DISTRICT OVERVIEW

District Background

Colloquially nicknamed “Retro Row,” the area along Fourth Street between Cherry and Temple Avenues is known locally, regionally as well as internationally for its eclectic style and storefronts, independent spirit, retro-inspired mix of shops and services and variety of attractions which can fulfill an entire day and/or evening for any age group. Retro-Row proudly offers shopping including vintage, kitsch, new boutique, designer high-end furniture and fixtures, books, plants, art and music as well as a broad variety of restaurants, coffee shops, vegan ice cream and juice bars, salons and barber shops, an independent art house movie theatre, bars and live music!

Conceived by a coalition of Fourth Street business owners, the Fourth Street Parking and Business Improvement Area (FSPBIA) is a benefit assessment district formed on September 11, 2007 by Ordinance 07-0043 to attract customers to the Fourth Street shopping area.

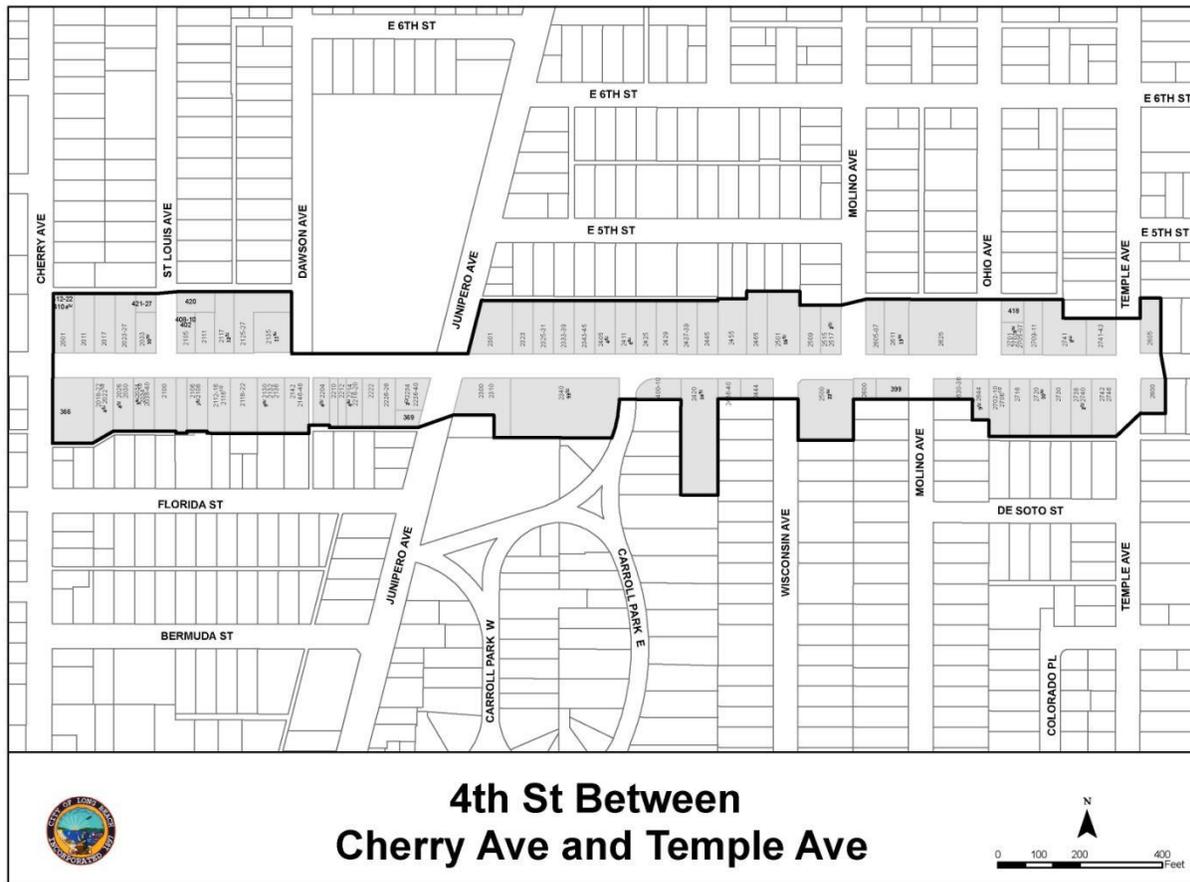

The purpose of FSPBIA is to actively promote and market the Fourth Street shopping district as a destination through events, neighborhood clean-ups, community outreach, and advertising. The Fourth Street Business Improvement Association (FSPBIA) manages FSPBIA under contract with the City of Long Beach.

