(Citywide)	Heather Reynolds	reyheather@gmail.com		2nd District, Suja Lowenthal	Long Beach	CA	90804	Please reject 11-1156. Medical marijuana has helped countless people receive low cost, natural medicine that eases physical and emotional pain. Instead of having to make illegal back-alley deals, patients are currently able to obtain their medication in clean, friendly, well-lit dispensaries, most of which follow the letter of the law. Surely the MM dispensaries are contributing greatly needed tax dollars to the City of Long Beach as well as reducing the need for police responses to street deals	1/17/2012
