9. (12-0084) Recommendation to City Council to concur in recommendation of the Public Safety Committee to direct City Manager to prepare a multi-year Police Academy and Recruitment Plan, in accordance with the adopted budget, and present it to City Council during the March budget update.	Laurie Angel	casadcl@charter.net		8th District, Rae Gabelich	Long Beach	CA	90805	Police staffing levels are at a critical low just as the state prepares to dump thousands of prisoners on our streets. It is absolutely imperative that police staffing levels and other safety personnel levels be improved to ensure the safe keeping of the residents, businesses and visitors to this city. We must be proactive to ensure that we keep our crime rates down. We will be losing more officers before we can even replenish the losses currently suffered. We need an academy immediately.	2/14/2012
14. (12-0154) Recommendation to respectfully request City Attorney to draft a resolution on behalf of the City of Long Beach to oppose any cuts, repeal and/or reduction of the Hayden Law.	Kate Karp	katekarp@netzero.net		3rd District, Gary Delong	Long Beach	CA	90803	I would like to thank the council members who are supporting the opposition to Gov. Brown's proposed repeal of the Hayden Law and am strongly asking Mayor Foster and the rest of the council to do the same. I also wish to join in to request City Attorney Robert Shannon to draft a resolution on behalf of the city of Long Beach to oppose these cuts. To have animals be considered collateral damage in the economy is equally reprehensible as our children's education.	2/14/2012
