HONORABLE MAYOR AND CITY COUNCIL
City of Long Beach
California

RECOMMENDATION:

Receive the supporting documentation into the record, conclude the public hearing, and grant an Entertainment Permit with conditions on the application of TGI Friday's, Inc. dba TGI Fridays, at 7221 Carson Street, for entertainment without dancing. (District 5)

DISCUSSION

The Long Beach Municipal Code (LBMC) requires an application be filed and a hearing be held before the City Council whenever this type of activity is requested, and before an entertainment permit (Permit) is granted or denied.

The LBMC also requires the City Council to approve the issuance of the Permit if they find that: the issuance of the Permit at the proposed location is consistent with federal, state and local laws, rules, and regulations; it will not constitute an undue burden on the neighborhood; the applicant(s) or responsible persons have not been convicted of any misdemeanor involving moral turpitude or felony offense within the past five years; and, neither the applicant(s) nor any responsible persons have a history of committing significant violations of the City code and have not provided false or misleading information on their application.

The City Council has the authority to approve the following options: (1) grant the Permit, with or without conditions; or (2) deny the Permit on the application. Once the Permit is granted, pursuant to LBMC 5.72.120.5, the Permit will be subject to an administrative review by the Financial Management Department every two years. This review process will consist of a multi-department analysis to determine compliance and identify if issues exist. This provision does not affect the City's ability to modify, revoke, or suspend a permit at any time.

City departments have conducted their investigations in accordance with the LBMC. Attached are the departmental investigative reports, history, entertainment permit application, and floor plan.

The following summarizes departmental findings:

- The Police Department recommends the permit for entertainment without dancing be approved, subject to conditions.
- The Fire Department finds the building/location meets department requirements for the proposed use.
- The Health and Human Services Department finds the building/location meets department requirements for the proposed use, subject to conditions.
- The Development Services Department finds the building/location meets department requirements for the proposed use.

The Financial Management Department, Business Services Bureau, has thoroughly reviewed all submitted department documents and correspondence and recommends the permit for entertainment without dancing be approved subject to conditions (attached).

In the event that any of the recommended conditions are in conflict with other permits or licenses, the permittee must adhere to the strictest of the applicable conditions. This location has been licensed as a Restaurant with Alcohol since August 2000.

Due to the current Safer at Home Order, all Live Entertainment Activities are prohibited at this time. The Entertainment Permit, and its Conditions will be valid once the Safer at Home Order has been lifted or modified to allow Live Entertainment Activities in Long Beach.

This matter was reviewed by Deputy City Attorney Amy R. Webber on December 3, 2020.

TIMING CONSIDERATIONS

The hearing date of January 5, 2021, has been posted at the business location, with the applicant and property owners within 300 feet notified by mail.

FISCAL IMPACT

The following fees were collected with the application: Building Review \$23.30 and Zoning Review \$33.00 (Development Services Department), Police Investigation \$1,410.00 (Police Department), and Mailing List \$90.00 (Financial Management Department).

The following fees will be collected if the application is approved: Business License Annual Tax \$390.69, Employee Rate \$20.29 per employee, and Annual Entertainment Regulatory Fee \$334.00 (Financial Management Department).

SUGGESTED ACTION:

Approve recommendation.

Application for Entertainment Without Dancing

The Department of Financial Management recommends **approval** of the Permit subject to the following conditions:

I. **STANDARD CONDITIONS OF OPERATION**

- 1) The operation of the establishment shall be limited to those activities and elements expressly indicated on the permit application and approved by the City Council. Any change in the operation, which exceeds the conditions of the approved permit, will require that a new permit application be submitted to the City Council for their review and approval.
- 2) Unless separately applied for, reviewed, and approved, no adult entertainment, as defined by section 5.72.115(B) LBMC shall be conducted on the permitted premises.
- 3) The establishment shall remain in compliance with all applicable sections of the Long Beach Noise Ordinance (LMBC Chapter 8.80).
- 4) This Entertainment Permit is an accessory to the primary business. The authorization to provide entertainment on-site is subject to the use remaining a bona fide eating place serving actual and substantial meals. "Meals" means the usual assortment of foods commonly ordered at various hours of the day; the service of such food only as sandwiches or salads shall not be deemed compliant with this requirement. Meals must consist of food prepared on the premises. Hours of sales of alcohol shall be limited to the hours when meals are available.

