods, services, construction and/or information technology. This information shall not be collected until after the contract award is made. The completion of this form is strictly voluntary. The data you provide on this form should best describe the *ownership of your business*. Ownership of a business should be determined as follows:

- For a business that is an sole proprietorship, partnership, corporation, or joint venture at least 51 percent is owned by one or more individuals in a classification designated below or, in the case of any business whose stock is publicly held, at least 51 percent of the stock is owned by one or more individuals in a designated classification, or
- For other business entities, the owner is the person controlling management and daily operations and who "owns" the business. For purposes of this report, respond only if the business has its home office in the United States and which is not a branch or subsidiary of a foreign corporation, firm, or other business.
