January 2, 2007

HONORABLE MAYOR AND CITY COUNCIL  
City of Long Beach  
California

### RECOMMENDATION:

Authorize the City Manager to execute an Assignment Consent Agreement for Facility/Pipeline Permit Supplement No. S-107-84 from Lomita Gasoline Company, Inc., to Elliott Ten Eyck Limited, in accordance with Section 15.44.220, Permit-Transfer, of the City of Long Beach Municipal Code. (District 3)

### DISCUSSION

Lomita Gasoline Company, Inc., is requesting consent to assign its interest in Facility/Pipeline Permit Supplement No. S-107-84, under Facility/Pipeline Permit No. P-190-96, to Elliott Ten Eyck Limited. This assignment will include 2,227 feet of a 4-inch gas pipeline and 1,755 feet of a 6-inch gas pipeline. The route of the pipelines in City property is shown on the attached vicinity map.

Since this is only a transfer of ownership with no use modifications, there will be no street excavation required as a result of this action. Liability insurance and bonding for faithful performance, as required by Section 15.44.220, Permit-Transfer, of the Long Beach Municipal Code, will be processed following City Council authorization of the consent for assignment.

This matter was reviewed by Deputy City Attorney Lori A. Conway on December 13, 2006.

### TIMING CONSIDERATIONS

City Council action on this matter is not time critical.

### FISCAL IMPACT

An estimated annual permit fee of \$2,653.41 for the pipeline will be deposited to the General Fund (GP) in the Department of Public Works (PW).
