HONORABLE MAYOR AND CITY COUNCIL
City of Long Beach
California

RECOMMENDATION:

Receive the supporting documentation into the record, conclude the hearing and grant a One-Year Short-Term Permit with conditions on the application of TKLB LLC, DBA Tilted Kilt, 6575 E. Pacific Coast Hwy., for Entertainment without Dancing by Patrons. (District 3)

DISCUSSION

The Long Beach Municipal Code (LBMC) requires an application be filed and a hearing be held before the City Council whenever this type of activity is requested and before an entertainment permit is granted or denied.

The LBMC also requires that the City Council make a determination that the permit application is complete and truthful; the applicant and the officers and trustees of the entity are law-abiding persons who will operate and conduct the business activity in a lawful manner; and that public peace, welfare and safety will not be impaired. If this is so, the application shall be approved, a short-term entertainment permit shall be approved, or the application shall be denied.

The City Council has the authority to approve the following options: 1) grant the Permit, with or without conditions; or 2) grant a One-Year Short-Term Entertainment Permit, with or without conditions; or, 3) deny the Permit on the application.

City departments have conducted their investigations in accordance with the LBMC. Attached for your review are the departmental investigative reports, the business ownership and permit history, and the entertainment permit application.

The following summarizes departmental findings:

- The Police Department recommends that the permit for entertainment without dancing by patrons be approved subject to recommended conditions.
- The Fire Department finds that the building/location meets department requirements for the proposed use.

HONORABLE MAYOR AND CITY COUNCIL

- The Health and Human Services Department finds that the building/location meets department requirements for the proposed use with the condition that the establishment remain in compliance with the Long Beach Noise Ordinance (LBMC Chapter 8.80).
- The Development Services Department finds that the building/location meets department requirements for the proposed use.

The Department of Financial Management, Business Relations Bureau, has reviewed all submitted department documents and correspondence and, after a thorough investigative process, recommends that the permit for entertainment without dancing by patrons be approved as a One-Year Short-Term Entertainment Permit subject to conditions (attached).

In the event that any of the recommended conditions are in conflict with other permits or licenses, the permittee shall adhere to the strictest of the applicable conditions. This location has been licensed as a restaurant with alcohol since February of 2000.

This matter was reviewed by Deputy City Attorney Amy R. Webber on September 15, 2011.

**Recommended Conditions of Operation
TKLB LLC, DBA Tilted Kilt
6575 E. Pacific Coast Hwy.
Application for Entertainment without Dancing**

In regards to the above named permit application for Entertainment without Dancing, the Department of Financial Management recommends **approval subject to the following conditions:**

CONDITIONS OF OPERATION

1. The operation of the establishment shall be limited to those activities and elements expressly indicated on the permit application and approved by the City Council. Any change in the operation, which exceeds the conditions of the approved permit, will require that a new permit application be submitted to the City Council for their review and approval.
2. Unless separately applied for, reviewed, and approved, no adult entertainment, as defined by section 21.15.110 LBMC shall be conducted on the permitted premises.
3. Entertainment activities indicated on page #7 of your entertainment application shall be restricted to the hours of **7:00 PM to 12:00 AM** Sunday through Thursday and **7:00 PM to 1:00 AM** Friday through Saturday. Outdoor entertainment is prohibited.
4. Patrons under twenty-one (21) years of age shall not be permitted to enter nor to remain on the premises after the restaurant (food services) portion of the establishment has closed. Private functions not open to the public are exempt from this condition.
5. This Entertainment Permit is accessory to the primary business, which is a restaurant. The authorization to provide entertainment on-site is subject to the use remaining as a restaurant, meaning a bona fide eating place serving actual and substantial meals.

"Meals" means the usual assortment of foods commonly ordered at various hours of the day; the service of such food only as sandwiches or salads shall not be deemed compliant with this requirement. Meals must consist of food prepared on the premises. Hours of sales of alcohol shall be limited to the hours when meals are available.

The premises must be equipped and maintained in good faith. The premises must possess working refrigeration, cooking equipment, utensils, menus, and enough food to make substantial meals.

In the event the primary business ceases operations, fails to operate as a bona fide eating place, fails to serve actual and substantial meals or otherwise fails to comply with this condition, the Entertainment Permit becomes null and void.

6. The establishment shall remain in compliance with all applicable sections of the Long Beach Noise Ordinance (LMBC Chapter 8.80).
7. Noise emanating from the permittee's premises shall not be audible beyond fifty feet (50') from the exterior of the premises. The permittee shall be responsible for determining how to best meet this requirement, either by keeping doors and windows closed, limiting hours of entertainment, limiting hours of entertainment, offering non-amplified entertainment, or by whatever means are necessary.
8. The permittee shall not allow employees to discard trash or beer bottles into the outside dumpster between the hours of 10:00 PM and 7:00 AM.
9. The permittee shall provide a minimum of one (1) licensed security guard during all times that the entertainment activities are being conducted for crowds up to fifty (50) people. For crowds over fifty (50) people, the permittee shall provide a minimum of one (1) additional security guard per fifty (50) people. Patrons awaiting entry in a defined queue shall be counted toward the calculation of required security staffing levels.

