

City of Long Beach Framework for Reconciliation

Katie Balderas, MPH
City of Long Beach Equity Officer

Acknowledge

Acknowledge the existence and longstanding impacts of systemic racism in our America and in Long Beach.

- Resolution by City Council declaring racism as a public health crisis
- Racial Equity Timeline
- Mark the Map LB - update to Historical Context Statement
- Infuse historical context and root cause analysis into data and decision-making

Listen

Listen to community members' accounts and experiences of inequity and harm caused by racial injustice.

- Community Town Hall Sessions
- Listening Sessions
- Survey: <https://bit.ly/ReconcileLBSurvey>
- Email: EquityLB@longbeach.gov

CITY OF LONG BEACH

Framework for Reconciliation

SPEAK UP!

We're here to listen to your experiences with racial injustice and ideas for how we move forward toward a better Long Beach.

Community Town Hall: Policing and Public Safety	Community Town Hall: Open Forums
June 22 5:30 p.m.	June 30 5:30 p.m. July 9 5:30 p.m. July 12 4:00 p.m.

Convene

Convene stakeholders to evaluate the feedback from the listening process and shape policy, budgetary, charter, and programmatic reform ideas.

- After gathering community input, the City will convene stakeholders to evaluate the feedback from the listening process to shape policy, budgetary, charter, and programmatic reform ideas.

Catalyze

Catalyze action by presenting immediate, short-term, medium-term, and long-term recommendations for the City Council to consider.

- Recommendations to be presented to City Council and voted upon following listening and convening.
