4. (22-048EC) Recommendation to receive and file an update and presentation on the City Conflict of Interest Codes.	Michelle Baker	michellebaker199@gmail.com		It is absolutely disgusting that Pat West, former City Manager can resign, get full pension and then create a lobby group. That is a huge conflict of interest and there needs to be lobbying laws. He also hired Craig Beck, who was charged with taking illegal bribes. This city needs more ethical boundaries.	7/12/2022
PUBLIC COMMENT	Michelle Baker	michellebaker199@gmail.com		This city is corrupt with no ethics. We are ranked as one of the worst run cities. IWhy is a City Council member, Cindy Allen allowed to spend the night on the Queen Mary when it is closed to the public? We have to do better now.	7/12/2022