The attire of each security guard shall clearly indicate the guard's affiliation with the establishment by means of a pin, shirt, or other visible form of identification. Should the permittee's operations give rise to a substantial increase in complaint/calls for police service, or trash left in the parking lot, the permittee shall increase security staff, implement the use of electronic metal detection equipment, increase outside lighting, or make other changes to the premises or operation as the Chief of Police determines are necessary to protect the safety of the public.
10. The permittee shall take reasonable measures to prohibit and prevent the loitering of persons immediately outside any of the entrance/exit doors and the parking lot at all times while open for business. This should be done by use of security guards and signage indicating words to the effect of, "Please respect our neighbors," or something similar.
11. At the conclusion of each event, the permittee shall take reasonable measures to ensure that exiting patrons walk directly to their vehicles, and not loiter in the parking lot or the immediate area.
12. Current occupancy loads shall be posted at all times, and the permittee shall have an effective system to keep count of the number of occupants present at any given time and provide that information to public safety personnel upon request.
13. The permittee agrees to reimburse the City whenever excessive police services, as determined by the Chief of Police, are required as the result of any incident or nuisance arising out of or in connection with the permittee's operations.
14. The permittee shall not hire promoters with the intent to advertise/promote or hold any entertainment activities consistent with nightclub entertainment.

15. The business, its promoters, or agents, shall not distribute any advertising matter such as signs, posters, or promotional cards, in or upon any public property, or in or on any vehicle in any such place in the City. Distribution of any advertising matter upon private property shall adhere to the following guidelines: By placing the same matter in a receptacle, clip, or other device designed or intended to receive advertising matter. The permittee shall keep all agent and promoter's contracts, including names, addresses and phone numbers, on file at all times, and must be available for inspection at anytime.
16. The permittee shall maintain full compliance with all applicable laws, ABC laws, ordinances and stated conditions. In the event of a conflict with the requirements of this permit, the more stringent regulation shall apply.
17. The permittee shall install and maintain a video surveillance system that monitors no less than the front and rear of the business with full view of the public right-of-ways and any parking lot under the control of the permittee. The video system must be capable of delineating on playback the activity and physical features of persona and areas within the premises. Recordings shall be retained for a minimum of 30 days and be accessible via the Internet by the Long Beach Police Department. A Public Internet Protocol (IP) address and user name/password is also required to allow the Long Beach Police Department to view live and recorded video from these cameras over the internet. All video security cameras shall be installed to the satisfaction of the Chief of Police, Director of Technology Services, and Director of Development Services. At the discretion of the Chief of Police, the permittee may be required to add additional video cameras.
18. Any graffiti painted or marked upon the premises, or on any adjacent area under the control of the licensee, shall be removed or painted over within 24 hours of being applied.
19. The permittee, shall, within ninety (90) days of an approved entertainment permit, submit proof of attending the LEAD program offered by the Department of Alcoholic Beverage Control. In the event that the LEAD program class is not offered within this ninety day period, the permittee shall attend the next available class. Proof of completion shall be submitted to the Long Beach Police Department Vice Investigations Section.

To: Erik Sund, Bureau Manager, Business Relations Bureau
From: Jim McDonnell, Chief of Police 
Subject: **APPLICATION FOR AN ENTERTAINMENT WITHOUT DANCING PERMIT
TILTED KILT – 6575 EAST PACIFIC COAST HIGHWAY**

In response to your request for a recommendation regarding the above named permit application for Entertainment Without Dancing by Patrons, the Police Department recommends **approval** of a **One-Year Short-Term Permit**, subject to the following nineteen (19) conditions:

Tilted Kilt is located on the west side of The Market Place Shopping Center at East Pacific Coast Highway and East 2nd Street. The business has been in operation for approximately five months, and also holds a Type 47 (On Sale General Eating Place) Alcoholic Beverage Control license. The establishment serves American cuisine for lunch and dinner and will provide entertainment during the evening hours. On April 18, 2011, Tilted Kilt applied for an Entertainment without Dancing Permit requesting live amplified music, a disc jockey, and karaoke music.

Based upon the Vice Section's investigation, and the East Division Patrol Commander's recommendation, the Long Beach Police Department has determined the public peace, safety, and welfare would not be adversely impacted by the issuance of this permit, provided the appropriate conditions are imposed and observed by the applicant. The Police Department recommends a One-Year Short-Term Entertainment Permit Without Dancing by Patrons would be in the best interests of the surrounding community and the City of Long Beach.

CONDITIONS OF OPERATION

- 1) The operation of the establishment shall be limited to those activities and elements expressly indicated on the permit application and approved by the City Council. Any change in the operation, which exceeds the conditions of the approved permit, will require that a new permit application be submitted to the City Council for their review and approval.
- 2) Unless separately applied for, reviewed, and approved, no adult entertainment, as defined by section 5.72.115(B) LBMC shall be conducted on the permitted premises.
- 3) **Entertainment activities indicated on page #7 of your entertainment application shall be restricted to the hours of 7:00 PM to 12:00 Midnight, Sunday through Thursday nights, and 7:00 PM to 1:00 AM, Friday and Saturday nights. Outdoor entertainment is prohibited.**

- 4) This Entertainment Permit is accessory to the primary business, which is a restaurant. The premises must possess working refrigeration, cooking equipment, utensils, menus, and enough food to make substantial meals. The business must offer substantial sales of meals, during the normal meal hours that the business is open. Fast food, snacks, and hors d'oeuvres shall not constitute a substantial meal. Normal meal hours are: Breakfast 6:00 a.m. – 9:00 a.m., Lunch 11:00 a.m. – 2:00 p.m., and dinner 6:00 p.m. – 9:00 p.m.

