Subject: Agenda Item #30 In person dining

-EXTERNAL-

We are opposed to the current in-person dining restrictions which have been imposed. It makes no sense that restaurants must be closed for outdoor dining. There does not seem to be any facts that substantiate this measure. We can have protests and marches but no outdoor dining??? These businesses have worked hard to provide protective measures to ensure a safe experienced not to mention the costs that they have incurred. Open the restaurants back up!!!! No more business closures.
