3 THIS CONTRACT is made and entered, in duplicate, as of September 29,
4 2014 for reference purposes only, pursuant to a minute order adopted by the City Council
5 of the City of Long Beach at its meeting held on September 16, 2014, by and between
6 GRIFFITH COMPANY, a California corporation ("Contractor"), whose address is 12200
7 Bloomfield Avenue, Santa Fe Springs, California 90670, and the CITY OF LONG
8 BEACH, a municipal corporation ("City").

9 WHEREAS, pursuant to a "Notice Inviting Bids for Rehabilitation of Access
10 to Taxiways E and F, Phase II at the Long Beach Airport in the City of Long Beach,
11 California," dated June 13, 2014, and published by City, bids were received, publicly
12 opened and declared on the date specified in said Notice; and

13 WHEREAS, the City Manager accepted the bid of Contractor; and

14 WHEREAS, the City Council authorized the City Manager to enter a
15 contract with Contractor for the work described in Project Plans and Specifications No. R-
16 6957;

17 NOW, THEREFORE, in consideration of the mutual terms and conditions
18 herein, the parties agree as follows:

19 1. SCOPE OF WORK. Contractor shall furnish all necessary labor,
20 supervision, tools, materials, supplies, appliances, equipment and transportation for the
21 work described in "Project Plans and Specifications No. R-6957 for Rehabilitation of
22 Access to Taxiways E and F, Phase II at the Long Beach Airport in the City of Long
23 Beach, California," said work to be performed according to the Contract Documents
24 identified below. However, this Contract is intended to provide to City complete and
25 finished work and, to that end, Contractor shall do everything necessary to complete the
26 work, whether or not specifically described in the Contract Documents.

27 2. PRICE AND PAYMENT.

28 A. City shall pay to Contractor the amount(s) for materials and

1 work identified in Contractor's "Bid for Rehabilitation of Access to Taxiways E and
2 F, Phase II at the Long Beach Airport in the City of Long Beach, California,"
3 attached hereto as Exhibit "A".

4 B. Contractor shall submit requests for progress payments and
5 City will make payments in due course of payments in accordance with Section 9
6 of the Standard Specifications for Public Works Construction (latest edition).

7 3. CONTRACT DOCUMENTS.

8 A. The Contract Documents include: The Notice Inviting Bids,
9 Project Specifications No. R-6957 (which may include by reference the Standard
10 Specifications for Public Works Construction, latest edition, and any supplements
11 thereto, collectively the "Standard Specifications"); the City of Long Beach
12 Standard Plans; Project Plans No. B-4598 for this work; the California Code of
13 Regulations; the various Uniform Codes applicable to trades; the prevailing wage
14 rates; Instructions to Bidders; the Bid; the bid security; the City of Long Beach
15 Disadvantaged, Minority and Women-Owned Business Enterprise Program; this
16 Contract and all documents attached hereto or referenced herein including but not
17 limited to insurance; Bond for Faithful Performance; Payment Bond; Notice to
18 Proceed; Notice of Completion; any addenda or change orders issued in
19 accordance with the Standard Specifications; any permits required and issued for
20 the work; approved final design drawings and documents; and the Information

22 reference and form a part of this Contract.

23 B. Notwithstanding Section 2-5.2 of the Standard Specifications,

25 Documents, the following priority shall govern: 1) Permit(s) from other public
26 agencies; 2) Change Orders; 3) this Contract (including any and all amendments
27 hereto); 4) Addenda (which shall include written clarifications, corrections and
28 changes to the bid documents and other types of written notices issued prior to bid

5 4. TIME FOR CONTRACT. Contractor shall commence work on a date
6 to be specified in a written "Notice to Proceed" from City and shall complete all work
7 within two hundred fifteen (215) working days thereafter, subject to strikes, lockouts and
8 events beyond the control of Contractor. Time is of the essence hereunder. City will
9 suffer damage if the work is not completed within the time stated, but those damages
10 would be difficult or impractical to determine. So, Contractor shall pay to City, as
11 liquidated damages, the amount stated in the Contract Documents.

12 5. ACCEPTANCE OF WORK NOT TO CONSTITUTE A WAIVER. The
13 acceptance of any work or the payment of any money by City shall not operate as a
14 waiver of any provision of any Contract Document, of any power reserved to City, or of
15 any right to damages or indemnity hereunder. The waiver of any breach or any default
16 hereunder shall not be deemed a waiver of any other or subsequent breach or default.

17 6. WORKERS' COMPENSATION CERTIFICATION. Concurrently
18 herewith, Contractor shall submit certification of Workers' Compensation coverage in
19 accordance with California Labor Code Sections 1860 and 3700, a copy of which is
20 attached hereto as Exhibit "B".

