16. (17-0269) Recommendation to declare ordinance amending the Long Beach Municipal Code by amending Section 2.01.380, and by repealing Section 2.01.390, all relating to officeholder accounts read the first time and laid over to the next regular meeting of the City Council for final reading. (Citywide)	Laurie Angel	lcangel2012@gmail.com						I am completely against this change. Your 'non-partisan' offices are all ready too political charged and negate reasonable, neutral discourse. The public continues to lose out when our elected officials concentrate on elections and politics rather than serving their constituency. Allowing this activity is a conflict of interest, poorly conceived public policy and a significant distraction from the business of the people and the city. Please do not vote for this self serving change.	4/11/2017