The premises must be equipped and maintained in good faith. The premises must possess working refrigeration, cooking equipment, utensils, menus, and enough food to make substantial meals. In the event the primary business ceases operation, fails to operate as a bona fide eating place, fails to serve actual and substantial meals, or otherwise fails to comply with this condition, the Entertainment Permit becomes null and void.

The permittee shall not convert the restaurant, or any portion thereof, into a dance/night club. All entertainment activities shall be conducted in conjunction with regular dining or pre-planned banquet activities. A banquet is defined as a function held at a bonafide eating place wherein complete and substantial meals are provided to the persons in attendance by the management of the restaurant where the function is being held. Fast food, snacks, and hors d'oeuvres shall not constitute a complete and substantial meal.

- 5) Due to the proximity of neighboring businesses and residences, all door(s) and windows shall be kept closed at all times during any entertainment, except in cases of emergency and to permit deliveries. Said door(s) is not to consist solely of a screen or ventilated security door. **Sound shall not be audible beyond fifty feet (50') from the exterior of the premises in any direction.** Outdoor amplified entertainment is prohibited.
- 6) The permittee shall not allow employees to discard trash or beer bottles into the outside dumpster between the hours of 10:00 P.M. and 7:00 A.M.
- 7) Deliveries to and from the premises shall be limited to the hours of 8:00 A.M. to 10:00 P.M.
- 8) During all times that the entertainment activities are being conducted, the permittee shall provide an adequate security staff to supervise patrons inside the establishment. For crowds up to fifty (50) people, the permittee shall provide a minimum of one (1) uniformed security guard. For crowds over fifty (50) people, the permittee shall provide a minimum of one (1) additional security guard per fifty (50) people.

The attire of each security guard shall clearly indicate the guard's affiliation with the establishment by means of a pin, shirt, or other visible form of identification. Should the permittee's operations give rise to a substantial increase in complaint/calls for police service, or trash left in the parking lot, the permittee shall increase security staff, implement the use of electronic metal detection equipment, increase outside lighting, or make other changes to the premises or operation as the Chief of Police determines are necessary to protect the safety of the public.

- 9) The permittee shall take reasonable measures to prohibit and prevent the loitering of persons immediately outside any of the entrance/exit doors and the parking lot, at all times while open for business. This should be done by use of security guards and signage indicating words to the effect of, "Please respect our neighbors" or something similar.
- 10) At the conclusion of each event, the permittee shall take reasonable measures to ensure that exiting patrons walk directly to their vehicles, and not loiter in the front of the establishment, the parking lot or the immediate area.
- 11) The permittee agrees to reimburse the City for all costs associated with excessive police services, as determined by the Chief of Police, required as the result of any incident or nuisance arising out of or in connection with the permittee's operations.
- 12) Current occupancy loads shall be posted at all times, and the permittee shall have an effective system to keep count of the number of occupants present at any

given time and provide that information to public safety personnel upon request. (LBMC section 18.48.320).

