RE: The Basement Lounge Entertainment License

I am a resident at the Lafayette building and am support of this business in every way.

I park in the lot adjacent to "The Basement" and often walk by and observe the operation during their business hours.

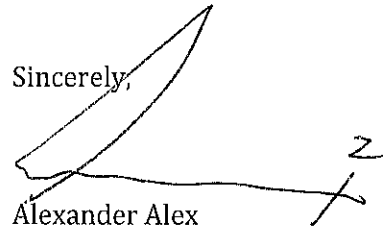

The security guards do a tremendous job and seem to have a good grasp on everything.

I have been to the establishment a few times and have always experienced a good time.

I enjoy the atmosphere of this neighborhood of which "The Basement" is and has been a part of for a few years now.

The Basement brings life to the Art District.

Sincerely,