21 7. CLAIMS FOR EXTRA WORK. No claim shall be made at any time
22 upon City by Contractor for and on account of any extra or additional work performed or
23 materials furnished, unless such extra or additional work or materials shall have been
24 expressly required by the City Manager and the quantities and price thereof shall have
25 been first agreed upon, in writing, by the parties hereto.

26 8. CLAIMS. Contractor shall, upon completion of the work, deliver
27 possession thereof to City ready for use and free and discharged from all claims for labor
28 and materials in doing the work and shall assume and be responsible for, and shall

1 protect, defend, indemnify and hold harmless City from and against any and all claims,
2 demands, causes of action, liability, loss, costs or expenses for injuries to or death of
3 persons, or damages to property, including property of City, which arises from or is
4 connected with the performance of the work.

5 9. INSURANCE. Prior to commencement of work, and as a condition
6 precedent to the effectiveness of this Contract, Contractor shall provide to City evidence
7 of all insurance required in the Contract Documents.

8 In addition, Contractor shall complete and deliver to City the form
9 ("Information Sheet") attached as Exhibit "C" and incorporated by reference, to comply
10 with Labor Code Section 2810.

11 10. WORK DAY. Contractor shall comply with Sections 1810 through
12 1815 of the California Labor Code regarding hours of work. Contractor shall forfeit, as a
13 penalty to City, the sum of Twenty-Five Dollars (\$25) for each worker employed by
14 Contractor or any subcontractor for each calendar day such worker is required or
15 permitted to work more than eight (8) hours unless that worker receives compensation in
16 accordance with Section 1815.

17 11. PREVAILING WAGE RATES. Contractor is directed to the
18 prevailing wage rates. Contractor shall forfeit, as a penalty to the City, Two Hundred
19 Dollars (\$200) for each laborer, worker or mechanic employed for each calendar day, or
20 portion thereof, that such laborer, worker or mechanic is paid less than the prevailing
21 wage rates for any work done by Contractor, or any subcontractor, under this Contract.

22 12. COORDINATION WITH GOVERNMENTAL REGULATIONS.

23 A. If the work is terminated pursuant to an order of any Federal
24 or State authority, Contractor shall accept as full and complete compensation
25 under this Contract such amount of money as will equal the product of multiplying
26 the Contract price stated herein by the percentage of work completed by
27 Contractor as of the date of such termination, and for which Contractor has not
28 been paid. If the work is so terminated, the City Engineer, after consultation with

1 Contractor, shall determine the percentage of work completed and the
2 determination of the City Engineer shall be final.

3 B. If Contractor is prevented, in any manner, from strict
4 compliance with the Plans and Specifications due to any Federal or State law, rule
5 or regulation, in addition to all other rights and remedies reserved to the parties
6 City may by resolution of the City Council suspend performance hereunder until
7 the cause of disability is removed, extend the time for performance, make changes
8 in the character of the work or materials, or terminate this Contract without liability
9 to either party.

10 13. NOTICES.

11 A. Any notice required hereunder shall be in writing and
12 personally delivered or deposited in the U.S. Postal Service, first class, postage
13 prepaid, to Contractor at the address first stated herein, and to the City at 333
14 West Ocean Boulevard, Long Beach, California 90802, Attn: City Manager. Notice
15 of change of address shall be given in the same manner as stated herein for other
16 notices. Notice shall be deemed given on the date deposited in the mail or on the
17 date personal delivery is made, whichever first occurs.

18 B. Except for stop notices and claims made under the Labor
19 Code, City will notify Contractor when City receives any third party claims relating
20 to this Contract in accordance with Section 9201 of the Public Contract Code.

21 14. BONDS. Contractor shall, simultaneously with the execution of this
22 Contract, execute and deliver to City a good and sufficient corporate surety bond, in the
23 form attached hereto and in the amount specified therein, conditioned upon the faithful
24 performance of this Contract by Contractor, and a good and sufficient corporate surety
25 bond, in the form attached hereto and in the amount specified therein, conditioned upon
26 the payment of all labor and material claims incurred in connection with this Contract.

27 15. COVENANT AGAINST ASSIGNMENT. Neither this Contract nor
28 any of the moneys that may become due Contractor hereunder may be assigned by

1 Contractor without the written consent of City first had and obtained, nor will City
2 recognize any subcontractor as such, and all persons engaged in the work of
3 construction will be considered as independent contractors or agents of Contractor and
4 will be held directly responsible to Contractor.

5 16. CERTIFIED PAYROLL RECORDS.

