Re: Support Grant for 2018 Dodgers RBI Program with the City of Long Beach Department of Parks, Recreation & Marine

Dear Michelle Wilson:

It is my pleasure to inform you that The Los Angeles Dodgers Foundation, a California nonprofit public benefit corporation (the "Foundation"), has approved a grant (the "Grant Funds") to support the Dodgers RBI program with City of Long Beach Department of Parks, Recreation & Marine, a government entity (the "Grantee"). This \$5,356 grant for the approved 744 players at twenty (20) locations will offset Grantee field maintenance and umpire fees for the 2018 Dodgers RBI program (See Addendum 1 for approved number of players and locations). In addition to the Grant Funds, Grantee will receive the in-kind contribution of uniforms, equipment, recruitment flyers, banners for each location, educational & health resources, coaches training, player development clinics and incentives/giveaways, Dodger tickets and complimentary use of Leagues Apps, the online registration system and access to special events throughout the season.

This grant is contingent upon the Grantee complying with the Dodgers RBI Program Requirements (Addendum 2) and the Dodgers RBI Rules (Addendum 3).

60% of the grant will be awarded based on the following schedule:

<i>Affiliate Partner Dodgers RBI Start Date</i>	<i>60% Disbursement Period</i>
April 1 st -April 30 th , 2018	May 15 th -May 31 st , 2018
May 1 st -May 31 st , 2018	June 15 th -June 30 th , 2018
June 1 st -June 30 th , 2018	August 15 th -August 31 st , 2018

If the program has multiple locations with different start dates, the latest start date will be used for payment schedule. In order to receive the remaining 40% of the Dodgers RBI grant funds, the following must be completed by the last day of games on any location's schedule:

- a. Ensure that registrations for players are input into League Apps. This must be completed within 15 days of the start date.
- b. Provide complete rosters and schedules for all divisions to LADF. This must be completed within 15 days of the start date.
- c. Ensure that all excess baseballs, softballs, uniform sets, and coaches polos are returned to LADF. This must be completed within 15 days of the start date.
- d. Ensure all location directors complete a midseason evaluation interview with LADF staff.
- e. If Grantee does not meet player registration projections within at least 5%, the total grant award will be subject to a reduction by the same percent variance. For example, if Grantee projects 1,000 players but only registered 900 players (a 10% variance). The total grant award will be reduced by 10%.

The Grantee is required to attend the Dodgers RBI Directors and Partners meeting on Thursday February 15th, 2018 from 11am-1:30pm, and League Apps Training on January 19, 2018 from 9:30am-12pm at Dodger Stadium.

This letter is a legally binding agreement (the "Agreement"). This Agreement will become effective upon The Foundation's receipt of the Agreement signed by an authorized representative of the Grantee. Please keep a copy of this Agreement for your files.

Please read the terms and conditions of this Agreement very carefully. The Foundation may withhold payment to the Grantee if the Grantee fails to meet the terms and conditions of the Agreement.

ADDENDUM 3

DODGERS RBI RULES

In addition to the playing rules (ASA, PONY, CIF, etc.) determined by each Affiliate Partner, this document outlines the Dodgers RBI Rules that are enforced in all Dodgers RBI leagues. However, in the case of the Affiliate Partners playing rules conflicting with the Dodgers RBI Rules, the Dodgers RBI Rules will take precedent (Ex: mercy rules, game length, etc.). History

Established in 1995, the Los Angeles Dodgers Foundation (LADF) is the official team charity of the Los Angeles Dodgers. Harnessing the power of the Dodger brand and a passionate fan base, LADF works to significantly impact underserved youth in some of the most challenged neighborhoods of Los Angeles. LADF leverages key partnerships to administer direct programs serving youth and communities at large and provides grants to local nonprofit organizations. LADF uses three pillars to guide its work - Sports + Recreation, Education + Literacy and Health + Wellness.

Dodgers RBI (Reviving Baseball In Inner Cities) is a baseball/softball youth development program for ages 5-18 that simultaneously aims to: increase participation in the sport and use sport participation as an engagement tool to increase access to education, literacy, health, wellness, and recreational resources in some of Los Angeles' most underserved communities. Dodgers RBI is bigger than baseball and focuses on youth character development as it engages communities and families in programming.

Dodgers RBI advances the mission of MLB RBI, birthed in 1989 in South Central Los Angeles by founder John Young. John Young, a former Major League Baseball player and scout, developed the concept of RBI to provide disadvantaged youth an opportunity to learn and enjoy the game of baseball. RBI has grown from a local program for boys and girls in South Central Los Angeles to an international campaign encompassing more than 200 cities and as many as 200,000 male and female participants a year.

Goals of Dodgers RBI

1. To increase participation and interest in Baseball and Softball among under resourced youth with an emphasis on increasing participation amongst African American youth, girls, and youth ages 13-18.
2. To use the sport as an engagement tool in order to increase access to educational resources and increase positive attitudes towards educational opportunities among program participants.
3. To use the sport as an engagement tool in order to increase access to health resources and increase positive attitudes towards exercise and healthy habits among program participants.

4. To provide a safe and fun atmosphere for play while promoting positive character development among program participants.
