Dear Rex Richardson,

Rex Richardson

Do you know that Michelle Obama donated millions of dollars to public libraries?

I think the North Library should be named, "Michelle Obama Library" because of her view on and support of public libraries and education in general.

Dear Councilman Richardson,
I believe that the new North Side library in Long Beach should be named after first lady, Michelle Obama. There are three outstanding reasons why Mrs. Obama's name should represent this library.

To start off, Michelle makes appearances in public schools, stressing the importance of education and volunteer work. By this I mean, that Ms. Obama is supporting education that is needed for us. This demonstrates, that the first lady, Mrs. Obama cares about the importance of the academic learning of others.

In addition to, she encourages youth to take responsibility to read more and present national medals to award winning books. To clarify, this demonstrates Mrs. Obama is trying to guide us to read more.

Finally, the first lady, Michelle Obama gives speeches on why or how not to take education for granted. Also, she donated \$250,000 to local libraries. This demonstrates that she's committed to helping others read more.

Dear Councilman Richardson,

I believe that the new North Side library in Long Beach should be named after first lady, Michelle Obama. There are four outstanding reasons why Mrs. Obama's should represent this library. To start off with, she has donated 250,000 dollars to local libraries. This shows Mrs. Obama has committed herself to helping local libraries.

Furthermore, Mrs. Obama encourages the need of school counselors. This shows she has encouraged students not to be afraid to speak up about their problems.

Lastly, Mrs. Obama encourages youths to take responsibility to read more. This shows that she wants kids to read more because it's important.

This all leads up to many reasons why the library should be named after the first lady, Michelle Obama.

Dear Rex Richardson,

How many people do you think would choose Michelle Obama's name for the library in North Long Beach?

I think the library in North Long Beach should be named "Michelle Obama Library", because of her view and support of public libraries and education in general. There are several reasons and facts that can't be ignored. Long Beach is a progressive urban city made of 464,000 residents and businesses but we can fit in a new library for us to enjoy. Long Beach Unified School District has 82,000 students spread all over 24 schools and if we name it by Michelle Obama's name everyone would put more respect into her and she will be known by more children in this world. even here in the United States. Michelle has always encouraged children to put more responsibility into reading books. And every winning book would win a National Medal. Mrs. Obama has a lot of passion into education. Finally because Michelle Obama has such strong support for education we should choose to name the library after her name "Michelle Obama Library" I am knowledgeable that there are many people trying to name the library but she should be the one.

Sincerely,

Dear Councilman Rex Richardson,

My name is Karina Lara Garcia and I am a student at Hamilton Middle School in North Long Beach, CA. I support naming our new library the "Michelle Obama Library".

I support the naming because she encourages youth to take responsibility to read a lot more. Mrs. Obama also inspires children to eat healthy foods. She also, supports female educations, aspirations. She has donated \$ 250,000 to the local libraries.

Here are some other things that she had done. She wants us to go to college. She said in her video about going to college she said, "If you want to cash checks you should go to college". She also said when she raped you should "Go to college and fill your head with knowledge".

One reason why we shouldn't name it after Michelle Obama is that she is not a Long Beach native. However, she grew up in an urban city of Chicago.

But even if people say stuff I will still believe that she helps us to stay fit. She also danced on the Ellen show. She is not shy.

Sincerely,

Dear councilman Rex Richardson,

My name is Kyran Syllas Mathis and I am a student of Hamilton Middle School in North Long Beach, CA. I support naming our new library the "Michelle Obama library."

One reason we shouldn't name the library after Michelle Obama is because she is from Chicago, Illinois and this is Long Beach, California. But she lived in an urban city like most of us. She also might not have the same dreams as us but can help us with it. She understands that to make it in life we must "fill our heads with knowledge" and by naming this library after her it will motivate me to go to the library.

Another reason we should name our library after Michelle Obama's name is because she inspires boys and girls to go to college. Michelle Obama also inspires people to be themselves. She also inspires us to be and eat healthy, and also exercise.

Other reasons she should have a library named after her is because she is the first lady of the United States of America. She also is the first and only African-American first lady. She also went to college and became the first lady, which inspires young girls to go to college. For example in a song she stated "If you want to fly jets go to college."

In the end Michelle Obama would be the perfect person to be named after a library. She is also a great role model for young adults and children.

