1. (18-0980) Recommendation to receive supporting documentation into the record, conclude the public hearing, and adopt resolution in accordance with Section 10.28.130 of the Long Beach Municipal Code to set operating days and hours for Parking Meter Zone 34 to Monday through Saturday, excluding holidays as defined in the Long Beach Municipal Code, during the hours of 10:00 a.m. to 9:00 p.m., for a maximum of two hours and at a rate of \$1.00 per hour;  Request City Attorney to prepare an ordinance amending Section 10.28.130 of the Long Beach Municipal Code, to establish Parking Meter Zone 34 along 4th Street between Hermosa Avenue and Temple Avenue, including side streets intersecting 4th Street; and  Request City Attorney to prepare an Agreement with the Fourth Street Business Improvement Association to equally share the net parking meter revenues generated from parking meters located in Parking Meter Zone 34. (District 2)	Anne Proffit	anne@highpowermedia.com						Another ridiculous money grab for pay, pensions, perks. There is NO NEED for parking meters in this area and this new money grab will cause further parking difficulties surrounding a viable shopping area (of which we have few). If you need to plug the pension problem, do it by denying these pension grabs, not by punishing people for living or visiting LB. You created this problem; f-ing solve it.	11/13/2018
4. (18-0982) Recommendation to authorize City Attorney to pay sum of \$155,000 in full settlement of lawsuit entitled Luz Flores v. City of Long Beach; Los Angeles Superior Court Case No. BC655012.	Anne Proffit	anne@highpowermedia.com						You didn't need to let this go so far - had you listened to Mr Flores' issues and worked it out with him and his family, you could have avoided these costs. But no, the only thing this city responds to - and loses - are lawsuits. Stop wasting our money.	11/13/2018
5. (18-0983) Recommendation to authorize City Attorney to pay sum of \$225,000 in full settlement of lawsuit entitled James Real v. City of Long Beach; United States District Court Case No. 2:13-cv-01631-PLA.	Anne Proffit	anne@highpowermedia.com						Stop wasting money by letting these issues go to court - where the city seems always to lose. STOP WASTING MONEY - you'll just keep losing if you continue down this road.	11/13/2018
6. (18-0984) Recommendation to authorize City Attorney to pay sum of \$925,000 in full settlement of lawsuit entitled Ray Webb v. City of Long Beach, et al; United States District Court Case No. 2:13-cv-9112-PL; United States Court of Appeals for the Ninth Circuit Case Nos. 17-56617, 18-55094.	Anne Proffit	anne@highpowermedia.com						Why did this lawsuit go to 9th district? Why couldn't you settle it without spending even more useless money? You continue to WASTE tax money where you should have settled and let go. Instead, you callously spend our tax dollars on lawsuits you're bound to lose. You should all resign - in particular Pat West. Wasting money makes you look stupid (which is true - you're all a bunch of losers). STOP WASTING MONEY - SETTLE.	11/13/2018

25. (18-1002) Recommendation to receive and file the application of Long Beach Finest Sports Bar & Grill, Incorporated, dba Long Beach Finest Sports Bar & Grill, for a premise to premise and person to person transfer of an Alcoholic Beverage Control License, at 329 West Willow Street. (District 6)	Joan Greenwood, President	wrigleyalliance@gmail.com						The Wrigley Area Neighborhood Alliance is opposed to any Bar that is within 100 feet of single family residences, especially one with a patio that would serve as a restaurant. Facilities with bars and no on-site kitchens are a high-risk to the quality of life of residents on nearby properties. Strict operating conditions than have enforceable "one strike and you're out" provisions are needed There are already enough liquor licenses along Willow to meet our neighborhood needs.	11/13/2018
28. (18-1005) Recommendation to request City Manager to report back in 60 days on the feasibility of directing Public Works, and/or other City staff to conduct an audit of utility wires throughout the City to identify maintenance needs and violations, as well as safety concerns in order to better address these issues with the utility providers and the California Public Utilities Commission.	Gretchen Swanson	gretchen.swanson3@gmail.com						Rose Park has a long standing concern regarding the accumulation of unnecessary overhead wires in/around Rose Park. Cables continue to be added, none removed creating not only visual nuisance but a major fire and damage hazard. Our structures built before 1950 could be lost if a single utility pole were to be downed due to wind or other disturbance. RECOMMEND staff to conduct an audit of utility wires city-wide, identify maintenance violations and delineate wires to be removed with deadlines.	11/12/2018
30. (18-1007) Recommendation to refer to the Parks and Recreation Commission and the Housing and Neighborhoods Committee the request to consider and make a recommendation on re-naming the Uptown Dog Park as the "Gayle Carter Uptown Dog Park."	Kate Karp	katekarp@netzero.net						Thank you, Councilman Austin, for honoring this worthy human being. Every member of the animal community would agree.	11/13/2018
