**"39. PROJECT LABOR AGREEMENT.**

A. Work Order projects undertaken pursuant to Section 3.B. of this Contract which exceed the single job order threshold of Seven Hundred and Fifty Thousand Dollars (\$750,000) are covered by the Citywide Project Labor Agreement ("PLA") entered into by the City of Long Beach with the Los Angeles/Orange Counties Building and Construction Trades Council and the signatory Craft Unions, attached hereto as Exhibit "G" and incorporated by reference. The PLA contains a local hiring goal of 40%, calculated based on total hours worked. The local hire provision requires best efforts to utilize qualified workers residing in first tier zip codes (which include all of the City of Long Beach), then in second tier zip codes (which reflect the Gateway Cities), and finally in Los Angeles and Orange Counties. However, if Project is funded in full or in part by State of California Tidelands funds, then the local hire provision requires best efforts to utilize qualified workers residing within the Counties of Los Angeles or Orange. In addition, there is a provision with a goal of ten percent (10%) to hire Transitional Workers and Veterans. Contractor shall complete and deliver to City the form ("Letter of Asset") attached as an exhibit to the PLA and incorporated by reference, to comply with the PLA. Contractor agrees to work with the City and its selected Independent Jobs Coordinator, if applicable, to promote the local hiring goals and objectives of the PLA."

3. Exhibit "G" to this Amendment is hereby incorporated herein by reference and is attached as Exhibit "G" to the Contract.

4. Except as expressly amended in this First Amendment, all terms and conditions in Contract No. 36429 are ratified and confirmed and shall remain in full force and effect.
