HONORABLE MAYOR AND CITY COUNCIL
City of Long Beach
California

RECOMMENDATION:

Receive the supporting documentation into the record, conclude the hearing and grant a permit with conditions on the application of J.M. Johnston & Associates, Inc., DBA 49rs Tavern, 5660 East Pacific Coast Hwy. #A, for Entertainment without Dancing by Patrons. (District 3)

DISCUSSION

The Long Beach Municipal Code (LBMC) requires an application be filed and a hearing be held before the City Council whenever this type of activity is requested and before an entertainment permit is granted or denied.

The LBMC also requires that the City Council shall approve the issuance of the entertainment permit if they find that: the issuance of the permit at the proposed location is consistent with federal, state and local laws, rules, and regulations; it will not constitute an undue burden on the neighborhood; the applicant(s) or responsible persons have not been convicted of any misdemeanor involving moral turpitude or felony offense within the past five years; and, neither the applicant(s) or any responsible persons have a history of committing significant violations of the City code and have not provided false or misleading information on their application.

The City Council has the authority to approve the following options: 1) grant the Permit, with or without conditions; or 2) deny the Permit on the application. Once the Permit is granted, pursuant to LBMC 5.72.120.5, the Permit will be subject to an administrative review by the Department of Financial Management every two years. This review process will consist of a multi-department analysis to determine compliance and identify if issues exist. This provision does not affect the City's ability to modify, revoke or suspend a permit at any time.

City departments have conducted their investigations in accordance with the LBMC. Attached for your review are the departmental investigative reports, history, entertainment permit application and floor plan. To review all supportive documents, as well as the documents included in this report, you may visit www.longbeach.gov/finance/business_relations/entertainment.asp.

The following summarizes departmental findings:

- The Police Department recommends that the permit for entertainment without dancing by patrons be approved subject to the conditions.

- The Fire Department finds that the building/location meets department requirements for the proposed use.
- The Health and Human Services Department finds that the building/location meets department requirements for the proposed use with the condition that the establishment remain in compliance with the Long Beach Noise Ordinance (LBMC Chapter 8.80).
- The Development Services Department finds that the building/location meets department requirements for the proposed use.

The Department of Financial Management, Business Relations Bureau, has reviewed all submitted department documents and correspondence and, after a thorough investigative process, recommends that the permit for entertainment without dancing by patrons be approved subject to conditions (attached).

In the event that any of the recommended conditions are in conflict with other permits or licenses, the permittee shall adhere to the strictest of the applicable conditions. This location has been licensed as a restaurant with alcohol since August of 2010.

This matter was reviewed by Deputy City Attorney Amy R. Webber on January 17, 2013.

TIMING CONSIDERATIONS

The hearing date of February 5, 2013, has been posted on the business location, with the applicant and property owners within 300 feet notified by mail.

FISCAL IMPACT

The following fees were collected with the application: Building Review \$22 and Zoning Review \$16 (Development Services), Police Investigation \$1,218 (Police Department), and Labels \$90 (Financial Management Department).

The following fees will be collected if the application is approved: Business License \$330.57 and Regulatory \$287 (Financial Management Department).

CONDITIONS OF OPERATION

1. The operation of the establishment shall be limited to those activities and elements expressly indicated on the permit application and approved by the City Council. 10. The permittee shall employ his/her own discretion in determining the level of security necessary to prevent violations of law and any other disturbances arising out of or in connection with business operations. Should the permittee's operations give rise to a substantial increase in complaints/calls for police service, or trash left in the parking lot, the permittee shall increase security staff, implement the use of electronic metal detection equipment, increase outside lighting, or make other changes to the premises or operation as the Chief of Police determines are necessary to protect the safety of the public.
11. The permittee shall take reasonable measures to prohibit and prevent the loitering of persons immediately outside any of the entrance/exit doors and the parking lot, at all times while open for business. This should be done by use of security guards and signage indicating words to the effect of, "Please respect our neighbors" or something similar.
12. At the conclusion of each event, the permittee shall take reasonable measures to ensure that exiting patrons walk directly to their vehicles, and not loiter in the parking lot or the immediate area.
13. The permittee agrees to reimburse the City whenever excessive police services, as determined by the Chief of Police, are required as the result of any incident or nuisance arising out of or in connection with the permittee's operations.
14. The permittee shall install and maintain a video surveillance system that monitors no less than the front and rear of the business with full view of the public right-of-ways and any parking lot under the control of the permittee. At the discretion of the Chief of Police, the permittee may be required to add additional video cameras.