Sincerely,

Kyran Syllas

Dear councilman Rex Richardson,

My name is Myeshawn Skylark and I am a student from Hamilton middle school in north Long Beach, CA. I support naming our new library the " Michelle Obama library"

Michelle Obama helps kids stay in school so they can have a better life. So you can reach goals in life. If you wanted to be something or some one u have to go to collage. At least go to college to say u learn something and then graduate. For u can have a better life.

Michelle Obama helps kids and adults stay fit so she donates money to people to help them stay healthy. So she is a role model she is not a shy person the reason why she wants just in case that person wants to play sports and they are to heavy or out of shape and they really like that sport but they cant play it

One reason why we shouldn't name it after Michelle Obama is that she is not from Long Beach. However she grew up in an urban city of Chicago

She donates money to local libraries around the world and she supports. I think we should name our library after Michelle Obama because she is not a real shy person. She also made a song to inspire people to go to college.

Sincerely,

Dear Rex Richardson,

My name is Laura Ruiz and I am a student at Hamilton Middle School in North Long Beach, CA. I support naming our new library the "Michelle Obama Library".

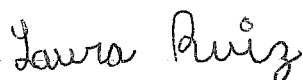

One reason we should name it "Michelle Obama Library" is because she inspires people and kids to eat healthy so they can have a healthy life. Another reason is she donated \$250,000 dollars to other local libraries.

Secondly, she inspires us and wants us to make a goal and go to COLLEGE and she is a role model to all us kids and parents we all like her ideas because she relates to us by using hash tags and rapping songs and she was dancing in the show from Ellen she relates to us kids a lot and we should be proud of what she is doing for us kids.

Lastly, a reason we should not name it "Michelle Obama Library" because she is not a Long Beach native. However, she also grew up in an urban city of South Chicago, one reason we shouldn't name it "Michelle Obama Library" because people will complain about why we citizens named the library "Michelle Obama Library".

To conclude, she is a person that is active likes to share her thoughts and is a person that we kids would like to talk to. One last reason is because we should have a memory of her because she is not going to be the first lady anymore because president Obama is not going to be a president anymore in like about 2 years so we should keep a memory of her.

Sincerely,

A handwritten signature in cursive script that reads "Laura Ruiz".

Dear councilman Rex Richardson,

Hi my name is Nathan Escamilla and I am a student at Hamilton Middle School in North Long Beach CA. I support naming our library the "Michelle Obama Library".

One reason why we shouldn't name it Michelle Obama is that she isn't a Long Beach native. However, she also grew up in an urban city of Chicago. That about her but that's what people think about she believes that "If you want to cash checks you should fill your head with knowledge.

My next reason is that Michelle Obama is supporting kids and people in high school to go to collage she has been trying to reach out and try to gab young peoples attention by making a rap song about going to collage the she went on a TV show called Ellen they did parts of up town ft. Then I had lots fun then they laugh then the video ended.

Another reason is Michelle Obama would be a perfect name for the library because she thinks about are health she wants us to be health eating in are community so we can be strong and health when we grow up then she wants to help the community so the younger kids have a better future so they can progress more in life so they can be greater then us in life.

Sincerely,

Nathan Escamilla

Dear Councilman Rex Richardson,

My name is Jasmine Diaz and I am a student at Hamilton Middle School in North Long Beach, CA. I support naming our new library the "Michelle Obama library."

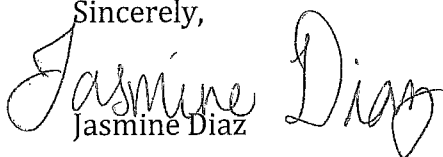

There are several reasons why we should name our new library the "Michelle Obama library." One reason is that, she inspires people to go to college. The way she inspires people to go to college is by publishing her new rap song that includes lyrics like "if you want to cash checks go to college" also "if you want to fight crime go to college."

Another reason why we should name our new library the "Michelle Obama library" is because her money goes to support libraries and the money is used for books that help students write essays and get more and more knowledge.

One reason why we shouldn't name it after Michelle Obama is that she is not a Long Beach native. However, she also grew up in an urban city of Chicago. Even though she isn't from Long Beach, she knows the struggle because Long Beach and Chicago are similar by their low-income environment.

