BELMONT SHORE PARKING AND BUSINESS IMPROVEMENT AREA COMMISSION MEMBERS

City of Long Beach
California

October 16, 2008

REFERENCE: **Item 5 – 08-1071**

SUBJECT: Gateway sign engineering plans.

DISCUSSION

At it's June 19, 2008 meeting, the Commission recommended the City proceed with site survey work and permits for the gateway sign locations proposed by the City's Traffic Engineer. Site survey work has been completed and the permit application process is awaiting the final sign concept.

Sign permitting and design planning can both begin upon approval of the final sign concept. This action recommends that City staff engage a design firm to provide gateway sign engineering plans at a cost not to exceed \$22,000.

RECOMMENDATION

Recommendation that City staff engage a design firm to provide gateway sign engineering plans at a cost not to exceed \$22,000
