Subject: Rejecting additional car wash on PCH

-EXTERNAL-

Dear Alex,

I strongly oppose the proposed car wash project on 1911 E. PCH.

There are already too many car washes in that specific area, just blocks away from each other. Furthermore, we are in the middle of a drought and I truly think it's irresponsible to add another water dependent business.

The space could be used much more purposefully, in regards of the improvement of the community at large.

Please consider my opinion when moving forward.

Best,
Sandra Kashani

I am 100% against the project on 1911 E PCH.

There are too many car washes on PCH and especially close to the proposed project.

We don't need another car wash on 6th district. There is already one car wash 2 blocks away. Thank you.