- 13) Any graffiti painted or marked upon the premises, or on any adjacent area under the control of the licensee, shall be removed or painted over within 24 hours of being applied.
- 14) The business, or agents, shall not distribute any advertising matter such as signs, posters, or promotional cards, in or upon any public property, or in or on any vehicle in any such place in the City. Distribution of any advertising matter upon private property shall adhere to the following guidelines: By placing the same matter in a receptacle, clip, or other device designed or intended to receive advertising matter. The permittee shall keep all promoter contracts, including names, addresses, and phone numbers, on file at all times, and be available for inspection at any time.
- 15) The permittee shall be responsible for maintaining free of litter the premises and the area adjacent to the licensed premises over which they have control.
- 16) The permittee shall install and maintain a video surveillance system that monitors no less than the front and rear of the business with full view of the public right-of-ways and any parking lot under the control of the permittee. The video system must be capable of delineating on playback the activity and physical features of persona and areas within the premises. Recordings shall be retained for a minimum of 30 days and be accessible via the Internet by the Long Beach Police Department. A Public Internet Protocol (IP) address and user name/password is also required to allow the Long Beach Police Department to view live and recorded video from these cameras over the internet. All video security cameras shall be installed to the satisfaction of the Chief of Police, Director of Technology Services, and Director of Development Services. At the discretion of the Chief of Police, the permittee may be required to add additional video cameras.
- 17) The permittee shall ensure that all employees attend an alcohol awareness class such as TIPS or LEAD, within the first ninety (90) days of employment. In the event that the LEAD program class is not offered within this ninety-day period, the permittee shall attend the next available class. Proof of completion shall be kept on file at the business and shall be available for inspection at any time.
- 18) The permittee shall maintain full compliance with all applicable laws, ABC laws, ordinances, and stated conditions. - 2) All promoters and independent contractors must have or obtain a City of Long Beach Business License prior to conducting entertainment activities governed by this permit. The permittee shall be responsible for all entertainment activities at the location, including those conducted by promoters or independent contractors.
- 3) The permittee must provide all promoters, independent contractors, and dancers, hired to conduct entertainment activities with a copy of the approved permits, which shall include a copy of the approved conditions of operation.
- 4) Interior lighting shall be sufficient to make easily discernible the appearance and conduct of all persons and patrons inside the business.
- 5) An identification scanner shall be used for any patrons entering the establishment after 10:00 PM for the sole purpose of verifying patron age and/or authenticity of patron's driver's license or identification card.
- 6) The permittee is required to monitor the outside patio area for any nuisance activity that could disturb the surrounding neighbors. This shall be done by utilizing security guards or employees.
- 7) The speaker volume on the patio area shall be kept at a low level, so as not to disturb any other businesses. If any noise or disturbance complaints can be attributed to the speaker volume on the patio area, the permittee shall modify or remove existing speakers at the direction of the Chief of Police.

III. In the event that any of the recommended conditions attached to any permit or license is in conflict, the permittee shall adhere to the strictest of the applicable conditions. Street Address City State Zip Code

Business License Required (L.B.M.C. 3.80.210)

Under the Long Beach Municipal Code (Section 3.80.210), any person operating a business in the City of Long Beach is required to obtain a business license and pay an annual business license tax, prior to the operation of that business.

Term of License (L.B.M.C. 3.80.520)

A business license is valid for one (1) year from the date of issuance (unless otherwise noted) and must be renewed each year. A renewal notice is sent to the licensee ten (10) days prior to the due date, and the licensee has thirty (30) days to pay without penalty. If a notice is not received by the licensee, he/she is still responsible for payment by the due date. If the licensee changes his/her mailing address during the year, he/she should contact the Business License Section to report the change.

Penalties (L.B.M.C. 3.80.422)

A penalty equivalent to twenty-five percent (25%) of the payment due applies to all delinquent licenses unpaid after thirty (30) days from the due date. An additional ten percent (10%) penalty is added on the first day of the calendar month following the imposition of the twenty-five percent (25%) penalty if the tax remains unpaid, up to a maximum of one hundred percent (100%) of the tax due. The postmark will govern the determination of whether or not a tax payment is delinquent. A delinquent tax will be deemed a debt to the City, and the licensee shall be liable for legal action if it remains unpaid.

Multiple Businesses at one Location (L.B.M.C. 3.80.420.6)

When more than one business activity is engaged in at the same location, and the activity falls into a classification other than that of the original license, the licensee is required to obtain an additional license for each different business activity. If the licensee has more than one business license at the same location, he/she may choose to pay for all employees on one license. If so, the licensee will pay for the employees on the license with the higher employee rate.

