III. SERVICE PLAN AND BUDGET

A. The year in review – 2011 planned events

The area along Fourth Street between Cherry Avenue and Carroll Park East offers a truly unique shopping area. This relatively small area is known regionally as well as internationally for its eclectic shops and hip product selection.

Fourth Street businesses continue making strides in promoting the district working together during the second year of the business improvement district, the FSIA has continued with regular meetings, gained the participation of new additional affiliate member businesses and increased the scope and impact of marketing and promotional programs. Programs conducted during 2009/2010 included:

- **Two Sidewalk sales (summer and fall event)**
 - The street held two sidewalk sales with different themes: Summer lemonade theme and Circus theme. Both proved highly successful and attracted visitors from the neighborhood as well as neighboring cities.
- **One Holiday Open House event (December)**
 - The Holiday Open House event started off the shopping season for this district and promoted a shop local, shop independent slogan.
- **Regular street clean-ups (daily and monthly)**
 - The regular sweeping, graffiti reporting and code enforcement efforts are vital to make 4th Street BIA attractive and safe.
- **Maintenance of sprinkler system in “Garden Walk” (Summer)**
 - The Garden walk was planted over 10 years ago with a NPP grant. The 4th Street BIA is maintaining the planter beds and sprinkler system to this day. Greening the area makes the street look more attractive and cared for.
- **4th Street – Retro Row brochure(spring and fall)**
 - A listing of all businesses increases awareness of this shopping district in Long Beach and out of town. The brochure is now a staple at the LB CVB, local hotels and many events in and outside of Long Beach.
- **Joint advertising (event driven)**
 - 4th Street placed several ads in local newspapers in order to raise awareness of the BIA.
- **4th Street in Motion Street Fair (August)**
 - This highly successful event has inspired 4th Street BIA to continue its tradition of street fairs from many years ago. Major Sponsors of the event were RDA, CVB, Bike Long Beach, The Pike Bar and Grill, Lola’s Mexican Restaurant and Kafe Neo. The feedback from the merchants was enormously positive.

- **Maintenance of 4th Street Retro Row website (monthly)**
 - As print media is fading more and more in the background of our marketing efforts, online presence is where the association will be focusing on in the future.
- **Business outreach committee on 4th Street Retro Row (ongoing)**
 - We have created an outreach committee to welcome new businesses and actively recruit businesses to locate to 4th Street.

Planned FY 2010/11 activities will include:

- **2 Sidewalk sales**
- **“Garden Walk” re-planting effort with draught tolerant plant scheme**
- **Regular update of 4th Street / Retro Row brochure**
- **Joint advertising**
- **2nd annual 4th Street in Motion Street Fair**
- **Complete overhaul of 4th Street Retro Row website**
- **Regular street cleaning of 4th Street Retro Row**
- **Maintenance of a business outreach committee on Retro Row**
- **Maintenance of Parking Lot at 4th and Cherry lot**
- **Development of a bike friendly business corridor along 4th Street**
- **Joint project with Luther Burbank School to facilitate the expansion of “The Garden of the Mind”**
- **4th Street Radio station**
- **4th Street Pedi Cab service**
- **4th Street Farmers Market at 4th and Cherry Avenue**

B. Service Plan

The FSPBIA Service Plan provides for funding for marketing and promoting and maintaining the cleanliness and attractiveness of the shopping area. Although we are a new organization, with relatively few participants, we have amassed a modest budget that will enable us to plan and promote events, as well as contribute to the overall cleanliness of our area.

Services to be provided are:

1. Marketing Media and Materials

Amount: \$3800

These services will include the new development and continuous updating of the 4th Street website, as well as print advertising for our special events and general pieces to promote the street.

Social media promotion has become a large part of 4th streets marketing efforts. We will strengthen this part of our marketing efforts as well.

2. Promotional Events

Amount: \$4000

4th Street has learned in 2010 to work with sponsors to finance some of our advertising needs. Events like the sidewalk sales, Holiday open house, and last Saturdays will be supplemented by sponsor donations. The largest portion of this budget will go toward the 4th Street in Motion Street Fair event.

3. Streetscape and Cleanliness

Amount: \$2000

In an ongoing effort to maintain the cleanliness of our street, we have earmarked funds for streets scaping and cleanliness. One of the major budget items for this year will be for new plantings along the "Garden Walk" and around the tree wells along the street; this will give the street a uniform and clean aesthetic look.

C. Services Budget

Services will be provided based on the following estimated allocation of FSPBIA revenue totaling \$10,800 for FY 2010/11. No Consumer Price Index adjustment is applied to assessment fees for FY 2010/11.

- **2 Sidewalk sales**
- **"Garden Walk" re-planting effort with draught tolerant plant scheme**
- **Regular update of 4th Street / Retro Row brochure**
- **Joint advertising**
- **2nd annual 4th Street in Motion Street Fair**
- **Complete overhaul of 4th Street Retro Row website**
- **Regular street cleaning of 4th Street Retro Row**
- **Maintenance of a business outreach committee on Retro Row**
- **Maintenance of Parking Lot at 4th and Cherry lot**
- **Development of a bike friendly business corridor along 4th Street**
- **Joint project with Luther Burbank School to facilitate the expansion of "The Garden of the Mind"**
- **4th Street Radio station**

IV. ASSESSMENTS

A. Methodology

Improvements and activities identified in the Service Plan are designed to improve the appearance of pedestrian areas, improve safety and make the area more attractive to customers. All businesses in the district will benefit from these improvements, but retail, financial, professional and service businesses are expected to benefit more than miscellaneous, wholesale, manufacturing or other businesses that do not rely upon foot traffic for their business. Therefore, these

businesses pay a reduced assessment. The proposed assessment rate for each business operating within the District is shown in the following table.

| Business License Category | Rate |
|---|-------------|
| Financial/Banking & Insurance | \$200 |
| Service Real Estate Offices | 200 |
| Retail – Restaurant w/Alcohol & RTE | 200 |
| Retail – Other | 200 |
| Consulting | 200 |
| Construction Contractor | 200 |
| Professional | 200 |
| Service – Other | 200 |
| Misc, Rec/Ent, Vend, Manf, Uniq, Whlsl, | 100 |
| Commercial space rental | 100 |
| Non-profit business operations | 100 |
| Residential property rental | 0 |
| All Secondary Licensees | 0 |

Estimated FY 2010/ 2011 assessment revenue is \$10,800.

B. CPI Adjustments

The assessment may be increased each year to reflect the annual change in the Consumer Price Index for All Urban Consumers in Los Angeles-Riverside-Orange County. The annual increase shall not exceed three (3%) percent of the previous year's assessment. The annual Consumer Price Index variance will be calculated in March and applied in July of each year. The District will have a fiscal year of October 1 through September 30.

C. Time and Manner for Collecting Assessments

Business operator assessments will be invoiced and due with annual City of Long Beach Business License renewal statements. Assessment revenue received will be segregated into a special fund for transfer to the FSIA.

3. The FSPBIA Advisory Board shall comply with the Brown Act when discussing or acting on matters within the subject matter of the district (e.g. annual report assessment methodology, boundaries, budget and Service Plan).

B. Disestablishment

According to State law, any district where there is no outstanding indebtedness may be disestablished by resolution of the City Council. This may occur if the City Council finds that funds have been improperly used or if the assesses request disestablishment. There will be a thirty-day window every year beginning on the one-year anniversary of the establishment of the District, in which business owners may petition to disestablish the District. If the assesses who pay 50% or more of the total assessments levied submit a written petition to disestablish the District, the City Council will do so.
