Board of Water Commissioners

April 14, 2022

CHRISTOPHER J. GARNER, General Manager

Subject

Authorize the General Manager to execute an agreement with Wood Environment & Infrastructure Solutions, Inc., to provide engineering construction management and inspection services for the West Coast Basin Well 1 – Phase 1 Project (O-0745), in an amount not to exceed \$262,270.

Executive Summary

This project is for the construction of a pump-to-waste system for West Coast Basin Well 1. The work includes installation of a new test pump, motor and associated electrical work; PLC and SCADA upgrades for remote monitoring; installation of on-site discharge piping; and installation of new manholes and pipeline to connect into an existing storm water system.

Staff solicited proposals to provide engineering construction management and inspection services for the West Coast Basin Well 1 – Phase 1 Project (O-0745). Two (2) proposals were received, evaluated, and analyzed. Staff recommends Wood Environment & Infrastructure Solutions, Inc., based on its project understanding, resource availability, and reasonableness of fee. The not-to-exceed amount for the services is \$262,270 and the duration of the agreement is through project completion.

Recommendation

Authorize the General Manager to execute an agreement with Wood Environment & Infrastructure Solutions, Inc., to provide engineering construction management and inspection services for the West Coast Basin Well 1 – Phase 1 Project (O-0745), in an amount not to exceed \$262,270.

Fiscal Impact: The cost to the Water Fund will be incurred during FY 22 and FY 23 with the annual amounts unknown at this time, but the total amount will not exceed the contract total of \$262,270. These costs are included in the Water Fund FY 22 CIP budget and financial projections for FY 23.
