**SUBJECT:** Recommendation to receive and file a presentation from a local company regarding exploration of installing public security cameras on 2<sup>nd</sup> Street in Belmont Shore.

---

### DISCUSSION

The Belmont Shore Parking and Business Improvement Area Advisory Commission (BSPBIAAC) is interested in exploring the possibility of installing security cameras on 2<sup>nd</sup> Street in Belmont Shore. The boundaries for the Belmont Shore Parking and Business Improvement Area include 2<sup>nd</sup> Street from East Livingston Drive to Bay Shore Avenue.

The East Anaheim Street Business Alliance recently installed eight security cameras at two intersections within the East Anaheim Street Parking and Business Improvement Area. These cameras are linked to the Long Beach Police Department and are monitored 24 hours a day, seven days a week. The company contracted to install the security cameras, Platt Security, will make a brief informative presentation to the Commission regarding the options and process of installing public security cameras.