6 A. Contractor shall keep and shall cause each subcontractor
7 performing any portion of the work under this Contract to keep an accurate payroll
8 record, showing the name, address, social security number, work classification,
9 straight time and overtime hours worked each day and week, and the actual per
10 diem wages paid to each journeyman, apprentice, worker, or other employee
11 employed by Contractor or subcontractor in connection with the work, all in
12 accordance with Division 2, Part 7, Article 2 of the California Labor Code. Such
13 payroll records for Contractor and all subcontractors shall be certified and shall be
14 available for inspection at all reasonable hours at the principal office of Contractor
15 pursuant to the provisions of Section 1776 of the Labor Code. Contractor's failure
16 to furnish such records to City in the manner provided herein for notices shall
17 entitle City to withhold the penalty prescribed by law from progress payments due
18 to Contractor.

19 B. Upon completion of the work, Contractor shall submit to the
20 City certified payroll records for Contractor and all subcontractors performing any
21 portion of the work under this Contract. Certified payroll records for Contractor
22 and all subcontractors shall be maintained during the course of the work and shall
23 be kept by Contractor for up to three (3) years after completion of the work.

24 C. The foregoing is in addition to, and not in lieu of, any other
25 requirements or obligations established and imposed by any department of the
26 City with regard to submission and retention of certified payroll records for
27 Contractor and subcontractors.

28 17. RESPONSIBILITY OF CONTRACTOR. Notwithstanding anything to

1 the contrary in the Standard Specifications, Contractor shall have the responsibility, care
2 and custody of the work. If any loss or damage occurs to the work that is not covered by
3 collectible commercial insurance, excluding loss or damage caused by earthquake or
4 flood or the negligence or willful misconduct of City, then Contractor shall immediately
5 make the City whole for any such loss or pay for any damage. If Contractor fails or
6 refuses to make the City whole or pay, then City may do so and the cost and expense of
7 doing so shall be deducted from the amount due Contractor from City hereunder.

8 18. CONTINUATION. Termination or expiration of this Contract shall not
9 terminate the rights or liabilities of either party which rights or liabilities accrued or existed
10 prior to termination or expiration of this Contract.

11 19. TAXES AND TAX REPORTING.

12 A. As required by federal and state law, City is obligated to and
13 will report the payment of compensation to Contractor on Form 1099-Misc.
14 Contractor shall be solely responsible for payment of all federal and state taxes
15 resulting from payments under this Contract. Contractor shall submit Contractor's
16 Employer Identification Number (EIN), or Contractor's Social Security Number if
17 Contractor does not have an EIN, in writing to City's Accounts Payable,
18 Department of Financial Management. Contractor acknowledges and agrees that
19 City has no obligation to pay Contractor until Contractor provides one of these
20 numbers.

21 B. Contractor shall cooperate with City in all matters relating to
22 taxation and the collection of taxes, particularly with respect to the self-accrual of
23 use tax. Contractor shall cooperate as follows: (i) for all leases and purchases of

3 in the previous calendar year.

4 C. Contractor shall create and operate a buying company, as
5 defined in State of California Board of Equalization Regulation 1699, subpart (h),
6 in City if Contractor will purchase over \$10,000 in tangible personal property
7 subject to California sales and use tax.

10 address for its mailing address. Copies of the form and permit(s) shall also be
11 delivered to the City Engineer. The form must be submitted and the permit(s)
12 obtained as soon as Contractor receives a Notice to Proceed. Contractor shall not
13 order any materials or equipment over \$100,000 from vendors outside California
14 until the form is submitted and the permit(s) obtained and, if Contractor does so, it
15 shall be a material breach of this Contract. In addition, Contractor shall make all
16 purchases from the Long Beach sales office of its vendors if those vendors have a
17 Long Beach office and all purchases made by Contractor under this Contract
18 which are subject to use tax of \$500,000 or more shall be allocated to the City of
19 Long Beach. Contractor shall require the same cooperation with City, with regards
20 to subsections B, C and D under this section (including forms and permits), from
21 its subcontractors and any other subcontractors who work directly or indirectly

9 work to be performed hereunder does not constitute a peculiar risk of bodily harm and
10 that no special precautions are required to perform said work.

11 23. THIRD PARTY BENEFICIARY. This Contract is intended by the
12 parties to benefit themselves only and is not in any way intended or designed to or
13 entered for the purpose of creating any benefit or right of any kind for any person or entity
14 that is not a party to this Contract.

15 24. SUBCONTRACTORS. Contractor agrees to and shall bind every
16 subcontractor to the terms of this Contract; provided, however, that nothing herein shall
17 create any obligation on the part of City to pay any subcontractor except in accordance
18 with a court order in an action to foreclose a stop notice. Failure of Contractor to comply
19 with this Section shall be deemed a material breach of this Contract. A list of
20 subcontractor(s) submitted by Contractor in compliance with Public Contract Code

27 shall not be deemed compliance with or a waiver of any requirements of the Contract
28 Documents.