In conclusion, we should name it after a person who inspires kids to college and motivates students to read more. Therefore, I support naming the library after Michelle Obama.

Sincerely,

Jasmine Diaz

Dear councilman Rex Richardson,

My name is Jason Madrigal and I am a student at Hamilton middle school in North long Beach CA I support naming our new library the " Michelle Obama Library." However, others would say we shouldn't name it after Michelle Obama because she is not a Long Beach native.

However she also grew up in an urban city of South Side Chicago. She can relate to our current struggles. She has become a fashion icon and role model for poverty and brought awareness not only education but in nutrition.

She is a graduate of Princeton University and Harvard law school and spent the early part of her legal career working at the law firm and donated 250,00 to local libraries and she inspires people to go to college use her lyrics.

The library of Michelle Obama would help me study my math books and reading and to finish with my homework and fill my head with knowledge and Michelle Obama supports that.

In conclusion, Michelle Obama supports us on going to college.

Sincerely,

Jason Madrigal

Would you want the North Long Beach Library to be "The Michelle Obama Library"? I think the Library in North Long Beach should be "The Michelle Obama Library" because of her view and support of education in general. The first reason why the new Library should be called after Michelle Obama is because, she encourages youth to take responsibility to read more. Also she created a foundation for public and private libraries. Last she supports female educational aspirations. The second reason why the new Library should be called "The Michelle Obama Library" is because she donated 250,000 to local libraries. Also she donates White House books to public Libraries. And she presents National medal to award winning books. I acknowledge there are many people deserving of this honor, however, no Obama deserves it more. Did you know that Michelle Obama donated books, money, and more things to the public libraries? I think the library in North Long Beach should be named "The Michelle Obama Library" because of the support of public. There are several facts Ms. Obama donated 250,000 to local libraries. Here are some of the reasons. One reason why she was donating things was because of the growing population in the neighborhood like it increased by 6 percent from 2000 to 2010 per the 2010 U.S census. The demographics of the 9th City Council District can be characterized as follows: Hispanic 58.1%, White 9.5%, Black 18.6%, Asian 9.6%, Pacific Islander 2.4%, and 2 or more races 1.7%. The reason I say this is because she put people for the amount of money. Another reason was because there are five charter schools and more than 40 private schools in Long Beach. Across the school district 80% of High School students graduate on time. They needed specific books for who needed them. I acknowledge the fact that there are many people deserving of this honor, however, Ms. Obama deserves it more. The donated books from the White House go to public libraries for whoever needs them to study or for fun.

Finally, because Michelle Obama donated 250,000 to local libraries she encourages youth to take responsibility to read more. These are all the reasons why she donated money to those in need. She's very special to everyone. Thank you, First Lady.

 the second busiest port in the nation over 60 residential neighborhoods.
 On Long City College and the California State University, Long Beach is serve
 as local education hubs. The 2010 U.S. of the census found ^{the median age is} in 33 years of
 old. Well Michelle Obama however she donates to the white house such as
 books to the public libraries. Well I think that Michelle Obama supports
 donated 250,000 to the local libraries. Then she is like trying to
 encourage you to take the responsibility to read books read more. Well I
 think it's a good choice and giving speeches on why/how not to take
 a education for granted. Also she writes books like her donations of
 allocate money that is to be purchasing the specific types of books.
 Well I think donating is a great idea and so you can read like
 interesting books or maybe facts. The last thing is donated to the
 public libraries is good to people want books to read and so
 you can learn so Long Beach could be nice and Michelle Obama
 Educational supports. So now the main reason of "Michelle Obama"
 has strong support.

Dear councilman Rex Richardson

My name is Carlos Rodriguez and I am a student at Hamilton Middle School in North Long beach CA. I support naming our new library the "Michelle Obama library"

To begin with, I think we should name the library after her because she is a role model to other people. Another reason we should name the library after her is, she donated \$ 250,000 to local libraries.

To add on, she inspires students to go to college she even made a rap about it one part says, "If you want to cash checks fill your head with knowledge ". For example, she is saying if you want to cash checks you should go to college.

People might say we should not name it after Michelle Obama because she is not a long beach native. However, she also grew in an urban city of Chicago. She can relate to use because Chicago is low-income city.

In conclusion, we should call the library after her because she is a great role model. Even though she is not a long beach hero I think we should still name it after her because she has done lots of great things.

