## A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LONG BEACH DECLARING A FISCAL EMERGENCY

WHEREAS, due to the worldwide and national economic crises, and an unprecedented downturn in the national and regional economy, the City of Long Beach faces a projected \$18.5 million General Fund deficit next year, and continuing General Fund deficits over the following three years through FY 14 of almost \$60.0 million; and

WHEREAS, the City's ongoing General Fund revenue sources have decreased by over \$20.0 million since the 2007-2008 fiscal year; and

WHEREAS, the State Constitution prohibits the City from either enacting new taxes without voter approval, preventing the City from generating significant new revenue; and

WHEREAS, without action, the budget deficit is estimated to grow from \$18.5 million to over \$41.1 million by fiscal year 2012; and

WHEREAS, negotiated increases in public employee salaries and future pension costs are increasing the cost of City services and comprise the largest portion of the City's structural deficit; and

WHEREAS, increased public demand for City services as a result of the economic downturn along with shrinking revenues and reporting and service requirements from unfunded Federal, State and regulatory mandates have placed additional pressure on the City's budget; and
