City of Long Beach
Honorable Mayor
City Council Members
Subject: Homeless Shelter

Dear Mayor and Council Members:

The Long Beach Central Area Association maintains a seat on the Central Project Area Committee and we strongly support the proposed Homeless Shelter at 1368 Oregon Ave. The need is overwhelming, the location is good, and the provider has an excellent reputation.

Please accept the recommendation of City Planning and approve the proposed Homeless Shelter.

Appreciably,

John Malveaux
President
