## RECOMMENDATION:

Approve the Magnolia Industrial Group Property and Business Improvement District Annual Report and Assessment for the period of December 1, 2014 through November 30, 2015, automatically extending the current agreement with the Magnolia Industrial Group, Inc., for a one-year period; and authorize payment of \$1,488 in City property assessments from the General Fund (GF) in the Public Works Department (PW). (District 1)

## DISCUSSION

Pursuant to the Property and Business Improvement Law of 1994 (Law), the Magnolia Industrial Group Property and Business Improvement District (MIG-PBID) was initially established by the City Council in 1996 for a three-year period. On July 20, 1999, the City Council re-established the MIG-PBID for an additional five years. On July 23, 2013, following a majority vote of the property owners in favor of a new ten-year term, the City Council again re-established the MIG-PBID for an additional ten-year term. Under the Law, Magnolia Industrial Group (MIG) property owners assess themselves an additional fee to pay for supplemental security patrol and the cleanup and removal of items such as weeds, trash, abandoned furniture and tires within the MIG area.

The 1994 Law requires that the MIG-PBID Advisory Board approve and file an Annual Report describing their projected budget and expenditures. The 2014-2015 Annual Report is attached for City Council approval. The levy of assessment will cover the period of December 1, 2014 through November 30, 2015.

The MIG-PBID assessment area contains properties owned by private commercial owners and the City of Long Beach. In Fiscal Year 2015, the City assessment is \$1,488.

The Board-approved MIG-PBID rate of assessment is based on the square footage of developed property within the boundaries, as shown on the map in Section 5 of the attached Annual Report. The MIG-PBID Management Plan allows up to a 4 percent per year cost-of-living increase in the assessment rate. For Fiscal Year

2014, the MIG Board voted to maintain the assessment at the same rate as Fiscal Year 2013. For Fiscal Year 2015 (FY 15), the applicable increase in the Consumer Price Index was approximately 1.04 percent, and the MIG Board voted to increase the assessment by 1.04 percent for FY 15.

In FY 15, properties under or equal to 20,000 square feet are assessed a monthly amount of \$62. Properties larger than 20,000 square feet are assessed a monthly amount of \$62 plus \$0.013392 for each square foot in excess of 20,000, with the maximum monthly assessment limited to \$124. The effective maximum assessment is \$1,488 per owner per year. This is within the maximum allowed for the district according to Section 6.1 of the MIG-PBID Management Plan. The total property assessment to be collected by the City and paid to the MIG-PBID for the period of December 1, 2014 through November 30, 2015 is estimated at \$85,354.

The Law also allows the City to contract with service providers to carry out the MIG-PBID Program. Since 1996, the City of Long Beach has contracted with MIG, Inc., to carry out the security and maintenance program. The current agreement provides that the term be automatically extended on a year-to-year basis upon City Council approval of the Assessment Report (included in the Annual Report) and related levy of assessments.

This matter was reviewed by Deputy City Attorney Amy Webber on October 20, 2014 and by Budget Management Officer Victoria Bell on October 27, 2014.

#### TIMING CONSIDERATIONS

The MIG-PBID's 2014 contract ends on November 30, 2014. City Council approval of the Annual Report and Assessment is requested on November 18, 2014 to continue the assessment and extend the contract for another year.

#### FISCAL IMPACT

It is estimated that the MIG-PBID will generate \$85,354 in FY 15 through the proposed continuation of the existing assessment. Sufficient funds are included in the FY 15 Budget in the Parking and Business Area Improvement Fund (SR 132) in the Public Works Department (PW), for City pass-through payments to MIG-PBID.

The estimated MIG-PBID revenue includes the City's assessment of \$1,488 for City-owned parcels, which will be absorbed in the General Fund (GF) in the Public Works Department (PW).

Approval of this recommendation will result in a positive local job impact.

# **1. BACKGROUND**

In 1996 the City Council of the City of Long Beach (the "City Council") established the Magnolia Industrial Group Property and Business Improvement District (the "PBID"), pursuant to the provisions of the *Property and Business Improvement District Law of 1994* (the "Law") *Division 18 of the Streets and Highways Code, commencing with Section 36600*. Historically, the Magnolia Industrial area experienced a high level of auto theft, petty theft and burglaries. Since the initial PBID formation in 1996, the security program has continually reduced crime within the PBID. Due to its success, the PBID was re-established in 1999, again in 2003, and most recently in 2013.