Sincerely,

Carlos Rodriguez

Dear Rex Richardson,

My name is William Arzate and I am a student at Hamilton middle school in north long beach CA. I support naming our library after Michelle Obama.

Three reasons why we should name it after Michelle Obama is because she is rich and she donated \$ 250,000 to local libraries. She is also not a shy person because she made a rap music video. She also danced on Ellen show. Last but not least she inspires kids to go to college because she wants 100% of people to graduate on time.

Another three reasons why we should name our library after Michelle Obama are because she uses most of her money to buy specific books that libraries don't have. She also supports female education to eat healthy. Another reason why is because if we name it after Michelle Obama more people will want to go read.

One reason why we shouldn't name the library after Michelle Obama is that she is not a long beach native. However she also grew up in an urban city of south side Chicago.

In conclusion we should name the library after Michelle Obama is she donates \$250,000 to local libraries and she is not a shy person because she danced on Ellen show.

Dear councilman Rex Richardson,

My name is Joaquin Antonio Hernandez and I am a student at Hamilton Middle School in North Long Beach, CA. I support naming our new library the "Michelle Obama Library". Second of all, we should name it that way because she donated \$250,000 to the local libraries. And if you build your head fill with knowledge. So she's so helpful.

Third of all, she is not shy because she made a rap video. And you should go to college to make more money. She is a role model cause she is a so intelligent woman.

One reason why the library should not be named after Michelle Obama is because she is not a native to the city of Long Beach. She is from the Southside of Chicago. However I think we still need to name it after her because she showed that even though, you grow up in a low income neighborhood you can be successful if "you fill your head with knowledge." She inspires us and is a great model.

Sincerely,

Joaquin Hernandez

Dear councilman Rex Richardson,

My name is Yutziri Gutierrez and I am a student at Hamilton middle school in north long beach CA. I support naming our new library the Michelle Obama library.

Another reason you should name the library Michelle Obama because she has donated \$250,000 to local libraries .To get good book to read. Their 80% student pasting so we need the library to study and need a good place to study.

One reason we shouldn't name it after Michelle Obama is that she is not a long beach native. How ever she also grew up in urban city in Chicago.

Lastly she wants us to have good education and to go to college and get a good job. I support Michelle Obama because she want us t be healthy.

Dear Rex Richardson, 12-16-15

I will explain why I believe the library should be named after first lady Michelle Obama, because Mrs. Obama is great, helpful, help the city and donated money to local library. The North Side Library was Mrs. Obama Idea So I'll think put her name Michelle Obama after and another one because Mrs. Michelle Obama donated White House books to public libraries.

Dear Rex Richardson, I'm very excited to go to the Library. It looks really good and I'm sure everyone will love it.

I think that the Library name should be named after first lady Michelle Obama because it won't be like other libraries that just come up with a random name and this name is fantastic. But also there could be other better names but Michelle Obama will be the best cause it brings out attention and it a greatful name for a big amazing Library like the one that was just made.

Dear Mr. Richardson,

The library that the people are making its great you guys are making one but you should name it something also like north side library. But north side michelle obama library is good to but it doesn't sound good to. And i hope people would go there. Its going to have a lot of new books. Books that people wanted to read but they couldn't find them in the other libraries. So now you might be able to find them in the new library.

I believe that the new library should be named after the first lady, Michelle Obama. There is over 82,000 students spread over 84 schools hoping on libraries for books.

Also men need to give women a chance in things. Some people live up to Michelle Obama, and now if u name the library after the first lady more people would go. I hope u would take my decision.

Dear Mr. Richardson

I feel excited by getting a new library in our neighborhood I like the name "Michelle Obama" because she is married to the best president of the United States you could name "Abraham Lincoln" or "George Washington" library but I like "Michelle Obama" library instead and it will be the first library named from a woman. People might not like the name because most of the libraries are named by men and this going to be the first library named after a woman.

Sincerely,

Dear Mr. Richardson,

In my opinion, I think that you should name the library "Michelle Obama Library". I think you should name it "Michelle Obama Library" because she is the first lady which makes her important. Also Michelle helps kids learn. In my opinion her name fits in as a name for a library.

On the other hand, "Michelle Obama Library" might not be a good name for the library because there might be hate for the library because of the name.

