HONORABLE MAYOR AND CITY COUNCIL

(District 8)

DISCUSSION

The Long Beach Municipal Code (LBMC) requires an application be filed and a hearing be held before the City Council whenever this type of activity is requested and before a license or permit is granted or denied.

The LBMC also requires that the City Council make a determination that the application is complete and truthful; the applicant, the person interested in the ownership and operation of the entity, and the officers and trustees of the entity are law-abiding persons who will operate and conduct the business activity in a lawful manner; and, that the public peace, welfare, and safety will not be impaired. If this is so, the application shall be approved; if not, it shall be denied.

Attached for your review is the application from Lucky Luke, Inc., DBA The Copacabana. Also attached are reports from various departments and a summary of those reports, as well as the license history of the establishment.

City departments have conducted their investigation in accordance with the LBMC. The following summarizes their findings:

- The Police Department recommends that the permit for entertainment with dancing by patrons be approved as a One-Year Short-Term permit with conditions.
- The Fire Department recommends that the permit for entertainment with dancing by patrons be approved.

- The Health and Human Services Department finds that the building/location meets department requirements for the proposed use with the condition that the establishment remain in compliance with the Long Beach Noise Ordinance (LBMC Chapter 8.80).
- The Planning and Building Department recommends that the permit for entertainment with dancing by patrons be approved.

In the event that any of the recommended conditions attached to any permit or licenses are in conflict, the permittee shall adhere to the strictest of the applicable conditions. This location has been licensed as a restaurant since November 1980.

TIMING CONSIDERATIONS

The hearing date of November 13, 2007, has been posted on the business location, with the applicant and property owners within 300 feet notified by mail.

Subject: **APPLICATION FOR ENTERTAINMENT WITH DANCING AT THE COPACABANA
2688 SOUTH STREET**

In response to your request for a recommendation regarding the above named permit application for Entertainment With Dancing, the Police Department recommends **approval** of a **one-year short-term** permit, subject to the following fifteen (15) conditions of operation:

Because of strong concern from North Division Patrol Commander Scott Robertson regarding gang activity and corroborating calls-for-service, the Vice Investigations Section believes that a one-year short-term permit, with specific conditions to address documented problems, would better serve the community. Based on calls-for service and undercover visits, there has been improvement over the past year. With the addition of specific conditions and cooperation from the ownership, the majority of problems related to gang members should be mitigated. After a year of operation with the below conditions, a new application may be submitted for evaluation.

CONDITIONS OF OPERATION

- 1) The operation of the establishment shall be limited to those activities and elements expressly indicated on the permit application and approved by the City Council. Any change in the operation, which exceeds the conditions of the approved permit, will require that a new permit application be submitted to the City Council for their review and approval.
- 2) Unless separately applied for, reviewed, and approved, no adult entertainment, as defined by section 5.72.115(B) LBMC shall be conducted on the permitted premises.
- 3) Due to the proximity of neighboring businesses and residences, all door(s) and windows shall be kept closed at all times during any musical entertainment, except in cases of emergency and to permit deliveries. Said door(s) is not to consist solely of a screen or ventilated security door. **Sound shall not be audible within fifty feet (50') from the exterior of the premises in any direction.**
- 4) The permittee shall not allow employees to discard trash or beer bottles into the outside dumpster between the hours of 10 p.m. and 7 a.m.

- 5) Interior lighting shall be sufficient to make easily discernible the appearance and conduct of all persons and patrons inside the business.
- 6) The permittee shall provide a minimum of one (1) licensed security guard during all times that the entertainment activities are being conducted for crowds up to fifty people. For crowds over fifty people, the permittee shall provide a minimum of one (1) additional security guard per fifty (50) people. Patrons awaiting entry in a defined queue shall be counted toward the calculation of required security staffing levels.

The attire of each security guard shall clearly indicate the guard's affiliation with the establishment by means of a pin, shirt, or other visible form of identification. Should the permittee's operations give rise to a substantial increase in complaint/calls for police service, or trash left in the parking lot, the permittee shall increase security staff, implement the use of electronic metal detection equipment, increase outside lighting, or make other changes to the premises or operation as the Chief of Police determines are necessary to protect the safety of the public.

- 7) In addition to the above security requirements, the permittee shall staff one (1) security guard in the parking lot between the hours of 10 p.m. and ½ hour after closing. The security guard shall ensure that patrons do not loiter in the parking lot or the immediate area. They shall also ensure the patrons enter and leave the parking lot in a peaceful manner as not to disturb any neighboring businesses or residents who live nearby. The Chief of Police may increase or relax this condition, based on calls-for-service related to problems in the parking lot.
- 8) The permittee shall take reasonable measures to prohibit and prevent the loitering of persons immediately outside any of the entrance/exit doors and the parking lot, at all times while open for business. This should be done by use of security guards and signage indicating, words to the effect of, "Please respect our neighbors."
- 9) At the conclusion of each event, the permittee shall take reasonable measures to ensure that exiting patrons walk directly to their vehicles, and not loiter in the parking lot or the immediate area.
- 10) Current occupancy loads shall be posted at all times, and the permittee shall have an effective system to keep count of the number of occupants present at any given time and provide that information to public safety personnel upon request. (LBMC section 18.48.320)
- 11) The permittee agrees to reimburse the City whenever excessive police services, as determined by the Chief of Police, are required as the result of any incident or nuisance arising out of or in connection with the permittee's operations.

- 12) Copacabana, its promoters, or agents, shall not distribute any advertising matter such as signs, posters, or promotional cards, in or upon any public property, or in or on any vehicle in any such place in the City. Distribution of any advertising matter upon private property shall adhere to the following guidelines: By placing the same matter in a receptacle, clip, or other device designed or intended to receive advertising matter. The permittee shall keep all promoter contracts, including names, addresses and phone numbers, on file at all times, and must be available for inspection at anytime.
- 13) All independent contractors and promoters must have or obtain a City of Long Beach Business License prior to conducting entertainment activities governed by this permit. The permittee shall be responsible for all entertainment activities at the location, including those conducted by promoters or independent contractors.
- 14) The permittee must provide all promoters, independent contractors, and dancers, hired to conduct entertainment activities with a copy of the approved permit, which shall include a copy of the approved conditions of operation.
- 15) The permittee shall maintain full compliance with all applicable laws, ABC laws, ordinances and stated conditions. In the event of a conflict with the requirements of this permit, the more stringent regulation shall apply.

Subject: **REVIEW OF ENTERTAINMENT LICENSE REQUEST**

This is in response to your request regarding the following site:

Site Address: 2688 South Street
Long Beach, CA 90805

Applicant: Lucky Luke Inc., DBA The Copacabana 

Zoning District: CCA (Community Automobile Oriented District)

Proposed Use: Entertainment with Dancing

The Community Design and Development Division of the Department of Planning and Building has the following comments:

No CUPs or AUPs were found for the subject property; however, two CUP-Exemptions were approved for alcohol use (CUP-EX Case No. 05-40 and 01-14).

The subject site has previously been approved for a one-year short-term permit for entertainment with dancing that expires on October 3, 2007. The applicants are now seeking to obtain a permanent permit for entertainment with dancing. As the applicants are not seeking to expand the dance floor area, no extra parking is required.

Planning Bureau recommends that the entertainment permit with dancing for "The Copacabana" be approved.

If you have any questions regarding this response, please call Angie Zetterquist, Planner, at (562) 570-6553.
