

1 2008.

2 A. Total disbursements made to the Organization under this Subcontract
3 by City shall not exceed \$60,000.00, per contract year, provided, however, that if City
4 receives additional funds under the Prime Contract, then this Subcontract may be
5 amended to increase City's disbursements to organization. City shall disburse the funds
6 payable hereunder in due course of payments following receipt from Organization of
7 monthly billing statements in a form approved by City for the preceding month, and
8 conditioned on the City's receipt of the monthly progress report from Organization.

9 B. The City shall have no obligation to pay Organization until and unless
10 City receives monthly progress reports that summarizes Organization's performance
11 under this Subcontract during the immediately preceding month, and that describes
12 Organization's progress in providing the services stated in Exhibit "A", Exhibit "A-1" and
13 Exhibit "A-2".

14 C. City's obligation to pay Organization arises only after receipt of funds
15 from the County under the Prime Contract.

16 D. Organization shall submit correct and final invoices on a monthly basis.
17 Organization shall prepare and submit monthly invoices within fifteen (15) calendar days
18 after the end of the month in which services were provided. Attached to each invoice
19 shall be documentation to support the invoiced amounts. Failure to submit a completed
20 invoice with proper back-up documentation may result in late payment of the invoice.
21 The City reserves the right to refuse payment of correct and final invoices received sixty
22 (60) days after the services were provided.

23 2. Except as expressly amended in this Second Amendment, all terms
24 and conditions in Subcontract No. 29348 are ratified and confirmed and shall remain in
25 full force and effect.
