INDICATES PORTION OF PIER C ST TO BE VACATED

Exhibit A

CITY COUNCIL FINDINGS

**VACATION OF A PROTION OF PIER C STREET WEST OF PICO AVENUE
Reference Sketch No. 991V**

The subject portion of right of way is unnecessary for present or prospective public street or alley purposes, and the vacation of said right of way will not have a significantly adverse environmental effect. This finding is based upon the following subfindings:

- a) The subject street is used for a cargo container handling facility and is no longer open to the public.
- b) On February 5, 2009, the Board of Harbor Commissioners determined that the partial vacation of Pier C Street is consistent with the Port Master Plan and determined that the proposed vacation conforms with the land Use Element goals of supporting and promoting port related activities.
- c) On March 1, 2012 the City of Long Beach Planning Commission determined that the subject vacation action is consistent with all elements of the General Plan as required in Section 8313 of the Public Streets, Highways and Services Easement Vacation Law.
- d) In compliance with the California Environmental Quality Act, On March 26, 2009, the Board o Harbor Commissioners issued a Notice of Exemption that the proposed project would not have significant effect on the environment.
- e) The interested City Departments, including Fire and Police, have reviewed the proposed right of way vacation and have no objections to this action.
