Support Grant for 2021 Dodgers RBI Program with the City of Long Beach

Dear Ms. Griset,

It is my pleasure to inform you that The Los Angeles Dodgers Foundation, a California nonprofit public benefit corporation (the "Foundation"), has approved a grant (the "Grant Funds") to support the Dodgers RBI program with the City of Long Beach, a government entity (the "Grantee"). In order to ensure that the Dodgers RBI program is free of charge for all families, this grant will offset staffing, field maintenance, and umpire fees, and accounts for historical participant fees. This **\$28,980.00** grant for the approved **828** players at **23** locations will offset Grantee staffing, field maintenance and umpire fees for the 2021 Dodgers RBI program (See Addendum 1 for approved number of players and locations). In addition to the Grant Funds, Grantee will receive the in-kind contribution of uniforms, equipment, recruitment flyers, banners for each location, educational & health resources, coaches training, player development clinics and incentives/giveaways, and complimentary use of LeagueApps, the online registration system and access to special events throughout the season.

This grant is contingent upon the Grantee complying with the Dodgers RBI Program Requirements (Addendum 2) and the Dodgers RBI Rules (Addendum 3).

60% of the grant will be awarded based on the following schedule:

Dodgers RBI Affiliate Partner Start Date	60% Disbursement Period
June 1-June 30, 2021	July 15-July 31, 2021
July 1-July 31, 2021	August 15-August 31, 2021

If the program has multiple locations with different start dates, the latest start date will be used for payment schedule.

In order to receive the remaining 40% of the Dodgers RBI grant funds, the following must be completed by the last day of games on any location's schedule:

- a. Ensure that registrations for players are input into LeagueApps. This must be completed within 15 days of the start date.
- b. Provide complete rosters and schedules for all divisions to LADF. This must be completed within 15 days of the start date.
- c. Ensure that all excess baseballs, softballs, uniform sets, and coach polos are returned to LADF. This must be completed within 15 days of the start date.
- d. All location directors must complete a midseason evaluation interview with LADF staff.
- e. To receive 100% of your Dodgers RBI grant amount, grantee must reach at least 90% of preseason player projections. For any variance greater than 10%, the grant will be reduced by the equivalent amount. For example, if you project 1,000 players and only 850 players are registered on LeagueApps, the total grant amount will be reduced by 15% and deducted from 40% grant payment. If projections are increased after approval by LADF, the new number will be used to determine final season grant calculations.

The Grantee is required to attend the Dodgers RBI Virtual Partners Meeting on Thursday May 13, 2021 from 10:30am-12:30pm on Zoom.

This letter is a legally binding agreement (the "Agreement"). This Agreement will become effective upon The Foundation's receipt of the Agreement signed by an authorized representative of the Grantee. Please keep a copy of this Agreement for your files.

Please read the terms and conditions of this Agreement very carefully. The Foundation may withhold payment to the Grantee if the Grantee fails to meet the terms and conditions of the Agreement.

History

Founded in 1995 as the official charity of the Los Angeles Dodgers, the Los Angeles Dodgers Foundation (LADF) is bigger than baseball, envisioning a city where every young Angeleno, regardless of neighborhood, has the opportunity to thrive. For young Angelenos with limited access to education, sports and healthcare, LADF is a champion that increases the quality of life and confidence of the people we serve by using our historic Dodger brand and the power of sport to run and fund proven programs — at a time when a quality education, youth sports and health care are increasingly reserved for the elite. With the support of partners, stakeholders and fans, LADF produces incredible results on fields, in classrooms and at recreation centers, creating Major League Communities. Visit LADF online at www.dodgers.com/ladf, follow them on Twitter, [@DodgersFdn](https://twitter.com/DodgersFdn), Instagram, [@dodgersfoundation](https://www.instagram.com/dodgersfoundation), and like them on Facebook at www.facebook.com/LosAngelesDodgersFoundation.

Dodgers RBI is a sports-based youth development program founded by the Los Angeles Dodgers Foundation for ages 5-18 that uses baseball and softball participation to provide kids life-changing social and emotional learning and access to health care and educational opportunities.