Overall I think you should name it "Michelle Obama Library".

Sincerely,

Dec 16, 2015

Dear Mr. Richardson,

I feel quite excited about the new library coming to our neighborhood here at Long Beach. I know this library will be a great success.

The name Michelle Obama is going to be a great name because she was our first present woman if it counts being the wife of the present Obama. I know there are other names they can call the library like "The name of our new present who will win or maybe the name of the closest street but I think it should stay Michelle Obama.

I think and feel this library will be a big success and to keep working hard to make another great success.

Sincerely,

Dear Councilman Rex Richardson,

My name is Jackie Cabrera Hernandez and I am a student at Hamilton Middle school in north Long Beach CA, I support naming our new library the "Michelle Obama" library.

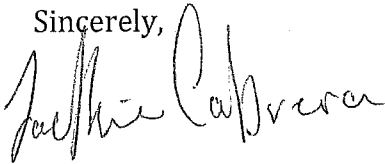

I support the naming because she is never shy at anything. Ex: when she came out in Ellen show she did a dance with Ellen name "Bruno Mars" The song name was "Uptown funk you up" I support her A lot because she is really sweet and very funny and she never shy.

I support Michelle Obama because she donated it 250,000 to local the library so we could go and study. And to read & to do homework. And to courage other people who needs help with their work &or with study. That why I well always support her because she really cares about others people and she is very funny that why I well Always support Michelle Obama

I support Michelle Obama because she want us to go to "college to get more knowledge.' And because she wants to help us learn more & out going &straight fit. That why I well always supports her & by the way straight fit is to be straight.

I support Michelle Obama because she is a sweet lady & she cares about people and she wants them to go to college. To get more knowledge and she is active and sweet and fun to people. And she makes challenges to help us out. And she inspires children to eat healthy. Michelle Obama she helps us.

Dear council Rex Richardson,

My name is Tammy Bui and I am student from Hamilton Middle School in North Long Beach. I support naming the new library the "Michelle Obama Library".

We should name the new library after Michelle Obama because even though she isn't a role model for some people, but she is a role model for most people. She even donated \$250,000 to local libraries. In her rap music, she inspires kids to go to college. For example, she also uses hash tags to relate to us. Also, she isn't a shy person she is really active and kind.

We shouldn't name the new library after Michelle Obama because people might complain why should be the new library after Michelle Obama and not other California heroes. Another reason why not because she was born in Chicago. However she was born in an urban city in Chicago. Also, some people might don't Think that Michelle Obama is not a role model.

Another reason why we should name the new library after Michelle Obama is because she supported the military. Also, she encourages students to go to college.

Again my name is Tammy Bui from Hamilton Middle School and I support to call the new library the "Michelle Obama Library".

Sincerely,

Tammy Bui

December 17, 2015

Dear councilman Rex Richardson,

My name is Brenda Sandoval and I am a student at Hamilton Middle School in North Long Beach, CA. I support naming our new library the "Michelle Obama Library".

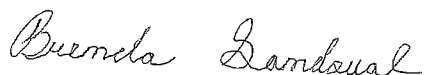

There are many reasons why we should name the new library the "Michelle Obama Library". One reason the library should be named after Michelle Obama is that she donated \$250,000 to local libraries. Another reason we should name the library after Michelle Obama is that her money is used to purchase specific types of books, also she presents national medals to award winning books.

Another reasons, is that she supports military soldiers. She is not a shy person she came up with a rap song and one of the lines says, "reach high and cash checks you should go to college" and a other line she says "if you want to fly jets you should go to college". In the song it says, "if you want to fight crime you should go to college" this also proves that she is a role model. Only 80% of the high school student graduate on time and with this library student have a peaceful place to study and more students can graduate on time.

One of the reasons that we shouldn't name the library after Michelle Obama is that she didn't live in Long Beach, however she grew up in an urban city of Chicago. In the urban city of Chicago she lived in they had low resources and so do we in Long Beach so with this library it can help kids get better grades.

Sincerely,

Brenda Sandoval

Dear, Councilman Rex Richardson

My name is Jasmin Villalta and I am a student at Hamilton Middle School in North Long Beach CA. I support naming our new library the "Michelle Obama Library".

