10 amount stated in the Contract Documents.

11 5. ACCEPTANCE OF WORK NOT TO CONSTITUTE A WAIVER. The
12 acceptance of any work or the payment of any money by City shall not operate as a

14 permitted to work more than eight (8) hours unless that worker receives compensation in
15 accordance with Section 1815.

16 11. PREVAILING WAGE RATES. Contractor is directed to the
17 prevailing wage rates. Contractor shall forfeit, as a penalty to the City, Two Hundred
18 Dollars (\$200) for each laborer, worker or mechanic employed for each calendar day, or

23 or State authority, Contractor shall accept as full and complete compensation
24 under this Contract such amount of money as will equal the product of multiplying
25 the Contract price stated herein by the percentage of work completed by
26 Contractor as of the date of such termination, and for which Contractor has not
27 been paid. If the work is so terminated, the City Engineer, after consultation with
28 Contractor, shall determine the percentage of work completed and the

1 determination of the City Engineer shall be final.

2 B. If Contractor is prevented, in any manner, from strict
3 compliance with the Plans and Specifications due to any Federal or State law, rule
4 or regulation, in addition to all other rights and remedies reserved to the parties
5 City may by resolution of the City Council suspend performance hereunder until

21 Contract, execute and deliver to City a good and sufficient corporate surety bond, in the
22 form attached hereto and in the amount specified therein, conditioned upon the faithful
23 performance of this Contract by Contractor, and a good and sufficient corporate surety
24 bond, in the form attached hereto and in the amount specified therein, conditioned upon
25 the payment of all labor and material claims incurred in connection with this Contract.

26 15. COVENANT AGAINST ASSIGNMENT. Neither this Contract nor
27 any of the moneys that may become due Contractor hereunder may be assigned by
28 Contractor without the written consent of City first had and obtained, nor will City

1 recognize any subcontractor as such, and all persons engaged in the work of

12 payroll records for Contractor and all subcontractors shall be certified and shall be
13 available for inspection at all reasonable hours at the principal office of Contractor
14 pursuant to the provisions of Section 1776 of the Labor Code. Contractor's failure

16 entitle City to withhold the penalty prescribed by law from progress payments due
17 to Contractor.

18 B. Upon completion of the work, Contractor shall submit to the
19 City certified payroll records for Contractor and all subcontractors performing any
20 portion of the work under this Contract. Certified payroll records for Contractor
21 and all subcontractors shall be maintained during the course of the work and shall
22 be kept by Contractor for up to three (3) years after completion of the work.

23 C. The foregoing is in addition to, and not in lieu of, any other

6 doing so shall be deducted from the amount due Contractor from City hereunder.

USE TAX DIRECT PAYMENT PERMIT (General Information and Filing Instructions)

Revenue and Taxation Code section 7051.3 authorizes the State Board of Equalization to issue a *Use Tax Direct Payment Permit* to qualified applicants. This permit allows purchasers and lessees of tangible personal property (other than lessees of motor vehicles the lease of which is subject to the terms of section 7205.1 of the Sales and Use Tax Law) to self-assess and pay use taxes directly to the Board instead of to the vendor or lessor from whom the property is purchased or leased.

Permit holders will be provided with a *Use Tax Direct Payment Exemption Certificate* which they can issue to retailers and lessors when they purchase tangible personal property subject to use tax or make qualified leases of tangible personal property. Vendors who timely take the certificate in good faith from a permit holder are relieved of the duty to collect use taxes on the sales for which the certificate was issued. Permit holders who acquire property under a certificate must self-assess and report the use taxes directly to the Board on their tax returns, and allocate the local taxes to the county, city, city and county, or redevelopment agency in which the property is first used. Permit holders who fail to properly pay any use taxes that are due on property for which a certificate was given are subject to interest and penalties assessments in addition to their tax liability.

To qualify for a *Use Tax Direct Payment Permit*, an applicant must meet the following conditions:

- (1) The applicant must agree to self-assess and pay directly to the Board any use tax which is due on property for which a use tax direct payment exemption certificate was given; and
- (2) The applicant must certify to the Board either of the following:
 - (A) The applicant has purchased or leased for its own use tangible personal property subject to use tax which cost five hundred thousand dollars (\$500,000) or more in the aggregate, during the calendar year immediately preceding the application for the permit; or
 - (B) The applicant is a county, city, city and county, or redevelopment agency.

Persons wishing to obtain a use tax direct payment permit must be pre-qualified and either hold a California seller's permit or a consumer use tax account.

Persons other than governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under conditions of Part (2)(A) above, and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Persons other than governmental entities who are not required to hold a seller's permit and who do not currently hold a consumer use tax account must obtain a consumer use tax account and then complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(A) above and submit a "Statement of Cash Flows" or other comparable financial statements acceptable to the board for the calendar year immediately preceding the date of application which discloses total purchases of property and equipment for own use and a separate statement under company letterhead certifying that five hundred thousand dollars (\$500,000) or more of such purchases were subject to use tax.

Governmental entities who currently hold either a California seller's permit or a consumer use tax account must complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

Governmental entities who do not hold a California seller's permit or a consumer use tax account must obtain a consumer use tax account and then complete the application for a *Use Tax Direct Payment Permit*, sign the certification statement attesting that they qualify for a permit under the conditions of Part (2)(B) above, and submit an additional statement to that effect under official letterhead and signed by an authorized governmental representative.

The completed *Application for Use Tax Direct Payment Permit*, certification statement, and qualifying documentation should be returned to the address shown below. Upon determination that the applicant qualifies, a *Use Tax Direct Payment Permit* and a *Use Tax Direct Payment Exemption Certificate* will be mailed to the applicant.

If you would like additional information regarding the *Use Tax Direct Payment Permit* or need assistance in completing this application, you can call 916-445-5167, or write to the Board of Equalization, Compliance Policy Unit, P.O. Box 942879, Sacramento, CA 94279-0040.
