RESOLUTION NO. RES-21-0056

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LONG BEACH CONSENTING TO AND ALLOWING FOR THE INITIATION OF A CONSOLIDATED COASTAL DEVELOPMENT PERMIT PROCESS WITH THE CALIFORNIA COASTAL COMMISSION, PURSUANT TO PUBLIC RESOURCES CODE SECTION 30601.3, IN CONNECTION WITH THE REALIGNMENT OF SHORELINE DRIVE AS PART OF THE SHOEMAKER BRIDGE REPLACEMENT PROJECT IN THE CITY OF LONG BEACH; AND DELEGATING THE CITY'S COASTAL DEVELOPMENT PERMITTING AUTHORITY TO THE CALIFORNIA COASTAL COMMISSION RELATING TO THIS PROJECT

WHEREAS, the Coastal Act was amended by Senate Bill (SB)1843 effective January 1, 2007, which allows for a consolidated permitting process for projects for which Coastal Development Permit (CDP) authority is shared by a local government and the State Coastal Commission; and

WHEREAS, SB 1843 (now codified as Section 30601.3 of the Public Resources Code) requires that the applicant, the local government, and the Executive Director of the Coastal Commission agree to the consolidation; and

WHEREAS, consolidation may only proceed where public participation is not substantially impaired by that review and consolidation; and

WHEREAS, the City Council and Planning staff find that a Consolidated Coastal Development Permit (CCDP) application and process will be beneficial to the public because, among other things, it will reduce the total time to process the application

1 and entitlements; and will likewise reduce the overall cost of the proposed Project; and

2 WHEREAS, the City Council and Planning staff find that a Consolidated
3 Coastal Development Permit application and process would benefit the public by
4 reducing and avoiding unnecessary and duplicative processing efforts; and

5 WHEREAS, this matter was considered by the City Council at a duly
6 noticed public meeting conducted by the City Council on May 11, 2021, to receive public
7 comment on the proposed Coastal Development Permit review and consolidation
8 authorization.

9 NOW, THEREFORE, the City Council of the City of Long Beach resolves as
10 follows:

11 Section 1. The City Council of the City of Long Beach hereby authorizes
12 the California Coastal Commission to process a Consolidated Coastal Development
13 Permit in connection with the realignment of Shoreline Drive as part of the Shoemaker
14 Bridge Replacement Project.

15 Section 2. That the Director of Development Services and the City
16 Manager and/or their respective designees are hereby delegated to act on behalf of the
17 City Council with respect to the proposed consolidated permit process in accordance with
18 the provisions of Public Resources Code Section 30601.3.

19 Section 3. That all relevant documents, including but not limited to, the
20 City Council Staff Report dated May 11, 2021, are incorporated herein by this reference
21 as if fully set forth herein.

22 Section 4. The City Council further determines that approval and consent
23 hereby given is limited to approval and consent to a legal procedure allowing the
24 California Coastal Commission to process the above referenced Application where
25 permitting would otherwise require both the City of Long Beach and the Coastal
26 Commission to consider Coastal Development Permit (CDP) applications. This is not
27 intended, and shall not be construed, deemed, or interpreted, to be an approval of any
28 required City entitlements or permits. Any such entitlement and permit determinations

1 shall remain in the discretion of the City. Consideration of such City entitlements shall
2 include, without limitation, all appropriate and required CEQA review by City.

3 Section 5. Public participation will not be substantially impaired by the
4 proposed consolidated review because: (1) the California Coastal Commission will hold a
5 duly noticed public hearing on the CDP application; and (2) the Coastal Commission will
6 provide public notification of the public hearing when the CDP for the proposed project
7 will be considered.

8 Section 6. Pursuant to Public Resources Code Section 30601.3, the City
9 Council hereby consents to the processing of a Consolidated Coastal Development
10 Permit for the proposed Project as is more fully described in the City Council Staff Report
11 submitted to the City on or about May 11, 2021.

12 Section 7. The City Council hereby delegates the City's Coastal
13 Development permitting authority to the California Coastal Commission on this project,
14 and further directs City staff to work with California Coastal Commission staff to identify
15 any other City actions necessary to undertake and complete the California Coastal
16 Development Permit process.
