| 5. (19-0005) Recommendation to approve the destruction of records for the Department of Development Services; and adopt resolution. | GLennis Dolce | glennisd@mac.com | | | | | | I don't see any immediate need to destroy these records. What is the reason for doing this? There some good suggestions as to by whom and where these records could be stored and archived. As a resident, I would like to see the council create an alternate plan for storage and vote no tomorrow night. There may be some info and history that we may want or need to refer to later on. No rush on this. Once they are gone, they are gone! | 1/7/2019 |
| 5. (19-0005) Recommendation to approve the destruction of records for the Department of Development Services; and adopt resolution. | Anne Proffit | anne@highpowermedia.com | | | | | | NO DESTRUCTION OF DEVELOPMENT SERVICES RECORDS. There is no just cause for this action and its despicable contents should remain for the people of this city to consume and use to stop Development Services from continuing to act against the wishes of the public. | 1/6/2019 |

The people deserve better than your despicable actions. | 1/6/2019 |

| <p>13. (19-0013) Recommendation to authorize City Manager, or designee, to execute an agreement, and any related documents, with the Helen Sanders Cat Protection and Welfare Society, of Boulder, CO, and The Little Lion Foundation, of Long Beach, CA, to partner with Long Beach Animal Care Services for the Long Beach Little Paws Project, to be housed in commercial property at 1179 East Wardlow Road, in Long Beach, from January 1, 2019 through December 31, 2019, with annual renewal options through December 31, 2023; and</p> <p>Increase appropriations in the General Fund (GF) in the Parks, Recreation and Marine Department (PR) by \$50,000, offset by revenues from Animal Care Donation Trust Accounts. (Districts 5,7)</p> | Kate Karp | doowopqueen@yahoo.com | | | | | | <p>This effort has been a long time in the making. A kitten nursery will save hundreds of tiny lives and make for adoptable spayed and neutered cats to go to good homes. A good complement for Long Beach's Community Cat TNR program.</p> | 1/8/2019 |

The lease on the Kitten Nursery was signed in September 2018 - that's several months of WASTED TIME AND MONEY. Please help get the Kitten Nursery up and running asap - before Kitten Season hits and 100s of kittens are needlessly killed at LBACS due to lack of a nursery. Thank you.</p> | 1/5/2019 |
