

The Long Beach Aftershock

The Long Beach Aftershock announce the first annual Children's Benefit Game. The Aftershock have paired up with local businesses and charities to provide a wonderful opportunity for children of the Long Beach community. A benefit game will be played Saturday, September 25, 2004 at 3:00 p.m.

The game will be held at Long Beach City College's Veteran Stadium. A portion of the proceeds will benefit local children's charities. Children's booths and events will precede the football game. An extended autograph session will follow the game. Admission price includes posters or photographs to be autographed. Other prizes will be given away at the game and during autograph sessions. You are invited to extend the reach of this event by donating tickets on behalf of the charity of your choice. The Aftershock have pledged to match each business supporting this event with an equal number of tickets for the business'es chosen charity. Children's tickets, usually \$5.00 each, will be donated to local children by the Shock and local sponsors.

Join in today and make it a great day for children!

Contact Debbie Genz at 909-815-1920 for information or check out our website www.longbeachaftershock.com

The Aftershock proudly salutes the members of the Long Beach Business Community. Thank you for your generous support of our women's professional tackle football team, but more importantly the children of the community! Please feel free to give us your comments as well!