1 26. GOVERNING LAW. This Contract shall be governed by and
2 construed pursuant to the laws of the State of California (except those provisions of
3 California law pertaining to conflicts of laws).

5 identified in Section 3 hereof, constitutes the entire understanding between the parties
6 and supersedes all other agreements, oral or written, with respect to the subject matter
7 herein.

8 28. NONDISCRIMINATION. In connection with performance of this

10 discriminate in employment or in the performance of this Contract on the basis of race,
11 religion, national origin, color, age, sex, sexual orientation, gender identity, AIDS, HIV
12 status, handicap or disability. It is the policy of the City to encourage the participation of
13 Disadvantaged, Minority and Women-Owned Business Enterprises, and the City
14 encourages Contractor to use its best efforts to carry out this policy in the award of all
15 subcontracts.

16 29. EQUAL BENEFITS ORDINANCE. Unless otherwise exempted in
17 accordance with the provisions of the Ordinance, this Contract is subject to the applicable
18 provisions of the Equal Benefits Ordinance ("EBO"), section 2.73 et seq. of the Long

2 deemed to be a material breach of the Contract by the City.

3 C. If the Contractor fails to comply with the EBO, the City may
4 cancel, terminate or suspend the Contract, in whole or in part, and monies due or
5 to become due under the Contract may be retained by the City. The City may also
6 pursue any and all other remedies at law or in equity for any breach.

11 its contracting entity for the purpose of evading the intent of the EBO, the City may
12 terminate the Contract on behalf of the City. Violation of this provision may be
13 used as evidence against the Contractor in actions taken pursuant to the
14 provisions of Long Beach Municipal Code section 2.93 et seq., Contractor
15 Responsibility.

USE TAX DIRECT PAYMENT PERMIT
(General Information and Filing Instructions)

Revenue and Taxation Code section 7051.3 authorizes the State Board of Equalization to issue a *Use Tax Direct Payment Permit* to qualified applicants. This permit allows purchasers and lessees of tangible personal property (other than lessees of motor vehicles the lease of which is subject to the terms of section 7205.1 of the Sales and Use Tax Law) to self-assess and pay use taxes directly to the Board instead of to the vendor or lessor from whom the property is purchased or leased.

Permit holders will be provided with a *Use Tax Direct Payment Exemption Certificate* which they can issue to retailers and lessors when they purchase tangible personal property subject to use tax or make qualified leases of tangible personal property. Vendors who timely take the certificate in good faith from a permit holder are relieved of the duty to collect use taxes on the sales for which the certificate was issued. Permit holders who acquire property under a certificate must self-assess and report the use taxes directly to the Board on their tax returns, and allocate the local taxes to the county, city, city and county, or redevelopment agency in which the property is first used. Permit holders who fail to properly pay any use taxes that are due on property for which a certificate was given are subject to interest and penalties assessments in addition to their tax liability.

To qualify for a *Use Tax Direct Payment Permit*, an applicant must meet the following conditions:

- (1) The applicant must agree to self-assess and pay directly to the Board any use tax which is due on property for which a use tax direct payment exemption certificate was given; and
- (2) The applicant must certify to the Board either of the following:
 - (A) The applicant has purchased or leased for its own use tangible personal property subject to use tax which cost five hundred thousand dollars (\$500,000) or more in the aggregate, during the calendar year immediately preceding the application for the permit; or
 - (B) The applicant is a county, city, city and county, or redevelopment agency.

Persons wishing to obtain a use tax direct payment permit must be pre-qualified and either hold a California seller's permit or a consumer use tax account.

Persons other than governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under conditions of Part (2)(A) above, and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Persons other than governmental entities who are not required to hold a seller's permit and who do not currently hold a consumer use tax account must obtain a consumer use tax account and then complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(A) above and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

Governmental entities who do not hold a California seller's permit or a consumer use tax account must obtain a consumer use tax account and then complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

The completed *Application for Use Tax Direct Payment Permit*, certification statement, and qualifying documentation should be returned to the address shown below. Upon determination that the applicant qualifies, a *Use Tax Direct Payment Permit* and a *Use Tax Direct Payment Exemption Certificate* will be mailed to the applicant.

If you would like additional information regarding the *Use Tax Direct Payment Permit* or need assistance in completing this application, you can call 916-445-5167, or write to the Board of Equalization, Compliance Policy Unit, P.O. Box 942879, Sacramento, CA 94279-0040.
