1. (14-1016) Adopt resolution establishing parking meter rates as defined in Long Beach Municipal Code Section 10.28.130 to a maximum of \$0.75 per hour for on-street single space meters in Zone 1, to a maximum of \$1.00 per hour in Zones 4, 5, & 6, and to a maximum of \$1.50 per hour in Zones 2, 3, & 18 (Citywide); ... Nothing has shown a supply/demand nexus. Nothing has shown a benefit to the health of the general fund. Nothing has shown a public benefit to either citizens, shoppers or store owners. It should be defeated as a boondoggle benefitting, if anyone, only the parking meter provider and possibly its political beneficiaries.	12/1/2014
9. (14-0993) Recommendation to adopt resolution allowing for the initiation of a Consolidated Coastal Development Permit process pursuant to Section 30601.3 of the Public Resources Code (Coastal Act) in connection with the rebuild of the Leeway Sailing Center, Pier and Dock located at 5437 East Ocean Boulevard. (District 3)	Dennis Trombley	blt1@earthlink.net		Naples-Marina Area	Long Beach	CA	90814	On behalf of CSULB and other stakeholders in the Leeway Sailing Center project we respectfully request the City Council postpone any action on Item 9. 14-0993 on the Agenda for City Council Meeting Dec. 2, 2014. We contend the City moved forward on the design/planning process without consideration of legitimate concerns from major stakeholders in this project regarding usability and public safety. All we ask is the City Council postpone action on Item 9 until our concerns can be investigated.	12/2/2014