I think we should name our new library after Michelle Obama because she's not a shy person "she made a rap song" and "she danced on the Ellen show". Also we should name our library after Michelle Obama because she inspires kids to go to college. she said "if we want to do something in life go to college and "fill our heads with knowledge". She also inspires kids to stay fit and eat healthy. Michelle Obama is a role model to kids and our mom's. she donated \$ 250,000 to local libraries.

Other reasons why we should name our new library after Michele Obama is that she presents national medals to award winning books. She also encourages youth to take responsibility to read more. She supports female education aspiration. She's also energetic because she exercises by dancing.

One reason why we should not name our library after Michelle Obama is that she is not a Long Beach native however, she also grew up in an urban city of south side Chicago. So Michelle Obama knows the struggle of youth.

I think we should name our new library after Michelle Obama because she is not a shy person because she danced on the Ellen show. Michelle Obama also inspires people to go to college. She also donated \$ 250,000 to local libraries. She also made a rap song to encourage people to go to college.

Sincerely,

Jasmin Villalta

Dear councilman Rex Richardson,

My name is Spencer Thomas and I am a student at Hamilton middle school in north Long Beach, California. I support naming our new library after Michelle Obama.

If we name the library after Mrs. Obama then it could inspire kids to learn and get better in life. She could also donate money to make the library better like purchasing new books and better equipment. Since, she has already donated \$250,000 to local libraries. Also it would inspire us to read more and to read better. With her support for military soldiers, female and regular education she would make a great role model.

In a rap music video she said, "If you want to fly jets go to college". Also she said, "Fill your head with knowledge." Then she did a dance with Ellen to support healthy habits and exercise by modifying a present song and old dance moves. And because of her support for the military it shows she's a kind-hearted woman. And because of her reading as a child and making it big she wants us to read to help us in life so we can make it big.

One reason why we shouldn't named after her is because she wasn't from Long Beach. However she is from Chicago. And it is pretty similar being a low-income city. She didn't do anything that big, but she inspired us to go to school and college.

In conclusion, I highly agree with naming the library after Michelle Obama. She a hero to me and other children because she inspired children to eat well, read, and exercise.

Sincerely, *Spencer Thomas*

Dear, councilman Rex Richardson,

She also might be opening a new library for every one .

Michelle Obama is a hard working person . She also starred in the JESSIE show to help Zarey . Michelle Obama inspired me to go to college to be a FBI agent she said on her rap video "IF you want to reach high and go to cash check "and "if you want to fight crime go to college."

Michelle Obama is not from long beach , however, she also grew up in an urban city of South Side Chicago She not shy person she can dance and she can do more things she is a good person.

Dear councilman Rez Richardson

My name is Ashley and I am a student at Hamilton Middle School in North Long Beach CA I support naming our new librarys the "Michelle Obama library."

One reason why we shouldn't name it after Michelle Obama is that she is not a Long Beach native. However she also grew up in a urban city of South Side Chicago but I think still should because she inspires people to go to college.

For insance Michelle Obama helps kids eat helthy. to add on she encourage kids to make good behavior choices so they don't get in trouble finally she is not a shy women she made a rap video an a danced on the ellen show

in conlusion I highly agree that librarys should be named after Mrs Michelle Obama

December 17, 2015

Dear Mr. Rex Richardson

My name is Marthe and I am a student at Hamilton Middle School in North Long Beach CA. I support naming our new library the Michelle Obama Library.

In my opinion why I think they should name the new library like that because Michelle Obama is telling kids to eat healthy she's helping kids stay healthy.

Also because Michelle Obama is nice and caring she helps people she cares about people she's nice to people she's gonna care about anyone because she's a caring and nice person.

Michelle Obama is inspiring people to go to college she made a song about college like "If your going to stare at the grass don't go to college". Like if your going to do that then don't go to college but it's important for you to go to college - you need to learn she also said "If you wanna fly jet you should go to college". She's encouraging people to go to college.

One reason why you shouldn't name the new library Michelle Obama because she's from Chicago however only 80% of the people graduated high school she should encourage more people.

But now we all agree that Michelle Obama should have the new library because she helps a lot like if you have a new library people have a place to study. People can get books have a study hall and staff. She's inspiring people she helps people. We all agree she's a nice lady so I agree that the library should be named Michelle Obama because we need a new library. The library would be big and have a lot of space.