15. Current occupancy loads shall be posted at all times, and the permittee shall have an effective system to keep count of the number of occupants present at any given time and provide that information to public safety personnel upon request.
16. Any graffiti painted or marked upon the premises, or on any adjacent area under the control of the licensee, shall be removed or painted over within 24 hours of being applied.
17. The permittee shall not hire promoters with the intent to advertise/promote or hold any entertainment activities consistent with nightclub entertainment.
18. All promoters must have or obtain a City of Long Beach Business License **prior to** conducting entertainment activities governed by this permit. The permittee shall be responsible for all entertainment activities at the location, including those conducted by promoters.
19. Distribution of any advertising matter upon private property shall adhere to the following guidelines: By placing the same matter in a receptacle, clip, or other device designed or intended to receive advertising matter. The permittee shall keep all agent and promoter's contracts, including names, addresses and phone numbers, on file at all times, and must be available for inspection at anytime.
20. If the permittee utilizes an independent third party event promoter to provide entertainment related services resulting in any public safety call for service, the City reserves the right to remove and/or restrict the use of independent third party promoters.

Subject: **APPLICATION FOR ENTERTAINMENT WITHOUT DANCING PERMIT
49RS TAVERN – 5660 EAST PACIFIC COAST HIGHWAY**

The Police Department recommends **approval** of this application for an Entertainment without Dancing Permit, by J.M. Johnston & Associates, Incorporated, dba 49rs Tavern, located at 5660 East Pacific Coast Highway, subject to the previously submitted conditions.

The 49rs Tavern is located on the southeast corner of Pacific Coast Highway and Bellflower Boulevard. The establishment serves American cuisine for lunch and dinner, and will provide live music during the evening hours. The business is owned and operated by Tracy Kittinger who also holds a Type 47 (On-Sale General Eating Place) Alcoholic Beverage Control license. On June 29, 2012, the 49rs Tavern applied for an Entertainment Permit Without Dancing by Patrons requesting live amplified music, a disc jockey, karaoke music, and **dancing by performers only**.

Based upon the Vice Section's investigation and the East Division Patrol Commander's recommendation, the Long Beach Police Department has determined the public peace, safety, and welfare would not be adversely impacted by the issuance of this permit provided the appropriate conditions are imposed and observed by the applicant. The Police Department recommends **approval** of the requested permit, subject to the conditions provided in the attached memorandum.

- √ This Entertainment Permit is accessory to the primary business, which is a restaurant. The authorization to provide entertainment on-site is subject to the use remaining as a restaurant, meaning a bona fide eating place serving actual and substantial meals.

“Meals” means the usual assortment of foods commonly ordered at various hours of the day; the service of such food only as sandwiches or salads shall not be deemed compliant with this requirement. Meals must consist of food prepared on the premises. Hours of sales of alcohol shall be limited to the hours when meals are available.

The premises must be equipped and maintained in good faith. The premises must possess working refrigeration, cooking equipment, utensils, menus, and enough food to make substantial meals.

In the event the primary business ceases operations, fails to operate as a bona fide eating place, fails to serve actual and substantial meals or otherwise fails to comply with this condition, the Entertainment Permit becomes null and void.

