Subject: Craftsman Village pet dispenser waste bags

-EXTERNAL-

Dear Honorable Mayor and Council Members

We need your help to continue with the healthy neighborhood improvement we committed to 5 years ago. I had the opportunity to write a grant for 10 pet waste bag dispensers that was awarded by Neighborhood Partners Program of Neighborhood Services, with a FIVE year supply of waste bags. 10 CVHD neighbors have volunteered weekly for 5 years to refill these dispensers.

Last year was the completion of the waste bag supply for us all. During the time we have had it, It was a valuable improvement for sanitary clean green parkways and sidewalks, less PET waste, more neighbor engagement and a cleaner historic district for all.

Can we count on you to help us?

Can you consider contributing funds to Partner of Parks for a new order of pet waste bags to keep our cleaner historic district investment alive?

With Kind Regards

Lisa Marie Harris