Pursuant to Section 36614.5 of the Law, the City Council contracts with an Advisory Board ("Advisory Board"), the Magnolia Industrial Group ("MIG"), to make recommendations to the City Council on the expenditure of revenues received from the levy of assessments, the classification of properties, the method and basis of levying the assessments, and PBID budgets and policies.

This Annual Report is prepared pursuant to Section 36650(a) of the Law.

## **2. *PROPOSED CHANGES***

There are no proposed changes to the boundaries, the benefit zones, or the assessment methodology of the PBID.

### **3. IMPROVEMENTS AND ACTIVITIES**

The PBID provides a supplemental security patrol program and additional security services to support police and property owner crime prevention efforts; refuse/clean-up services to remove items such as trash, discarded furniture, and abandoned tires; and provides an administrative office with a part-time employee to support the PBID and promote a positive image within the boundaries of the PBID.

#### **3.1. Description of Services**

---

##### **1. Security**

The primary purpose of establishing the PBID was the security program. The initial step installed 7-day a week security patrol. Under contract to the MIG, a security company supplies uniformed, unarmed security patrols, which make rounds to every property on a continuous basis. Specific details on the hours of operation have been provided to each property owner within the PBID. The uniformed vehicular night patrol serves as the eyes of and ears of the LBPD and responds to calls for assistance.

In addition, the PBID has implemented an electronic patrol monitoring program from sundown to sunrise. Security patrol personnel use an electronic wand to record visits to any of 24 stations within the Magnolia Industrial area. Security patrol activity reports are then available for printing the following day.

##### **(A) Duties**

The security staff on duty performs continuous patrols of properties with the MIGPBID boundaries. These patrols are made in an appropriately marked vehicle with a light bar and spotlight. Doors and access areas of properties are physically checked, and appropriate notifications are made in case of emergency. The security staff looks for illegal trespassers and notifies the police if any are observed.

##### **(B) Relationship to City Police**

It is understood that the security patrol is not intended to take the place of City Police personnel. Instead, as a uniformed and unarmed patrol, they act as an observation unit that is prepared to alert the City Police rather than apprehend lawbreakers. Their visible presence acts as a deterrent to criminal activity in the PBID.

##### **2. Refuse removal/clean-up**

As necessary, the PBID will cause the removal of items such as trash, discarded furniture and abandoned tires.

##### **3. Administration**

Administration costs to establish an office are paid for primarily by donations from members. Property owners have already committed to supplying an office with meeting space, a computer, copy machine and furniture. PBID revenues support a part-time administrator.

The administrator handles membership and bookkeeping procedures and advocates for the PBID to the City, County and other entities as needed. The MIG may also incur City of Long Beach and consultant costs associated with administrative and special services for the PBID.

## 4. BUDGET

During the 2013 renewal of the PBID, it was estimated that the general benefit of the PBID improvements and activities is 3.5%. Thus 3.5% of the budget must be funded from sources other than assessments.

### 4.1. District Budget

---

The table below shows the 2014/15 budget for the PBID:

Description	Budgeted Amount
Security Patrol	\$76,000.00
Contract Services	20.00
Assessment District Services	3,200.00
Accounting	500.00
Telephone/Fax	500.00
Insurance	3,500.00
Supplies	500.00
Postage	2,000.00
Newsletter	7,500.00
Contingency: Clean-up	2,000.00
<b>Total Costs</b>	<b>\$95,720.00</b>
General Benefit Contribution (1)	(3,350.20)
Contribution from Other Sources (2)	(7,015.64)
<b>Amount Assessed to Property Owners</b>	<b>\$85,354.16</b>

(1) Figure is 3.5% of Total Costs which represents the general benefit percentage computed in the 2013 Engineer's Report.

(2) MIG donations.

### 4.2. Surplus or Deficit Carryover

---

The MIG reports there are no surplus or deficit funds to be carried over to Fiscal Year 2014/15.

### 4.3. Contributions from Other Sources

---

Contributions from sources other than assessments are MIG donations.