Definition of an Employee (L.B.M.C. 3.80.150)

For the purpose of Business License taxation in the City of Long Beach, an employee is defined as: Every person engaged in the operation or conduct of any business in Long Beach, whether as owner, member of the owner's family, partner, associate, agent, manager or solicitor, and every person employed or working in such business, whether full-time, part-time, permanent or temporary, for a wage, salary, commission or room and board. The owner of a sole proprietorship shall not be deemed to be an "employee" of the business.

Change of Location (L.B.M.C. 3.80.424)

Every person possessing a City of Long Beach Business License who changes the location of his place of business shall, prior to engaging in such a business at the new location, have the City endorse the new location on the license.

Display of License (L.B.M.C. 3.80.425.5)

Every person having a license shall prominently display the license at the place of business. If the business is operated from a vehicle, an identifying decal issued by the City shall be affixed to the vehicle, and the business license shall be carried by the licensee.

Apportionment of payment of tax (3.80.256)

For purposes of apportionment as may be required by law and for purposes of administration and enforcement of this Chapter, the Director may from time to time promulgate administrative rules and regulations for a business subject to the business license tax under this Chapter that can demonstrate to the satisfaction of the Director that it will be doing business in the City for only a portion of a year.

Refunds Prior to Start of Business (L.B.M.C. 3.80.427.5.F)

Any application for refund must be made by the person entitled to the money within one year after payment of the money to the City. No refund shall be made of any moneys paid for the issuance or renewal of any license unless it is determined that such licensee has not engaged in, nor held himself out as being engaged in, such business or occupation at any time after the effective date of the license. The amount of the refund shall be the full amount of the license tax paid, less an amount determined by the Director of Financial Management, which shall cover the cost of investigation and issuance of the license.

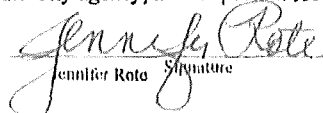

Sales or Use Tax

Sales or Use Tax may apply to your business activity. You may seek advice regarding the application of the tax to your business by visiting the California Department of Tax and Fee Administration website at www.edtfa.ca.gov.

Inspections (The business license application must be available on site at time of inspection).

When a business license inspection is scheduled, the business must be fully prepared to operate, and the business owner or operator must be on site for the entire scheduled time of inspection. If the business owner or operator is unprepared for or misses a scheduled business license inspection without giving a minimum of 24 hours notice to the appropriate City agency, a re-inspection fee will be assessed.

I have read and understand the Inspection requirements.

SECURITY PLAN
TGI Fridays
7221 Carson Blvd, Long Beach, CA 90808

August 14, 2020

To: Ashley Wiegelman
Department of Financial Management | Business Services Bureau
Email: Ashley.Wiegelman@longbeach.gov

Re: TGI Friday's Inc.; Entertainment Permit – Security Plan

Ms. Wiegelman:

TGI Friday's Inc. is the owner of TGI Fridays located at 7221 Carson Blvd, Long Beach, CA. On occasion, TGI Fridays provides entertainment to patrons by providing a DJ and karaoke in the bar area of the restaurant. When entertainment is provided TGI Fridays has the following safety precautions in place:

1. Staff frequently monitor the area where entertainment is provided to ensure that entertainment occurs in a safe and controlled manner.
2. Sixteen surveillance cameras monitor the restaurant. The footage from these cameras can be viewed by the restaurant's general manager as needed.
3. If more than 50 individuals are in the bar area when entertainment occurs there will be at least one security guard present.
4. Waiters and Waitresses are trained on responsible alcoholic beverage sales, which focuses on not serving alcohol to minors or intoxicated persons.
5. Waiters and Waitresses are trained to check the identification of customers that appear to be under the age of 30 when alcoholic beverages are purchased. They are also trained on how to identify false identification cards.
6. After 9:00pm individuals under the age of 21 are not permitted in the bar area. The area is blocked off to patrons until they have had their IDs checked.
7. The sale of alcoholic beverages is limited to one serving size at a time to ensure that beverages are not shared with others.
8. Staff will call 911 in the event of an emergency.

If you have any question regarding this security plan, please contact our attorney, Dan Kramer, at (415) 795-2327 or dan@djklawgroup.com.
