A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LONG BEACH ADOPTING THE CITY OF LONG BEACH TRANSPORTATION IMPROVEMENT FEE, PARKS AND RECREATION FACILITIES FEE, FIRE AND POLICE FACILITIES IMPACT FEE REPORTS FOR FISCAL YEAR 2014; AND FINDINGS RELATIVE THERETO IN ACCORDANCE WITH LONG BEACH MUNICIPAL CODE CHAPTERS 18.17, 18.18, 18.22 and 18.23 AND GOVERNMENT CODE SECTIONS 66001 AND 66006

WHEREAS, on November 20, 1990, the City Council adopted Ordinance No. C-6824 (as amended by Ordinances C-6836 and C-6848), to establish and impose a Transportation Improvement Fee (TIF) on certain new residential and nonresidential development in the City for the purpose of assuring that the transportation Level of Service (LOS) goals of the City as set forth in the City's Traffic Mitigation Program are met with respect to the additional demands placed on the transportation system by traffic generated by such development; and

WHEREAS, on December 11, 1990, the City Council adopted Resolution No. C-24978 (as amended by Resolution No. C-25393) , establishing a Transportation Improvement Fee by land use type and, where relevant, by location, following consideration of the projected development in the City of Long Beach from the year 1990 to the year 2010; and

WHEREAS, Long Beach Municipal Code Section 18.17.170 requires that at least once each year the Director of Public Works shall prepare a report to the City Council in order to evaluate progress in the implementation of the Transportation Improvement Plan and the Transportation Improvement Fee and in order to make any

1 recommended changes to said Plan or Fee; and

2 WHEREAS, on February 7, 1989, the City Council adopted Ordinance No.
3 C-6567 (as amended by Ordinance No. ORD-07-0036), to establish and impose a Park
4 and Recreation Facilities Fee ("Park Impact Fee") on certain new residential development
5 in the City for the purpose of assuring that park land and recreational facility standards
6 established by the City are met with respect to the additional needs created by such
7 residential development; and

8 WHEREAS, on March 7, 1989, the City Council adopted Resolution No.
9 C-24638 (amended by Resolution No. C-25040 and Resolution No. RES-07-0100)
10 establishing a Park Impact Fee on new residential development; and

11 WHEREAS, Long Beach Municipal Code Section 18.18.160 requires that at
12 least once each year the Director of Parks, Recreation and Marine shall prepare a report
13 to the City Council to evaluate progress in the implementation of the Park and Recreation
14 Facilities Fee Program; recommend amendments, if appropriate, to said program;
15 recommend amendments to resolutions establishing Park Impact Fee amounts and
16 identify capital improvements to be funded by said impact fees; and

17 WHEREAS, on April 10, 2007, the City Council adopted Ordinance No.
18 ORD-07-0017, to establish and impose a Fire Facilities Impact Fee ("Fire Impact Fee") on
19 certain new development in the City for the purpose of assuring that fire facility standards
20 established by the City are met with respect to the additional needs created by such
21 development; and

22 WHEREAS, on April 3, 2007, the City Council adopted Resolution No.
23 RES-07-0042 establishing a Fire Facilities Impact Fee on new development; and

24 WHEREAS, Long Beach Municipal Code Section 18.23.140 requires that at
25 least once each year the Fire Chief shall prepare a report to the City Council to evaluate
26 progress in the implementation of the Fire Facilities Impact Fee Program; recommend
27 amendments, if appropriate, to said program; recommend amendments to resolutions
28 establishing Fire Impact Fee amounts and identify capital improvements to be funded by

1 said impact fees; and

2 WHEREAS, on April 10, 2007, the City Council adopted Ordinance No.
3 ORD-07-0016, to establish and impose a Police Facilities Impact Fee ("Police Impact
4 Fee") on certain new development in the City for the purpose of assuring that police
5 facility standards established by the City are met with respect to the additional needs
6 created by such development; and

7 WHEREAS, on April 3, 2007, the City Council adopted Resolution No.
8 RES-07-0041 establishing a Police Facilities Fee on new development; and

9 WHEREAS, Long Beach Municipal Code Section 18.22.140 requires that at
10 least once each year the Chief of Police shall prepare a report to the City Council to
11 evaluate progress in the implementation of the Police Facilities Impact Fee Program;
12 recommend amendments, if appropriate, to said program; recommend amendments to
13 resolutions establishing Police Impact Fee amounts and identify capital improvements to
14 be funded by said impact fees; and

15 WHEREAS, Government Code Section 66001(d)(1) requires the City to
16 make certain findings for the fifth fiscal year following the first deposit into the account or
17 fund, and every five years thereafter, with respect to that portion of the Traffic Mitigation
18 Program, Parks, Fire and Police Impact Fee accounts, fund, or sub-funds ("the funds")
19 remaining unexpended, whether committed or uncommitted.