- The permittee shall not convert the restaurant, or any portion thereof, into a dance/night club. All entertainment activities shall be conducted in conjunction with regular dining or pre-planned banquet activities. A banquet is defined as a function held at a bonafide eating place wherein complete and substantial meals are provided to the persons in attendance by the management of the restaurant where the function is being held. Fast food, snacks, and hors d'oeuvres shall not constitute a complete and substantial meal.
- √ The establishment shall remain in compliance with all applicable sections of the Long Beach Noise Ordinance (LBMC Chapter 8.80).
- √ Noise emanating from the permittee's premises shall not be audible beyond fifty feet (50') from the property line of the premises. The permittee shall be responsible for determining how to best meet this requirement, either by keeping doors and windows closed, limiting hours of entertainment, or by offering non-amplified entertainment.
- The permittee shall comply with the requirements of LBMC Sec. 8.80 (Noise) at all times. In addition, in response to a complaint, the Police Department will enforce Penal Code Section 415 (disturbing the peace) and all other state and local provisions related to the “public peace.” Permittee shall conduct all aspects of his or her operation, including before and after-hours deliveries and maintenance, in consideration of residences located nearby. Permittee agrees that the following standard is reasonable: Noise emanating from Permittee's premises shall not be audible from the middle of the street adjoining the premises.
- Due to the proximity of neighboring businesses and residences, all door(s) and windows shall be kept closed at all times during any entertainment, except in cases of emergency and to permit deliveries. Said door(s) is not to consist solely of a screen or ventilated security door. **Sound shall not be audible beyond fifty feet (50') from the exterior of the premises in any direction.**
- Outdoor amplified entertainment is prohibited.
- There shall be no live entertainment or dancing permitted on the patio at any time.

- The use of any amplifying system or device is prohibited on the patio, and the use of any such system or device inside the premises shall not be audible outside the premises.
- There shall be no amusement machines, video game devices, dart games or pool tables maintained upon the patio at any time.
- Deliveries to and from the premises shall be limited to the hours of 8:00 a.m. to 10:00 PM.
- √ The permittee shall not allow employees to discard trash or beer bottles into the outside dumpster between the hours of 10 P.M. and 7 A.M.
- Interior lighting shall be sufficient to make easily discernible the appearance and conduct of all persons and patrons inside the business.
- The permittee shall provide a minimum of one (1) licensed security guard during all times that the entertainment activities are being conducted for crowds up to fifty (50) people. For crowds over fifty (50) people, the permittee shall provide a minimum of one (1) additional security guard per fifty (50) people. Patrons awaiting entry in a defined queue shall be counted toward the calculation of required security staffing levels.

The attire of each security guard shall clearly indicate the guard's affiliation with the establishment by means of a pin, shirt, or other visible form of identification. Should the permittee's operations give rise to a substantial increase in complaint/calls for police service, or trash left in the parking lot, the permittee shall increase security staff, implement the use of electronic metal detection equipment, increase outside lighting, or make other changes to the premises or operation as the Chief of Police determines are necessary to protect the safety of the public.

- In addition to the above security requirements, the permittee shall staff one (1) "Security guard" on the boat dock anytime the banquet hall is used for entertainment purposes. Security guards assigned to the dock shall ensure that patrons do not loiter near the docks or the immediate area, and ensure that NO ALCOHOL is permitted on the boat dock. Security guards must be identifiable. The Chief of Police may increase or relax this condition, based upon calls for service related to problems on the boat dock.
- In addition to the above security requirements, the permittee shall staff one (1) security guard in the parking lot between the hours of 10 p.m. and ½ hour after closing. The security guard shall ensure that patrons do not loiter in the parking lot or the immediate area. They shall also ensure the patrons enter and leave the parking lot in a peaceful manner as not to disturb any neighboring businesses or residents who live nearby. The Chief of Police may increase or relax this condition, based on calls-for-service related to problems in the parking lot.
- √ The permittee shall employ his/her own discretion in determining the level of security necessary to prevent violations of law and any other disturbances arising out of or in connection with business operations. Should the permittee's operations give rise to a substantial increase in complaints/calls for police service, or trash left in the parking lot, the permittee shall increase security staff, implement the use of electronic metal detection equipment, increase outside lighting, or make other changes to the premises or

operation as the Chief of Police determines are necessary to protect the safety of the public.

