Facts for Consideration:

- On September 15, 2021, the Civil Service Commission approved a request from the Public Works Department for Provisional Appointments for two Recycling Specialists to provide support to the Environmental Services Bureau, Waste Diversion and Recycling Division. Subject: **Request for Provisional Appointment – Recycling Specialist
Britny Coker Moen, **Dalia Gonzalez**, and Michelle Anna Keshishian**

The Department of Public Works is requesting the provisional appointment of Britny Coker Moen, **Dalia Gonzalez**, and Michelle Anna Keshishian to the classification of Recycling Specialist in accordance with Article V, Section 43 of the Civil Service Rules and Regulations. The Department has approved requisition PW21-105 and requisition PW22-015, to fill the vacancies on a provisional basis in the absence of a Civil Service eligible list.

Subsequent to recently receiving approval from the Civil Service Commission to recruit for two provisional appointments, the Department conducted an open recruitment for the position. The Department posted a bulletin for Provisional Recycling Specialist for two weeks and screened applicants to determine if they met minimum qualifications. The six most qualified candidates were invited to participate in a panel interview. As this process was taking place, the Department learned that current, permanent Recycling Specialist II, Sarah Adams is resigning from her classified position, effective November 19, 2021. Based on this unforeseen situation the Department is now requesting that the three top candidates, Britny Coker Moen, Dalia Gonzalez, and Michelle Anna Keshishian be provisionally appointed to the Recycling Specialist position.

The three candidates understand that their provisional appointment is temporary, and they have no guarantee of permanent employment in this position. The candidates meet the minimum qualifications of the position and are aware that they must apply through the Civil Service examination process in order to be considered for permanent employment as Recycling Specialist.
