2. The proposed occupancy will not now or at any time interfere with continued public use of the public street right-of-way; and
3. There is no present or foreseeable conflicting public need for the proposed use of the public street right-of-way area and its temporary withdrawal from public use will not be injurious or detrimental to the public; and

1 4. This use of a portion of the public street right-of-way is consistent with
2 proper and lawful street uses and the use is approved; and

3 5. The City Engineer has determined that this use is in compliance with
4 Chapter 14.14 of the Long Beach Municipal Code, all related to temporary use of the public
5 rights-of-way.

6 The use of the public street right-of-way is granted upon and subject to the
7 following terms and conditions:

8 1. The minimum width of the public walkway shall be ten (10) feet, or as
9 otherwise approved by the City Council pursuant to Chapter 14.14 of the Long Beach
10 Municipal Code, and any obstruction must permit at least five (5) feet of unobstructed area
11 of public walkway.

12 2. The obstruction shall abut the property and not be located in a manner
13 which interferes with the flow of pedestrian or other traffic.

14 3. The maximum height of any such obstruction shall be six (6) feet and
15 all such obstructions shall be entirely portable, except as specifically authorized by the City
16 Engineer. This height limit shall not apply to a Canopy, the height of which shall be
17 determined by the City Engineer in consultation with the Fire Marshall and the Building
18 Official in conformity with all state and local laws and regulations.

19 4. This Permit may be immediately suspended for a designated time
20 period at any time in the event that, in the discretion of the City Council or City Manager,
21 such obstruction would interfere with street improvement activities, construction activities,
22 cleaning efforts or other similar activities.

23 5. The obstruction shall be kept in a good state of repair and in a safe,
24 sanitary, and attractive condition.

25 6. Such obstructions may not be located within twenty (20) feet from an
26 intersection (measured to the prolongation of the near curb of the intersecting street) or
27 within ten (10) feet from a driveway or alley (measured to the near end of the fully
28 depressed portion of an apron-type driveway or to the prolongation of the near curb of the

1 driveway) unless otherwise approved by the City Council pursuant to the considerations
2 specified in Chapter 14.14 of the Long Beach Municipal Code.

3 7. The public street right-of-way shall be used by Permittee only for the
4 obstructions described above and in the area shown on Exhibit "A".

5 8. The area in front of the entrance to the business shall not be
6 obstructed by barricades, chairs, tables or other furniture.

7 9. The Permittee shall place all obstructions, and any accessories or
8 equipment located within a dining or entertainment area, in strict accordance with Fire
9 Department and Health and Human Services Department standards and contained within
10 Chapter 14.14 of the City of Long Beach Municipal Code, as amended from time to time.
11 If the area that is the subject of this Permit is within a redevelopment area, Permittee must
12 also comply with all limitations imposed by the Redevelopment Agency as part of an
13 approved master plan or design guidelines.

14 10. No surface improvements, included but not limited to special paving
15 surfaces, may be removed or altered by the Permittee unless approved in advance in
16 writing by the City Engineer.

17 11. The Permittee shall not allow cleaning chemicals, or other foreign
18 matter to flow into the parkway tree well, and shall otherwise protect the health of adjacent
19 street trees, and shall likewise prevent the discharge of litter, cleaning chemicals and all
20 other foreign matter to the storm drain system.

21 12. The Permittee shall protect any parkway trees in the immediate vicinity
22 of the permit area from damage due to the Permittee's cleaning or other activities on the
23 public walkway. The Permittee shall not interfere with City's access to parkway trees for
24 maintenance purposes. Any special maintenance of the parkway trees is the responsibility
25 of the Permittee and must be performed by a qualified landscape contractor acting under
26 a permit from the City's Street Landscaping Division. City shall not be held financially
27 responsible for damage to Permittee's sidewalk furniture or awnings occurring in the course
28 of regular street tree maintenance.

1 13. Upon any termination of this Permit, whether by revocation or
2 otherwise, Permittee shall remove the obstructions authorized by this Permit at the sole
3 discretion of the City Engineer and shall otherwise restore the public street right-of-way to
4 a condition substantially the same as existed immediately prior to the occupancy provided
5 for by this Permit. Should Permittee fail or refuse to remove the obstructions, City may do
6 so and, in such event, the security deposit paid by Permittee shall be applied to City's
7 costs. Permittee shall reimburse City for any costs in excess of the security deposit. In
8 the event of removal by City of all or any portion of the obstructions, City shall not be liable
9 for any damage to or loss of any property of Permittee.

10 14. The following additional conditions shall apply to public walkway
11 occupancy permits for dining or entertainment areas:

12 A. Any dining or entertainment area shall be defined by placement
13 of sturdy fencing or other suitable barriers, not to exceed forty-eight (48) inches in height,
14 as approved by the City Engineer. Such barriers may only be affixed to public property
15 with the prior approval of the City Engineer.

