Skateboarders create a safety hazard for these high pedestrian areas, as well as cause damage to City property. The intent of this amendment is to lessen the damage caused by skateboarding and provide a safer environment in these high pedestrian areas. The Parks and Recreation Commission heard and approved this item on August 18, 2011, and recommended City Council approval.

PRM continues to encourage the use of the City's skate parks located at Houghton, El Dorado Park West, Silverado, Bixby, Drake, and 14th Street Parks. In addition, PRM continues to look to build additional permanent and portable skate parks throughout the city as resources permit.

This matter was reviewed by Deputy City Attorney Gary J. Anderson on September 23, 2011, and Budget Management Officer Victoria Bell on September 7, 2011.

TIMING CONSIDERATIONS

Timing on this matter is not critical, but City Council action is requested on November 1, 2011, in order to allow time to implement the Ordinance.

FISCAL IMPACT

Adoption of the Ordinance will result in minimal costs associated with updating the existing signage at each location to reflect the applicable municipal code, which allows for the writing of citations by safety personnel. Sufficient funding is available in the General Fund (GP 105) and Tideland Funds (TF 401, TF 403, and TF 411) in the Department of Parks, Recreation and Marine.

SUGGESTED ACTION:

Approve recommendation.

Respectfully submitted,

GEORGE CHAPJIAN
DIRECTOR OF PARKS, RECREATION AND MARINE