Fourteen years after the inception of the Business Improvement District, the FSPBIA continues to evolve, expanding its already unique mix of shopping, dining, and entertainment experiences. Since the eastward expansion of FSPBIA to Temple Ave in 2015, FSPBIA continues to actively solicit the participation of new affiliate member businesses with an eye toward possible westward expansion in the coming years. The Association continues to actively encourage participation of existing members through monthly meetings, events meetings, regular and transparent communications, and improved access to BID resources. Building on the ongoing successes of hiring our first BID Administrator, City Council approved parking meters and continuous community outreach, the BID continuously reviews its persona to the physical consumers that visit the area as well as our perception on social media. Using Retro Row’s established reputation for diverse and unique offerings, additional emphasis is being placed on street-wide events and attractions in order to broaden its appeal to a changing consumer demographic, and to creatively manage the ever-increasing effects of online shopping habits on traditional retail sectors.

Since the outbreak of COVID-19, the BID has concentrated its efforts on the ever-changing protocols and management of information surrounding it. A large portion of our budget continues to be used on admin services to keep our stakeholders informed and up to date with the most current status of protocols. This has been especially beneficial, as COVID-19 has forced many of our businesses to operate under a limited scope.

FOURTH STREET BUSINESS IMPROVEMENT ASSOCIATION PROGRAM

2022 – 2023 Program

Marketing

The Fourth Street Business Improvement Association has retained the services of Islett Media Services to manage all social media content, updates, and postings for the 4th Street Instagram, Facebook, TikTok and Twitter platforms to promote Retro Row and its affiliated merchants in conjunction with existing marketing and advertising efforts.

Events

After several events were cancelled due to the pandemic, The Fourth Street Business Improvement Association optimistically and safely resumed events on February 25, 2022. A significant investment will be made in 4th Street events with a major focus on our monthly Fourth Friday's event. Fourth Friday's activates the business district with live music, a variety of other entertainers, artists and vendors to promote the district and increase foot traffic.

Maintenance & Beautification

Continued dedicated funding retaining the monthly services of a landscaping company to maintain the parking lot at the corner of 4th and Cherry, and the Garden Walk alongside Burbank Elementary School. Throughout the pandemic, the BID has focused on continuous clean ups, maintenance, safety, encampment clean ups and monitoring abandoned storefronts.

Management

A volunteer board made up of business owners within the district manages the Fourth Street BIA. Aside from ongoing insurance and accounting service expenses, the Association relies on a dedicated administrative position to take and post monthly meeting notes, maintain and update email contact lists, run reports, and perform ongoing miscellaneous administrative support. This portion of our budget is also utilized for the lease expense of the 4th and Cherry parking lot, tax and insurance preparation, and the rental of a utility storage space on 4th St. Additionally, we also contract an outside company to patrol the parking lot on 4th and Cherry which will ensure that our income for the parking lot remains consistent.

The FSPBIA Service Plan Budget provides for funding for marketing, promoting and maintaining the cleanliness and attractiveness of the 4th Street district. Although a relatively small district with a relatively small number of participants, the Association continues to aggressively and creatively manage a modest budget to facilitate and promote events, as well as to maintain the overall cleanliness and “curb appeal” of the Retro Row corridor.

Effective January 2016, the FSPBIA became the official lessee of the parking lot at the corner of 4th and Cherry, which was previously managed directly by the City of Long Beach. The installation of a new parking meter system, in combination with adjusted parking rates, have resulted in additional monthly revenue for the BID.
