Jurisdictions that received a 2004 Architectural Design Award from Fire Chief Magazine's annual survey of facilities specific to combined fire and police facilities included:

- ✓ Boca Grande, Florida      Fire, EMS and Sheriff's Office
- ✓ North St. Paul, Minnesota      Fire and Police Public Safety Facility
- ✓ Shorewood, Minnesota      Fire and Police Public Safety Facility

These are just a few of the combined facilities that recently have received awards for design that include Fire, Police, and in many cases a public or community access component.
