

R-44

Date: Tuesday, December 8, 2020
To: Honorable Mayor and Members of the City Council
From: Vice Mayor Dee Andrews, Sixth District Councilmember
Subject: Funding Support for New Generations

RECOMMENDATION:

Increase appropriations in the General Fund Group in the City Manager Department by \$5,000, offset by the Sixth Council District One-time District Priority Funds transferred from the Citywide Activities Department to provide a contribution to New Generations to support food giveaways to low-income communities; and,

Decrease appropriations in the General Fund Group in the Citywide Activities Department by \$5,000 to offset a transfer to the City Manager Department.

DISCUSSION:

Non-profit organizations have been a great asset to the community by serving as liaisons to assist with basic needs such as food, diapers, rental assistance, and shelter for residents affected by COVID-19 circumstances such as the illness itself or reduction of work hours. New Generations has been serving the Central area through the COVID-19 pandemic by providing food through partnerships with the local food banks and other neighborhood organizations.

This contribution will assist New Generations in purchasing shelving, refrigeration, and other resources to continue food giveaways to low-income communities.

This matter was reviewed by Budget Manager Grace H. Yoon on November 24, 2020.

FISCAL IMPACT:

This recommendation requests the City Manager to provide a contribution to New Generations. The total appropriation increase in the General Fund Group in the City Manager Department by \$5,000 is offset by the Sixth Council District One-time District Priority Funds in the Citywide Activities Department. Implementing this recommendation

is anticipated to result in a minimal impact on staff hours beyond normal budgeted scope of duties and is expected to have a minimal impact on existing City Council priorities.