16 B. All accessories to dining or entertainment uses such as plants
17 or planter boxes, umbrellas, podiums, menu boards, musical equipment and heaters may
18 not exceed those enumerated on Exhibit "A", and must be located inside the barrier, as
19 shown on Exhibit "A".

20 C. All dining and entertainment which takes place on the public
21 right-of-way shall conform to the requirements of Chapter 8.80 of the Long Beach Municipal
22 Code regarding noise. Complaints regarding noise shall be logged by city staff and may
23 be the basis for suspension, cancellation, or non-renewal of a permit.

24 D. The Permittee shall be responsible for cleaning the public
25 walkway occupied by a dining or entertainment area.

26 15. Any permit issued within the Downtown Area as defined on Exhibit "B"
27 and made a part of this Permit shall comply with all of the foregoing requirements and the
28 following additional requirements:

1 A. Except as authorized as a Canopy pursuant to the terms and
2 conditions set forth on Exhibit "D", if any is attached, no tents or windbreaks may be used
3 in, over, or around any portion of the public right-of-way, including but not limited to the
4 area that is the subject of this Permit.

5 B. Temporary banners, not exceeding the height of the barrier and
6 attached to the barrier are permitted for a two (2) week period no more than four (4) times
7 per year.

8 C. Menu boards must be portable, located within the dining area,

13 downtown area: television monitors, canopies and A-frame signs.

14 Upon expiration, a new permit must be obtained on the basis of a new
15 application and payment of a new fee and any security deposit amount due. Renewal of
16 the Permit is not automatic and there is no right or entitlement to any use of the public right-
17 of-way. Security deposits may be adjusted from year to year based on permit compliance
18 and enforcement cost history. This Permit shall never be construed as the grant by City of
19 any right to permanently use or occupy all or any portion of the public right-of-way; nor shall
20 it ever be construed as a waiver on the part of City, or as an estoppel against it, which
21 would in any manner whatsoever bar or limit, or otherwise prejudice, its right to at any time
22 whatsoever require a discontinuance of the use or occupancy of all or any part of the public
23 street right-of-way, the removal therefrom of all or any obstructions erected or maintained
24 under this Permit and the restoration of such public street right-of-way to a clean condition,
25 all at the sole cost and expense of Permittee.

26 Notices of violation of any of the terms and conditions of this Permit may be
27 issued by the City of Long Beach. Within the downtown area as defined on Exhibit "B",
28 preliminary informal notices may be issued by Downtown Long Beach Associates. The

1 enforcement process is set forth on Exhibit "C", attached hereto, and made a part of this
2 Permit. Notwithstanding the above, City may revoke this Permit at any time by giving thirty
3 (30) days written notice to Permittee or cancel the Permit for noncompliance with its terms.
4 Such notice shall be signed by the City Manager, postage pre-paid, and addressed to
5 Permittee at its address provided above.

6 Permittee accepts this public right-of-way in its present condition and agrees
7 to maintain the same in a safe, clean, and orderly condition. Any and all uses made of the
8 public right-of-way shall be at the sole risk, cost, and expense of Permittee. Permittee, by
9 its acceptance of this Permit, agrees to indemnify, defend, save and keep City, its officers,
10 agents and employees free and harmless from and against any and all liability as well as
11 from and against any and all loss, claims, demands, damages, expenses and costs of
12 whatsoever nature arising out of or in any manner resulting, directly or indirectly, from
13 Permittee's operations on or the condition, use or misuse of the public street right-of-way,
14 including liability, claims or damages to or as a result of any structures or fixtures on the
15 public street right-of-way or appurtenances to it.

16 In partial performance of this obligation, Permittee shall obtain and keep in
17 full force and effect such public liability insurance and property damage insurance as
18 required by the Long Beach Municipal Code.

19 Nothing in this Permit shall be construed to excuse compliance by Permittee
20 with any and all of the laws and ordinances of the City and State; neither shall this Permit
21 be deemed to obviate the necessity of Permittee's obtaining such other permits or licenses
22 as are required to conduct specific activities within the area, including but not limited to
23 entertainment or the sale, service or consumption of alcoholic beverages.

24 16. The terms of this Permit shall be enforced by the procedure set forth
25 on Exhibit "C", attached and made a part of this Permit.

28 this Permit to be kept and performed on the part of Permittee, Permittee shall pay to City

5 assignees and shall entitle the City Manager, at his discretion, to terminate this Permit.

6 The acceptance of this Permit by Permittee shall be endorsed on this Permit
7 and shall be an acceptance by Permittee of all of the terms and conditions of this Permit