20 NOW, THEREFORE, the City Council of the City of Long Beach does
21 hereby find, determine and declare:

22 Section 1. That the City Council does hereby adopt that certain City of
23 Long Beach Transportation Improvement Impact Fee Report for Fiscal Year 2014 ("the
24 Transportation Report"), a copy of which is attached hereto and incorporated herein by
25 this reference as Exhibit "A".

26 Section 2. That the Report attached hereto as Exhibit "A" contains all of
27 the information required pursuant to Long Beach Municipal Code Sections 18.17.170 as
28 well as the information required by California Government Code Sections 66001 and

1 66006.

2 Section 3. In reference to Government Code Section 66001(d)(1), and
3 with respect to only that portion of the Traffic Improvement Fee Fund remaining
4 unexpended at the end of the 2014 Fiscal Year whether committed or uncommitted, the
5 City Council finds that the purpose of the fees is to assure that the transportation Level of
6 Service goals of the City of Long Beach as said goals are more fully set forth in the City's
7 Traffic Mitigation Program, as well as in Ordinance Nos. C-6824, C-6836, and C-6848,
8 are met with respect to the additional demands placed on the City's transportation system
9 by traffic generated from new residential and nonresidential development.

10 Section 4. In reference to Government Code Section 66001(d)(2), and
11 with respect to only that portion of the Transportation Improvement Fees Fund remaining
12 unexpended at the end of the 2014 Fiscal Year, whether committed or uncommitted, the
13 City Council finds that the findings and facts as set forth in the City's Transportation
14 Report and in Ordinance Nos. C-6824, C-6836, and C-6848 which findings and facts are
15 incorporated by reference herein, amply demonstrate that there is a reasonable
16 relationship and nexus between the fees imposed and the purpose for which said fees
17 are charged.

18 Section 5. In reference to Government Code Section 66001(d)(3), and
19 with respect to only that portion of the Transportation Improvement Fees Fund remaining
20 unexpended at the end of the 2014 Fiscal Year, whether committed or uncommitted, the
21 City Council finds that all of the sources and amounts of funding anticipated to complete
22 financing for any incomplete improvements are identified and described in Exhibit "A".

23 Section 6. In reference to Government Code Section 66001(d)(4), and
24 with respect to only that portion of the Transportation Improvement Fees Fund remaining
25 unexpended at the end of the 2014 Fiscal Year, whether committed or uncommitted, the
26 City Council finds that the approximate date on which the funding referred to in Section 5
27 is expected to be deposited into the appropriate fund is designated and described in
28 Exhibit "A".

1 Section 7. That during the 2014 Fiscal Year no refunds or allocations
2 were made pursuant to subdivision (e) or (f) of Government Code Section 66001.

3 Section 8. That the City Council does hereby adopt that certain City of
4 Long Beach Park and Recreation Facilities Impact Fee Report for Fiscal Year 2014 ("the
5 Park Fee Report"), a copy of which is attached hereto and incorporated herein by this
6 reference as Exhibit "B".

7 Section 9. That the Report attached hereto as Exhibit "B" contains all of the
8 information required pursuant to Long Beach Municipal Code Sections 18.18.160 as well
9 as the information required by California Government Code Sections 66001 and 66006.

10 Section 10. In reference to Government Code Section 66001(d)(1), and
11 with respect to only that portion of the Park Impact Fee Fund remaining unexpended at
12 the end of the 2014 Fiscal Year whether committed or uncommitted, the City Council
13 finds that the purpose of the fees is to assure that the park land and recreational facility
14 standards established by the City are met with respect to the additional needs created by
15 new residential development in the City.

16 Section 11. In reference to Government Code Section 66001(d)(2), and
17 with respect to only that portion of the Park Impact Fee Fund remaining unexpended at
18 the end of the 2014 Fiscal Year, whether committed or uncommitted, the City Council
19 finds that the findings and facts as set forth in Ordinance No. C-6567 and Ordinance No.
20 ORD-07-0036 and Resolution No. RES-07-0100 which findings and facts are
21 incorporated by reference herein, amply demonstrate that there is a reasonable
22 relationship and nexus between the fees imposed and the purpose for which said fees
23 are charged.

24 Section 12. In reference to Government Code Section 66001(d)(3), and
25 with respect to only that portion of the Park Impact Fee Fund remaining unexpended at
26 the end of the 2014 Fiscal Year, whether committed or uncommitted, the City Council
27 finds that all of the sources and amounts of funding anticipated to complete financing for
28 any incomplete improvements are identified and described in Exhibit "B".

1 Section 13. In reference to Government Code Section 66001(d)(4), and
2 with respect to only that portion of the Park Impact Fees Fund remaining unexpended at
3 the end of the 2014 Fiscal Year, whether committed or uncommitted, the City Council
4 finds that said funds have already been deposited in the City's Capital Projects Fund.

5 Section 14. That during the 2014 Fiscal Year no refunds or allocations
6 were made pursuant to subdivision (e) or (f) of Government Code Section 66001.

7 Section 15. That the City Council does hereby adopt that certain City of
8 Long Beach Fire Facilities Impact Fee Report for Fiscal Year 2014 ("the Fire Facilities
9 Fee Report"), a copy of which is attached hereto and incorporated herein by this
10 reference as Exhibit "C".