As they develop self-confidence and empathy through sport, LADF unlocks access to health care and educational opportunities as well as provides a place where the kids can feel safe while they play and learn.

Dodgers RBI advances the mission of MLB RBI, birthed in 1989 in South Central Los Angeles by founder John Young. John Young, a former Major League Baseball player and scout, developed the concept of RBI to provide disadvantaged youth an opportunity to learn and enjoy the game of baseball. RBI has grown from a local program for boys and girls in South Central Los Angeles to an international campaign encompassing more than 200 cities and as many as 150,000 male and female participants a year.

Goals of Dodgers RBI

1. To increase participation and interest in baseball and softball among under resourced youth with an emphasis on increasing participation amongst black youth, girls, and youth ages 13-18.
2. To use the sport as an engagement tool in order to increase access to educational resources and increase positive attitudes towards educational opportunities among program participants.
3. To use the sport as an engagement tool in order to increase access to health resources and increase positive attitudes towards exercise and healthy habits among program participants.
4. To provide a safe and fun atmosphere for play while promoting positive character development among program participants.

COVID-19 Policy - Return to Play Protocols

The Los Angeles Dodgers Foundation (LADF) is carefully monitoring and evaluating the safety around a return to play for youth sports. LADF will comply with all COVID-19 guidelines provided by the County of Los Angeles Department of Public Health. This document is intended to provide an overall summary of safety protocols, guidance, and adaptations to rules in order to create a safe environment for all participants, coaches, staff, umpires, and spectators. These rules will apply to all Dodgers RBI practices, games, and clinics.

The information contained here may be updated as appropriate to reflect the County of Los Angeles Department of Public Health changes. LADF will communicate any adjustments to these policies. A copy of these policies and protocols will be required to be shared during any parent and/or coaches' meetings.

Participation Safety Measures

- All activity must take place outdoors.
- Everyone on the fields is required at all times to maintain physical distancing of six (6) feet between one another and eight (8) feet distance during times of heavy physical exertion.
- Screenings must be conducted by the organization prior to participating in youth sports activities. No one will be allowed to enter onto the field until they have been screened. This includes all players, coaches, trainers, umpires, staff and volunteers.
- Checks must include a check-in concerning fever, cough, shortness of breath, difficulty breathing and fever or chills, and whether the person has had contact with a person known or suspected to be infected with COVID-19 within the last 14 days. These checks should be done prior to any group activity.

Personal Protection Equipment

- Face coverings must be worn at all times. This applies to all adults and to children 2 years of age and older.
- Everyone is required to wear an appropriate face covering that covers the nose and the mouth at all times, except while eating/drinking, or engaging in solo physical exertion.

Equipment

- Each player is encouraged to bring and use their own equipment.
- Any shared equipment must be cleaned and disinfected between use by different people to reduce the risk of COVID-19 spread and swapped out regularly.
- Some critical equipment may not be able to be obtained by every individual. When it is necessary to share critical or limited equipment, all surfaces of each piece of shared equipment must be cleaned first and then disinfected and allowed sufficient time to dry before used by a new player. Increased attention should be paid to detailed cleaning of all equipment directly contacting the head and face (catcher's mask and helmets).

- Players and coaches should use hand sanitizer when handwashing is not practicable. Hand sanitizer must be rubbed into hands until completely dry.

- Consider limiting the continued use of baseball and softballs without cleaning. Balls should be cleaned throughout an activity or rotated out on a regular basis.

Field Regulations

- Sunflower seeds, bubble gum, and spitting are prohibited in the dugout and on the playing surface.
- Do not touch your mouth, eyes, nose with unwashed hands.

- Consider eliminating plate meetings. If the plate meeting does occur, it should be limited to one coach from each team, plus an umpire, who should stand 6 feet apart from one another.
- The player to coach ratio is 12:1. For every 12 players you must have 1 coach.

Spectators

- Parents/guardians, visitors and spectators will not be allowed on or around the perimeter of the fields. They are encouraged to remain in their vehicles until the end of the practice or workout sessions.
- Consider limiting or spacing seating in stands and around playing sites to promote physical distancing.