If the business does not open by 6:00 p.m., complete and substantial meals shall be offered the entire time the business is open, or for a minimum of three hours. In the event the primary business ceases operations or fails to comply with this condition, the entertainment permit becomes null and void.

- 5) Patrons under twenty-one (21) years of age shall not be permitted to enter, nor to remain on the premises, after the restaurant (food services) portion of the establishment has closed. Private functions not open to the public are exempt from this condition.
- 6) Noise emanating from the permittee's premises shall not be audible beyond 50 feet from the exterior of the premises. The permittee shall be responsible for determining how to best meet this requirement, either by keeping doors and windows closed, limiting hours of entertainment, or by offering non-amplified entertainment.
- 7) The permittee shall not allow employees to discard trash or beer bottles into the outside dumpster between the hours of 10 p.m. and 7 a.m.
- 8) The permittee shall provide a minimum of one (1) uniformed security guard during all times that the entertainment activities are being conducted for crowds up to fifty people. For crowds over fifty people the permittee shall provide a minimum of one (1) additional uniformed security guard per fifty (50) people. Patrons awaiting entry in a defined queue shall be counted toward the calculation of required security staffing levels.

Security guards must be identifiable as Tilted Kilt employees. Should the permittee's operations give rise to a substantial increase in complaints/calls for police service, the permittee may be required to increase security staff, implement the use of electronic metal detection equipment, increase outside lighting, or make other changes to the premises or operation as the Chief of Police determines are necessary.

- 9) The permittee shall take reasonable measures to prohibit and prevent the loitering of persons immediately outside any of the entrance/exit doors and the parking lot, at all times while open for business. This should be done by utilizing security guards and signage with verbiage such as, "Please respect our neighbors," or something similar.

- 10) At the conclusion of each event, the permittee shall take reasonable measures to ensure that exiting patrons walk directly to their vehicles and not loiter in the parking lot or the immediate area.
- 11) Current occupancy loads shall be posted at all times, and the permittee shall have an effective system to keep count of the number of occupants present at any given time. This information shall be provided to public safety personnel upon request.
- 12) The permittee agrees to reimburse the City of Long Beach whenever excessive police services, as determined by the Chief of Police, are required as the result of any incident or nuisance arising out of, or in connection with the permittee's operations.
- 13) The permittee shall not hire promoters with the intent to advertise/promote or hold any entertainment activities consistent with nightclub entertainment.
- 14) The Tilted Kilt, or its agents, shall not distribute any advertising matter such as signs, posters, or promotional cards, in or upon any public property, any vehicle or in any other such place in the City of Long Beach. Distribution of any advertising matter upon private property shall adhere to the following guidelines: By placing the same matter in a receptacle, clip, or other device designed or intended to receive advertising matter. The permittee shall keep all promoter contracts, including names, addresses, and phone numbers, on file at all times, and be available for inspection at any time.
- 15) The permittee shall maintain full compliance with all applicable laws, ABC laws, ordinances, and stated conditions. In the event of a conflict between the requirements of this permit, your conditional use permit, or your Alcoholic Beverage Control license, the more stringent regulation shall apply.
- 16) The permittee shall be responsible for installing and maintaining a video surveillance system that monitors no less than the front and rear of the business, with full view of the public right-of-ways, and any parking lot under the control of the permittee. These cameras shall record video for a minimum of 30 days and be accessible via the Internet by the Long Beach Police Department. A Public Internet Protocol (IP) address and user name/password is also required to allow the Long Beach Police Department to view live and recorded video from these cameras over the internet. All video security cameras shall be installed to the satisfaction of the Chief of Police, Director of Technology Services, and Director of Development Services. At the discretion of the Chief of Police, the permittee may be required to add additional video cameras

- 19) The permittee shall, within ninety (90) days of an approved entertainment permit, submit proof of attending the LEAD program offered by the Department of Alcoholic Beverage Control. In the event that the LEAD program class is not offered within this ninety day period, the permittee shall attend the next available class. Proposed Use: Entertainment without Dancing

The Planning Bureau of the Department of Development Services has the following comments:

A review of the permit history for 6575 E. Pacific Coast Highway, indicates that a Conditional Use Permit Exemption (Case No. 1012-01) was approved for alcohol sales at a restaurant with an existing legal fixed bar.

The applicant is seeking to obtain a permit for entertainment without dancing. An entertainment permit without dancing is allowed as an accessory use at a restaurant in the PD-1-zone. No extra parking is required.

Planning Bureau recommends that the entertainment permit without dancing for "Tilted Kilt" be approved.