Sincerely, Martha Aguirre.

December 16, 2015

Dear Mr. Richardson,

The library should be named after the first lady Michelle Obama because it will be the first library in my neighborhood that will be named after an encouraging lady Michelle Obama. This is also a good idea cause we have 82,000 students in 84 schools.

People also need to know that it not only could be named after her, Americans may not be encouraged by naming our closest neighborhood library the "Michelle Obama library", however, it can be named after Michelle Obama the first lady who showed intelligence as capable as men, were to be shown this honorable job.

Knowing that this library is going to be good with new books, computers, and everything I will love to have the name as "The Michelle Obama Library" cause to me she is inspiring showing the capabilities of a man.

Sincerely

Jackelyn Valdivia

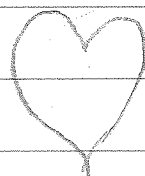

December 10, 2015

Dear, Mr. Richardson

We think of nameing the new library "Michelle Obama Library" is a great name because it really matches with the hole building. The look of the building is just so amazing and beautiful like The first lady. There could be different names. Just the thought of it what if in another month Obamas might not be president and so another lady fills in and is affended. It should probably be named for an old president, like "Lincon Library". Just a thought.

The other reason it should not be called the Michelle Obama library is that we feel like she had to do something special. Not like she didnt, but something really, really special, for the whole country. Like George Washington. That's all the reasons we thought of. Hope you think about it!

Sincerely,
Joana Mendieta

Dec. 16, 2015

Dear Mr. Richardson,

I feel that we can use a library that is named after the first lady in the White house. Also so we need more education in are communities. Then there are 60 residential neighborhoods. There are 87,000 students spread over 28 schools.

Also there Hispanic 58.1%, White 9.5%, Black 18.6%, Asian 9.3%, Pacific Islander 2.4%, And 2 or more re races 1.7%. These races can use this library to learn about their races. More then they know. More then we know... And we to need to "learn for once."

Mrs. Lady Michelle Obama would love to have her name on a library. And I would love it to. So would somebody else. But if you want to change it you can if "you" want to.

P.S.

Good work! 😊

Dear Mr. Richardson

I had seen the maps for the library. I think a new library would be great for kids. I would be able to walk there cause it's a local library. It's amazing that it's named after "Michelle Obama". There are more names for a library but you made the right choice. It should be after her because she is important to the state. Imagine kids could go read and learn new words. Kids could research things on computers. I hope the library gets built real soon.

Richardson I need to tell you 2 things
1 is. That "Michelle Obama Library" will be
good name for the Library because she
was the 1st girl president and she will be
opening her.

2 is something I don't think that the library
should be called Michelle Obama because there
is more name in the world and if you
want a president name there's tons of
president names to choose from. Also that
you should pick Michelle Obama Library because
we are opening her pals we other people that
are president.

Dear Mr. Richardson,

Hello, I think the library name should be named after First Lady Michelle Obama. I believe Michelle Obama would be a good name because she was the first female president.

But also people aren't going to agree with the new school library's name because they might not see the point of the name. But some people including me will agree with the name because Michelle Obama is the first female president.

You can count me as someone who agrees with the name and more so. I hope you have a good day.

Hey Mr Richardson how you been?
I think we should name the library after Michelle Obama because she is the first lady, and because she's a wonderful woman.

Second, I think Michelle should be named after the library because she did many wonderful things to help the United States and help with some of the terrorist attack.

Last, You should name the library after her because she served and help people that had ebola and she helped find a cure for ebola.

Dear Mr. Richardson,

I believe that the library should be named after "Michelle Obama" because, it would honor her as "First Lady" of the United States of America.

One example is, the Northern library is a nice name so is the Long Beach City library but the Michelle Obama library is the best of names for the library. It also represents how intelligent and honorable she is to have a beautiful and resourceful library named after ("First Lady") Michelle Obama.

Another example is, there are 17 historical districts, more than 40 private schools, and a perfect library for the name Michelle Obama library.

I really hope that you name the library Michelle Obama library.

Dear Mr. Richardson,

Hello, I think the Library should be named after the first lady Michelle Obama because it is a nice name and it would be so positive like her.

But also some people aren't at favor that it should be called that because they don't like Michelle but they really should pay more attention to the features such like "over 60 residential neighborhoods" would be sharing that library which would be awesome. I would certainly go to that library.