11 Section 16. That the Report attached hereto as Exhibit "C" contains all of
12 the information required pursuant to Long Beach Municipal Code Sections 18.23.140 as
13 well as the information required by California Government Code Sections 66001 and
14 66006.

15 Section 17. In reference to Government Code Section 66001(d)(1), and
16 with respect to only that portion of the Fire Facilities Impact Fee Fund remaining
17 unexpended at the end of the 2014 Fiscal Year whether committed or uncommitted, the
18 City Council finds that the purpose of the fees is to assure that the fire facility standards
19 established by the City are met with respect to the additional needs created by new
20 development in the City.

21 Section 18. In reference to Government Code Section 66001(d)(2), and
22 with respect to only that portion of the Fire Facilities Impact Fee Fund remaining
23 unexpended at the end of the 2014 Fiscal Year, whether committed or uncommitted, the
24 City Council finds that the findings and facts as set forth in Ordinance No. ORD-07-0017
25 and Resolution No. RES-07-0042 which findings and facts are incorporated by reference
26 herein, amply demonstrate that there is a reasonable relationship and nexus between the
27 fees imposed and the purpose for which said fees are charged.

28 Section 19. In reference to Government Code Section 66001(d)(3), and

1 with respect to only that portion of the Fire Facilities Impact Fees Fund remaining
2 unexpended at the end of the 2014 Fiscal Year, whether committed or uncommitted, the
3 City Council finds that all of the sources and amounts of funding anticipated to complete
4 financing for any incomplete improvements are identified and described in Exhibit "C".

5 Section 20. In reference to Government Code Section 66001(d)(4), and
6 with respect to only that portion of the Fire Facilities Impact Fees Fund remaining
7 unexpended at the end of the 2014 Fiscal Year, whether committed or uncommitted, the
8 City Council finds that said funds have already been deposited in the City's Capital
9 Projects Fund.

10 Section 21. That during the 2014 Fiscal Year no refunds or allocations
11 were made pursuant to subdivision (e) or (f) of Government Code Section 66001.

12 Section 22. That the City Council does hereby adopt that certain City of
13 Long Beach Police Facilities Impact Fee Report for Fiscal Year 2014 ("the Police
14 Facilities Fee Report"), a copy of which is attached hereto and incorporated herein by this
15 reference as Exhibit "D".

16 Section 23. That the Report attached hereto as Exhibit "D" contains all of
17 the information required pursuant to Long Beach Municipal Code Sections 18.22.140 as
18 well as the information required by California Government Code Sections 66001 and
19 66006.

20 Section 24. In reference to Government Code Section 66001(d)(1), and
21 with respect to only that portion of the Police Facilities Impact Fee Fund remaining
22 unexpended at the end of the 2014 Fiscal Year whether committed or uncommitted, the
23 City Council finds that the purpose of the fees is to assure that the police facility
24 standards established by the City are met with respect to the additional needs created by
25 new development in the City.

26 Section 25. In reference to Government Code Section 66001(d)(2), and
27 with respect to only that portion of the Police Facilities Impact Fee Fund remaining
28 unexpended at the end of the 2014 Fiscal Year, whether committed or uncommitted, the

OFFICE OF THE CITY ATTORNEY
CHARLES PARKIN, City Attorney
333 West Ocean Boulevard, 11th Floor
Long Beach, CA 90802-4664

1 City Council finds that the findings and facts as set forth in Ordinance No. ORD-07-0016
2 and Resolution No. RES-07-0041 which findings and facts are incorporated by reference
3 herein, amply demonstrate that there is a reasonable relationship and nexus between the
4 fees imposed and the purpose for which said fees are charged.

5 Section 26. In reference to Government Code Section 66001(d)(3), and
6 with respect to only that portion of the Police Facilities Impact Fees Fund remaining
7 unexpended at the end of the 2014 Fiscal Year, whether committed or uncommitted, the
8 City Council finds that all of the sources and amounts of funding anticipated to complete
9 financing for any incomplete improvements are identified and described in Exhibit "D".

10 Section 27. In reference to Government Code Section 66001(d)(4), and
11 with respect to only that portion of the Police Facilities Impact Fees Fund remaining
12 unexpended at the end of the 2014 Fiscal Year, whether committed or uncommitted, the
13 City Council finds that said funds have already been deposited in the City's Capital
14 Projects Fund.

15 Section 28. That during the 2014 Fiscal Year no refunds or allocations
16 were made pursuant to subdivision (e) or (f) of Government Code Section 66001.

17 Section 29. This resolution shall take effect immediately upon its adoption
18 by the City Council, and the City Clerk shall certify to the vote adopting this resolution.

19 I hereby certify that the foregoing resolution was adopted by the City
20 Council of the City of Long Beach at its meeting of March 24, 2015, by the
21 following vote:

22 Ayes: Councilmembers: Gonzalez, Lowenthal, Price, Mungo,
