To Whom It May Concern:

As residents in the surrounding neighborhood of Gallagher's Pub and Grill; we completely support their petition for entertainment. We actually enjoy the music and food that is provided by the establishment. The noise level has never bothered us nor has it proven to be a disturbance. Since Gallagher's establishment, it has provided the neighborhood with a safe and friendly place to grab a bite to eat and a safe haven for nightly entertainment. This local establishment provides a place for the surrounding neighbors, like ourselves, to walk to and from on a daily and nightly basis. Since Gallagher's provides such convenient entertainment for the local residents we feel that this restaurant also minimizes the amount of drivers, especially those that may be drinking from doing so through our neighborhood.

Sincerely,

The neighborhood residents