So you can count me as one in favor and one that will always be there. That is my opinion and have an awesome day ☺.

Dear Mr. Richardson,

It's nice of you to put a library near us with new books & everything. The library's name should be Michelle Obama.

One reason is because every thing is mostly never named after a famous lady like Michelle Obama mostly after famous men like President Obama.

Also Michelle Obama is a nice & pretty name for a library, & I think Mrs. Obama will really appreciate some thing named after her.

Dec. 16, 2015

Dear Mr. Richardson,

You should name the library after the First Lady Michelle Obama because she is the first lady and she like to help children. And the books for the children. She can do a lot of things, you should name the library "Michelle Obama Library" She helped us with needs

yet, It can be named after a president a famous person you never know because what if the it was called for examples something public library. So you should put as "Michelle Obama Library". It helps.

name it some thing els and make michelle Obama. Nothing But the first lady of the united states, soe its good but i think she wants more attention to herself that name for the library is a good name and i don't want you to change it.

Dear Mr. Richardson

I think it should be named after Michelle Obama because she helps a lot of kids and helps them read books. Also whenever she needs help I'll be there right no matter who's there with with her I'll treat her the way she treats us.

Also It make her feel special in her heart. So I think that's what her name should be but also you could be a whole different name to but it could be named as Michelle Obama Library.

Dec 16, 2015

Dear Mr. Richardson

I believe from what I heard I think the library sounds really good, but what I don't like is that the name, because she won't be first lady any more. So why should we name it, what has she done to deserve the library. I believe we should name it something else for someone that tries harder than she does. Why is she famous for something Barack Obama does when she tries his best and she doesn't do nothing. So why should the library be named after her. Do you think that it would be different and unpopular because of the name. I mean if you can give me three reasons what the difference would be with the name. The reason I am arguing about the name is because by the time it is done there will be a new first lady or first man, so it would look like they think that she was the best first lady.

She doesn't deserve it!!!

December 17, 2015

Dear Councilman Richardson,

I believe that the new North Side library in Long Beach should be named after first lady, Michelle Obama. There are four outstanding reasons why Mrs. Obama's name should represent this library.

To begin with, Michelle also has made appearances at public schools stressing the importance of education volunteer work. By this I mean, Mrs. Obama's donated 25,000 to local libraries.

Furthermore, Michelle encourages youth to take responsibility to read for the whole world for the kids. Our second reason is, she donates white, no books to public libraries the kids that they can't read well.

Last but not least, Mrs. Obama's gives speeches on how not to take education for their granted and she encourage the schools for counselors. Our third reason is, she greets the ones the army and the ones that dead for the war.

Finally, this includes that we should name the library's Mrs. Obama. This are the outstanding reasons

Dear, Rex Richardson

What kind of charities has Michelle Obama donated to? I think the North Long Beach Library should be named the "Michelle Obama Library" because of her view and support of public libraries and education in general. They should create a fondation for the public and private libraries. The "Michelle Obama Library" ^{would reside in a} progressive urban city made up of 464,000 residents and businesses. The new Library "Michelle Obama Library" will be located in North Long Beach. I acknowledge the fact that there are many people deserving on this honor, however Mrs. Obama deserve it more because she helped lots of charities and people. Michelle Obama is a really great women she helps kids with their education. She donates White House books to lots of different kinds of public libraries. The Atlantic Theatre tower will link the new library to the areas of vibrant past while ^{it has} state of the art library features.

So finally because Michelle Obama has such strong passion and support for education your city should name the Library the Michelle Obama Library!!

Sincerely,

Dear Councilman Richardson,

I believe that the new North Side library in Long Beach could be named first lady, Michelle. There are four outstanding reasons why Mrs. Obama's name should represent this library.

To start off with, is that Mrs. Obama donated \$50,000 to libraries in Washington D.C. This shows that the First Lady supports local libraries.

Furthermore, the First Lady presents national medals to award winning books for children. That demonstrates that Mrs. Obama encourage kids education.

Last but not least, Mrs. Obama encourages the need for school counselors. This illustrates that the First Lady is helpful.

Some people don't believe on what people say.

To conclude, we believe that
Michelle Obama should be named for the
new North Side library.

Sincerely,
Daniel Vega and