- √ The permittee shall take reasonable measures to prohibit and prevent the loitering of persons immediately outside any of the entrance/exit doors and the parking lot, at all times while open for business. This should be done by use of security guards and signage indicating words to the effect of, "Please respect our neighbors" or something similar.
- √ At the conclusion of each event, the permittee shall take reasonable measures to ensure that exiting patrons walk directly to their vehicles, and not loiter in the parking lot or the immediate area.
- √ The permittee agrees to reimburse the City for all costs associated with excessive police services, as determined by the Chief of Police, required as the result of any incident or nuisance arising out of or in connection with the permittee's operations.
- √ The permittee shall install and maintain a video surveillance system that monitors no less than the front and rear of the business with full view of the public right-of-ways and any parking lot under the control of the permittee. The video system must be capable of delineating on playback the activity and physical features of persona and areas within the premises. Recordings shall be retained for a minimum of 30 days and be accessible via the Internet by the Long Beach Police Department. A Public Internet Protocol (IP) address and user name/password is also required to allow the Long Beach Police Department to view live and recorded video from these cameras over the internet. All video security cameras shall be installed to the satisfaction of the Chief of Police, Director of Technology Services, and Director of Development Services. At the discretion of the Chief of Police, the permittee may be required to add additional video cameras.
- An identification card scanner shall be used for all patrons entering the establishment after 10:00 PM for the sole purposes of verifying patron age and/or authenticity of a patron's driver's license or identification card.
- √ Current occupancy loads shall be posted at all times, and the permittee shall have an effective system to keep count of the number of occupants present at any given time and provide that information to public safety personnel upon request.
- √ Any graffiti painted or marked upon the premises, or on any adjacent area under the control of the licensee, shall be removed or painted over within 24 hours of being applied.
- Promoters/Disc Jockeys/Contractors: In addition to the requirement that business owners obtain business licenses, entertainment promoters, disc jockeys or other contractors who have been engaged to market, advertise, conduct or otherwise perform services at an event, must obtain a separate city business license. [The promoter may obtain a temporary license for a single event for a period of three days or less pursuant to LBMC § 5.____.]

Any monies collected as a door charge or other admission charge, including minimum drink orders, must be solely for the profit of the business owner.

[The failure of a promoter to obtain a business license for an event or location may be grounds for revocation of the business license of the facility where the event took place and denial of any future business license sought by the promoter.]

If the event is a charitable event, then the promoter must also comply with all applicable requirements of Chapter 5.28.

- √ The permittee shall not hire promoters with the intent to advertise/promote or hold any entertainment activities consistent with nightclub entertainment.

- The permittee must provide all promoters, independent contractors, and dancers, hired to conduct entertainment activities with a copy of the approved permit, which shall include a copy of the approved conditions of operation.
- √ The business, its promoters, or agents, shall not distribute any advertising matter such as signs, posters, or promotional cards, in or upon any public property, or in or on any vehicle in any such place in the City. Distribution of any advertising matter upon private property shall adhere to the following guidelines: By placing the same matter in a receptacle, clip, or other device designed or intended to receive advertising matter. The permittee shall keep all agent and promoter's contracts, including names, addresses and phone numbers, on file at all times, and must be available for inspection at anytime.
- √ The permittee shall maintain full compliance with all applicable laws, ABC laws, ordinances and stated conditions. In the event of a conflict with the requirements of this permit, the more stringent regulation shall apply.
- The permittee must submit an application for the renewal of the entertainment with dancing permit not later than _____ 2011 or four (4) months prior to the One-Year Short-Term permit expiration date to continue to provide entertainment without a break.
- √ The permittee, shall, within ninety (90) days of an approved entertainment permit, submit proof of attending the LEAD program offered by the Department of Alcoholic Beverage Control.