## **5. BOUNDARIES**

The Magnolia Industrial Group Property and Business Improvement District (the "MIGPBID") will deliver security and refuse/clean-up services within a 24-block area generally located east of San Francisco Avenue, south of Pacific Coast Highway, west of Magnolia Avenue and north of Anaheim Street, with an extended portion west of the Southern Pacific Railroad Right of Way, south of Anaheim Street, north of 12<sup>th</sup> Street and east of De Forest Avenue.

The following page shows the boundaries of the PBID.

Magnolia Industrial Group  
Business Improvement District

## **6. ASSESSMENT METHODOLOGY**

Property owners and other PBID stakeholders emphasized that the assessment formula for the PBID be fair and equitable to all members of the PBID. Lot square footage is relevant to the highest and best use of a property and reflects the long-term value implications of the PBID. Because the security patrol is anticipated to benefit each property owner equally, it is believed the most equitable assessment method is by size of property owned.

### **6.1. Method of Assessment**

---

The following method is used to determine the 2014/15 assessment:

- Zone 1 includes all properties under or equal to 20,000 square feet. The 2014/15 annual assessment amount is a flat \$744.06 per property owner.
- Zone 2 includes all properties over 20,000 square feet. The 2014/15 annual assessment amount is \$744.06 + \$0.013392 for each square foot over 20,000. When the computed assessment is greater than \$1,488.12 the excess is eliminated and the assessment is reduced to \$1,488.12.

Using this formula no property owner will pay less than \$744.06 or more than \$1,488.12 annually. This equates to approximately \$62.01 and \$124.01 per month.

### **6.2. Clarification of Assessment**

---

**With regard to property owners holding multiple parcels, the following shall apply:**

A property to be assessed includes all properties under common ownership and/or control as determined by the Magnolia Industrial Group. Where multiple parcels are under such common ownership or control, the total square footage of all aggregated parcels shall be used to determine the assessed amount subject to the conditions contained herein; that amount shall be reported to the Los Angeles County Assessor's Office under **the largest** of the parcel numbers, unless requested otherwise by the property owner.

**With regard to property under the control of one who is not the owner of record, the following shall apply:**

For purposes of assessment, a property will be deemed to be under the control of a party other than the owner of record under the following circumstances:

1. Where such party possesses a lease on the property for a term of not less than ten (10) years;
2. Where the property is held in trust or by an estate for the benefit of another party; or
3. Where the property is owned by a corporation, a partnership, and/or comparable entity in which such party holds not less than 25% interest.

### **6.3. Assessment Rate Increases**

---

The assessment may be increased each year to reflect the annual change in the Consumer Price Index (CPI) for All Urban Consumers in Los Angeles-Riverside-Orange County, but shall not exceed four (4%) percent. The CPI change is calculated as of the end of March of each year.

The CPI increased 1.04% effective for 2014/15. As such, the maximum rates will increase by 1.04% over the prior year's maximum rates.

If for any reason the percentage change is negative the maximum allowable assessment would not be decreased by reason of such negative percentage change and would remain at the amount as computed in the previous fiscal. The annual assessment cannot exceed the actual costs to operate the PBID in any given year.

### **6.4. Maximum Assessment Rates**

---

As noted in Section 6.3 above, the CPI increased 1.04% effective for 2014/15 and the maximum assessment rates increased by 1.04%. The table below shows the historical, maximum assessment rates for the PBID:

<b>Fiscal Year</b>	<b>Rate Change</b>	<b>Zone 1 Maximum Assessment</b>	<b>Zone 2 Maximum Rate for Lot Sq Ft &gt; 20,000</b>	<b>Zone 2 Maximum Assessment Limit</b>
2013/14	N/A	\$744.06	\$0.0133920	\$1,488.12
2014/15	1.04%	751.79	0.0135313	1,503.59

### **6.5. Actual Assessment Rates**

---

The City can levy at any rate at or below the maximum assessment rates shown above, depending on the revenue needs for the PBID. The table below shows the historical, actual assessment rates for the PBID:

<b>Fiscal Year</b>	<b>Rate Change</b>	<b>Zone 1 Actual Assessment</b>	<b>Zone 2 Actual Rate for Lot Sq Ft &gt; 20,000</b>	<b>Zone 2 Actual Assessment Limit</b>
2013/14	N/A	\$744.06	\$0.0133920	\$1,488.12
